*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City of Bloomington
Illinois**

For the Fiscal Year Beginning

May 1, 2014

A handwritten signature in black ink, appearing to read "Jeffrey P. Evans".

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented an award for Distinguished Budget Presentation to the City of Bloomington for its annual budget for the fiscal year beginning May 1, 2014. The FY 2016 budget is under review by the GFOA and results should be available by FY 2017 Final Budget Books.

In order to receive this award, a governmental unit must publish a budget document that meets the program criteria as a policy document, as an operations guide, as a financial plan and as a communications device. The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to the GFOA to determine its eligibility for another award.

- City of Bloomington Organization Chart

HOW THE CITY BUDGET IS ORGANIZED

The City of Bloomington budget is organized into two books, “Budget Overview and General Fund” and “Other Funds and Capital Improvement Program”. There are seventeen sections in total, seven in book one and ten in book two. Each section is described below.

Book One-Budget Overview & General Fund

Introduction

This section includes How the City Budget is organized, the City Manager’s budget message, the City of Bloomington narrative, a map of Bloomington and the City’s organization chart.

Demographics

This section includes details on demographic and economic statistics, principal employers, capital asset statistics by function/program, assessed value and estimated actual value of taxable property and direct and overlapping property tax rates.

Procedural Information

This section includes information on the City’s Financial Policies and Strategies, Long-Term Financial Plan, City Budget Process, City of Bloomington Rates, and Full Time Employees by Department.

Budget Overview

This section reports on all funds and their department/fund relationship used by the City for operations and includes the following:

- Fund Structure chart for FY 2016 Budget
- Fund Structure narrative including definitions
- Basis of Budgeting and Accounting
- Overall summary of all revenues and expenditures
- Fund Balance Summary
- Fund Balance Notes

Revenue Summary

This section provides insight into the City’s overall revenues and includes the following:

- Major Revenue Analysis
- Revenue comparison by department/fund
- Statement of Proposed Property Tax Levy

Expenditure Summary

This section details the City’s overall expenditures including:

- Expenditure Overview
- Interfund Transfer Summary
- General Fund Expenditure Comparison
- Expenditure Comparison by Department/Fund

General Fund Departments

This section includes a narrative for all General Fund departments including performance measures and line item budget details on revenue and expenditures by department.

Book Two-Other Funds & Capital Improvement Program

Special Revenue Funds

This section budgets for Motor Fuel Tax (MFT), Board of Elections, Drug Enforcement Funds, Community Development, Library and Park Dedication.

Debt Service Funds

This section includes a description of the City's debt and budgets for the payment of principal and interest.

Capital Project Funds

Narratives and line item budgets for all Funds related to Capital Projects. These include the Capital Improvement Fund (CIF), Capital Lease Fund and the Central Bloomington (Downtown) Tax Increment Financing District (TIF).

Enterprise Funds

This section includes narratives with performance measures and line item account budgets for City Funds accounted for and reported in the same manner as a private entity. Examples include Water, Sanitary Sewer, Storm Water, Solid Waste, Golf Courses and the U.S. Cellular Coliseum.

Internal Service Funds

This section includes narratives, performance measures and line item account budget information for the Casualty Insurance, Employee Group Health Insurance and Employee Retiree Group Health Insurance Funds.

Fiduciary Funds

This section includes narratives, performance measures and line item account budget information for the John M. Scott Health Resources.

Appendix

This section includes the City of Bloomington employee count by department and the budget glossary.

Capital Equipment

This section provides a list of capital equipment proposed for all funds. Included is a proposed list of items that the City will pay cash for and items that the City is proposing as part of a capital lease.

Capital Improvement Program

This section includes detailed project list by fund for every proposed Capital project for FY 2017. Also included is a detailed list of projects and whether or not the project is recurring or non-recurring. Finally, a detailed project sheet is provided explaining why the project is needed, cost and a picture if applicable.

Capital Improvement Program-Future Years

This section includes detailed project list by fund for every proposed Capital project for FY 2018-FY 2021. Also included is a detailed list of projects and whether or not the project is recurring or non-recurring.

**The City Manager Budget Message will be included in the FY 2017
Adopted Budget Book**

The City of Bloomington

General Information

The City of Bloomington, incorporated in 1856, is a home rule unit of government under the 1970 Illinois Constitution. The City of Bloomington is located in the heart of Central Illinois, approximately 125 miles southwest of Chicago, 155 miles northeast of St. Louis, and 64 miles Northeast of Springfield, the State Capital. The City of Bloomington is the County Seat of McLean County, the largest county in Illinois (approximately 762,240 acres). The results of the 2010 Census shows the City now has a population of 76,610 citizens.

History

Prior to the 1820s, the area of today's Bloomington was at the edge of a large grove enjoyed by the Kickapoo people before the first Euro-American settlers arrived in the early 1820s.

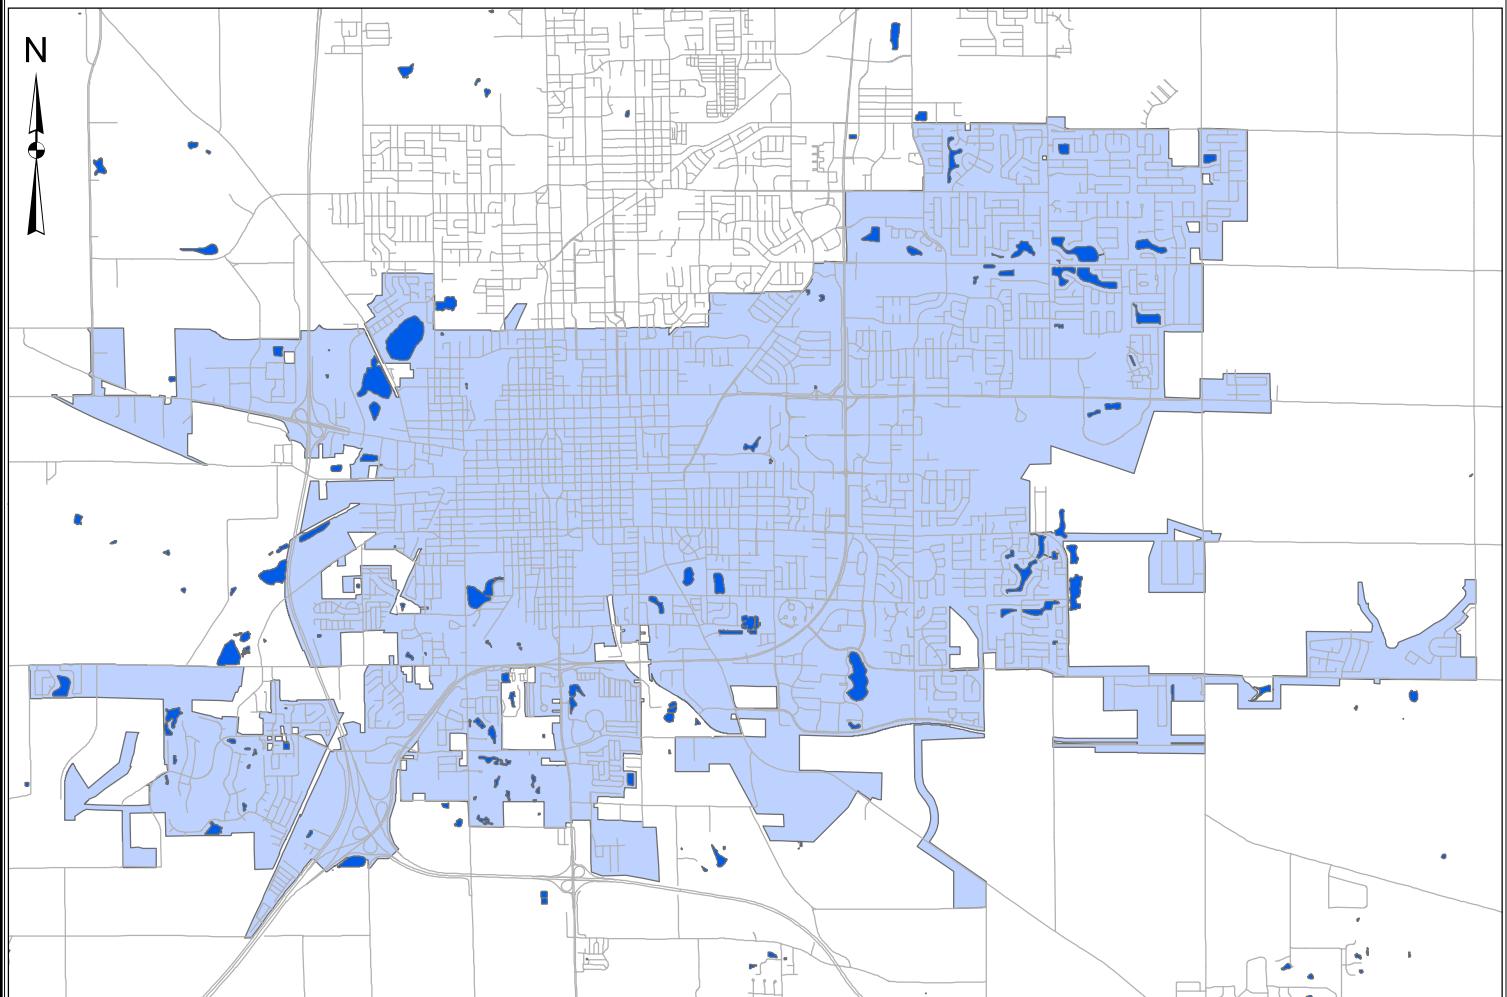

Springing from the settlement of Keg Grove, later called Blooming Grove, Bloomington was named as county seat on December 25, 1830, when McLean County was created. When the County of McLean was incorporated a county seat was established; however, the legislation stated the site of Bloomington would be located later. James Allin, who was one of the promoters of the new county, offered to donate 60 acres of his own land for the new town. His offer was accepted and Bloomington was laid out. Its lots were sold at a big party on the 4th of July 1831. At this time there were few roads, but rich soils brought new farmers who began commerce by conducting their business in the newly formed county. People came from all over to trade and do business at the town's center, known today as Downtown Bloomington, including Abraham Lincoln who was working as a lawyer in nearby Springfield. In 1856, the City of Bloomington incorporated.

City Organization

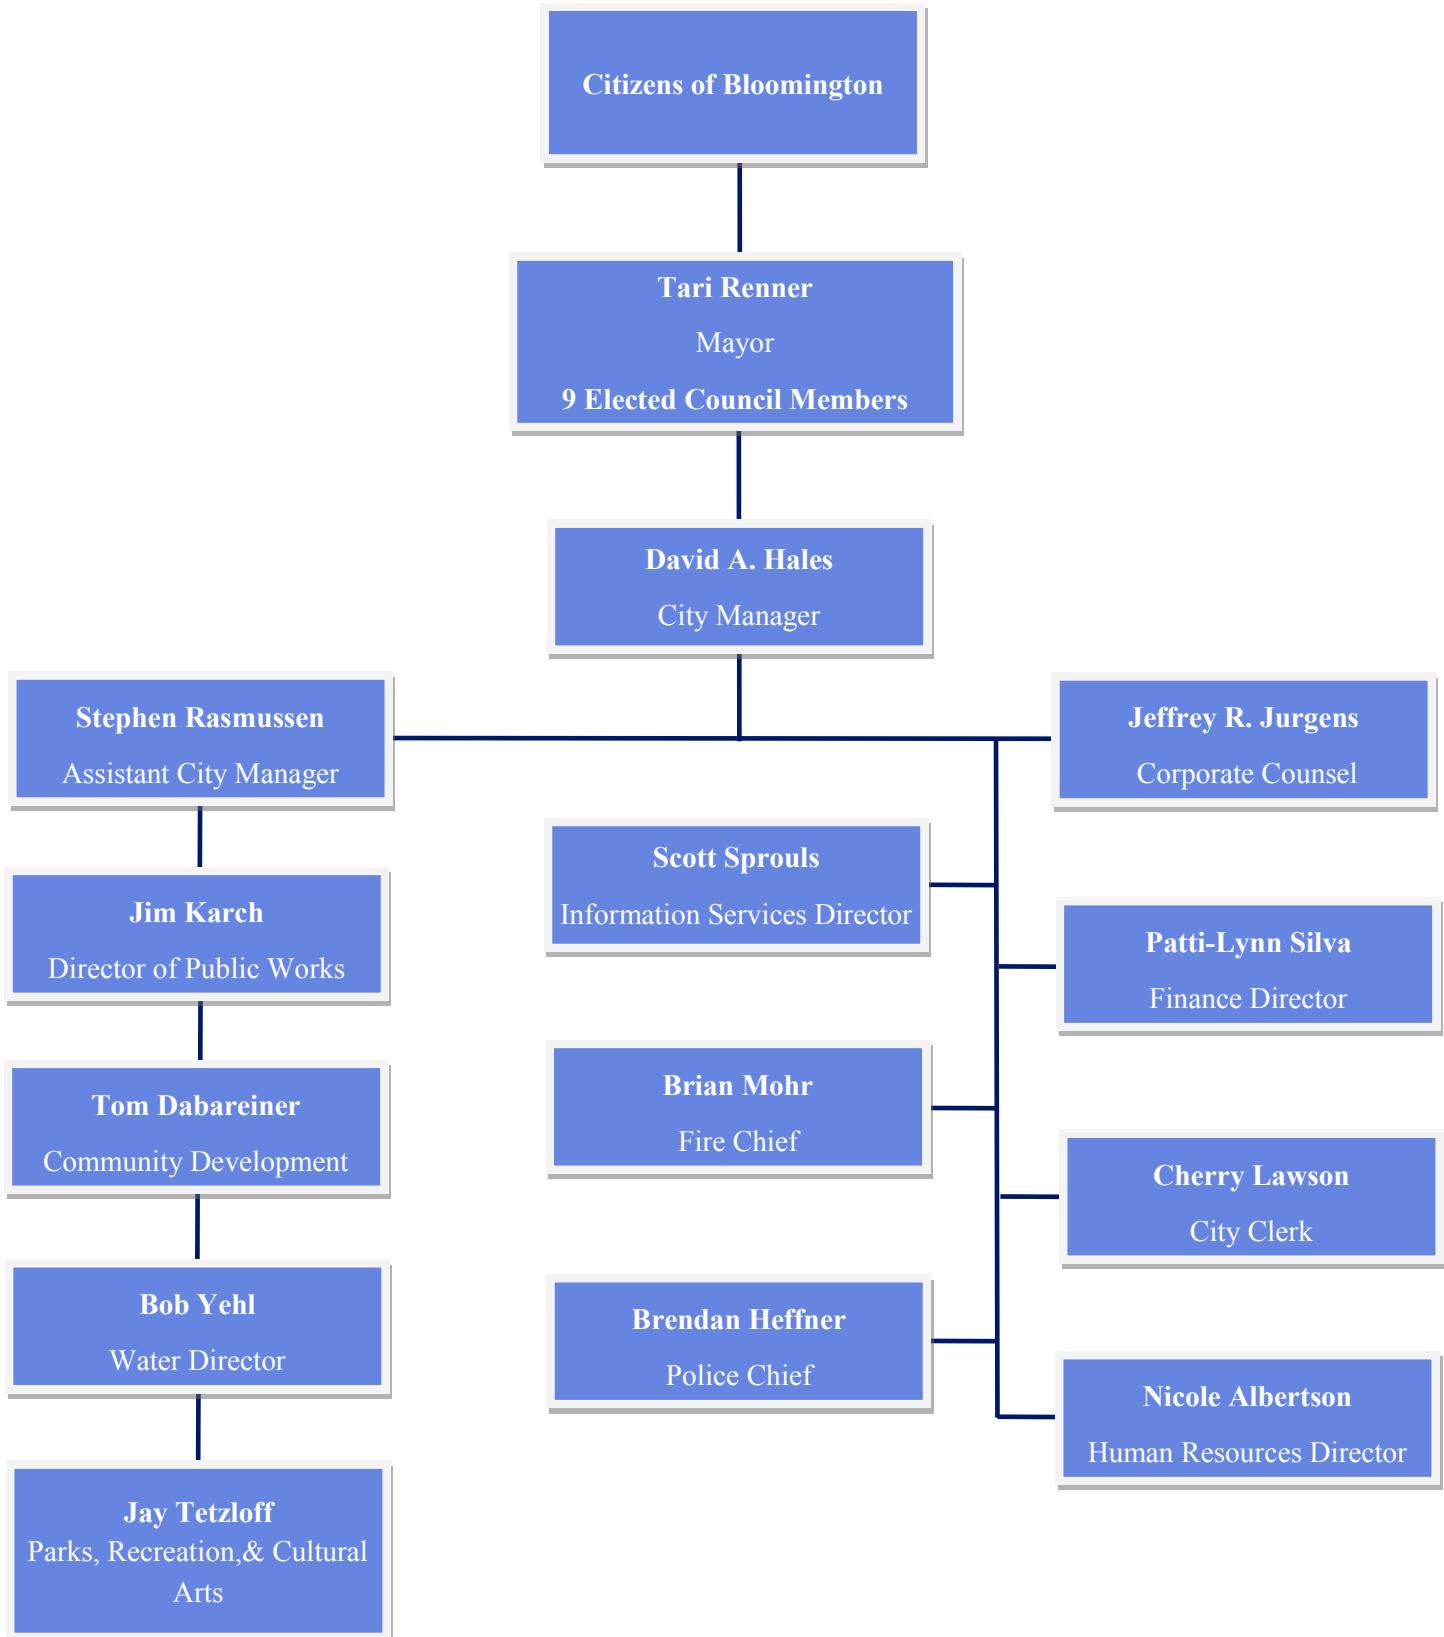

The City is governed by a City Council elected on a non-partisan basis composed of nine Council members and a Mayor. The City Council is responsible to enact ordinances, resolutions, and regulations which govern the City, adopt the annual budget, as well as appoint members of various statutory and ordinance boards. The City's manager is responsible to carry out the policies and ordinances established by City Council, oversee the day-to-day operations of the City, and appoint the department heads of the City's departments. The Council is elected to four-year staggered terms, while the Mayor is elected to a four-year term. The Mayor is elected at large, the Council members by ward.

Economic Environment

The economic strength of the Bloomington-Normal metropolitan area is well diversified with no single dominating industry, although there are many substantial medium sized business and institutions. Diverse and stable employment sources include State Farm, Illinois State University, Illinois Wesleyan University, Country Financial, Bromenn Medical Center, and OSF St Joseph Medical Center. Multiple mid-size and small companies have insulated the Bloomington-Normal economy from severe economic swings that other communities have experienced and this has allowed the community to maintain steady, balanced growth.

Source: County of McLean Tax Extension Office

Note: There is no personal property tax (on cars or jewelry); only real property is taxed. The above information presents the information for each period for which it is levied. A tax levy provides taxes remitted in the following year. The farmland value is based upon productivity instead of actual market value.

Source: County of McLean Tax Extension Office

Notes: As a home rule unit of local government, the City of Bloomington, Illinois has no statutory tax limit

Overlapping rates are those of local and county governments that apply to property owners within the City. Not all overlapping rates apply to all City property owners, although the county property tax rates apply to all City property owners; the Airport Authority rates apply to the property owners within that Authority's geographic boundaries.

*Rate presented is for Bloomington School District #87. City of Bloomington taxpayers in other school districts will have different rates. Other school districts that overlap with the City include: Normal School District #5, Tri-Valley Community Unit School District #3, and Olympia Unit #16.

N/A- At the time of printing, McLean County did not have the overlapping rate for 2015. This will be added to the final approved budget document.

City of Bloomington, Illinois

2017 Budget

Overview of Financial Policies and Strategies

Budgeting and Revenue Management

1. Maintain a diversified revenue structure.
2. Maintain a General Fund balance 10 to 15% of expenditures.
3. Maintain a balanced General Fund budget (i.e., expenditures less than or equal to revenues) except for planned drawdowns of the fund balance when the fund balance exceeds the target expressed in item 2 above.
4. The budget of a fund shall be considered "**balanced**" if the fund's budgeted expenditures for the year do not exceed the total of its budgeted revenues and unreserved, undesignated fund balance at the beginning of the fiscal year.
5. Contribute to the Illinois Municipal Retirement Fund, Bloomington Firefighters' Pension Fund, and Bloomington Police Pension Fund the full amounts recommended each year by independent actuaries for employer contributions so as to ultimately achieve a funded ratios as required by statute or local ordinance.
6. Impose moderate annual water and sewer rate increases so as to avoid large increases at irregular intervals.
7. Update the five-year Capital Improvement Plan on an annual basis.
8. Budget for items that will be capitalized for financial reporting purposes in distinct expenditure accounts to facilitate the preparation of the Comprehensive Annual Financial Report.

Debt Management

1. Limit the period during which debt is outstanding to a time period not greater than the useful life of the asset financed by the debt.
2. In general, for debt issued after 2009, the City will strive to maintain a debt structure under which 50% of the outstanding principal will be repaid within ten years.
3. Sell bonds through competitive, rather than negotiated, sales whenever possible.
4. To provide assistance in debt issuances, the City will select a financial advisor and/or investment banker and bond counsel on a competitive basis. These advisors will be retained for several years to provide continuity and allow these professionals to develop an understanding of the City's needs. The City will abide by the Municipal Security Rulemaking Board (MSRB) standards in selecting a financial advisor.
5. The City will follow a policy of full disclosure on every financial report and bond prospectus (Official Statement), voluntarily following disclosure guidelines provided by the Governmental Finance Officers Association unless the cost of compliance with the higher standard is unreasonable.
6. Consider the refunding of outstanding debt when a goal of at least a 4% net present value savings can be obtained.

Cash Management and Investments

1. Require that all bank deposits not insured by the Federal Deposit Insurance Corporation be collateralized with high-quality securities having a market value of 102% of the underlying deposits.
2. Deposit on-hand cash no later than the next business day.
3. Maintain liquidity adequate to promptly pay financial obligations.
4. Purchase only those investments allowable under the Illinois Public Funds Investment Act.
5. Place all investment securities with a third-party custodian for safekeeping.
6. Earn a market rate of return on investments. The benchmark for short-term investments is the three-month Treasury Bill.

Procurement

1. Conduct a formal competitive bidding process for purchases in excess of \$25,000; unless exempt under procurement regulations.
2. Conduct competitive quotation process for purchases up to \$25,000.
3. Obtain City Manager approval for all proposed purchases up to \$50,000 after application of bidding regulations.
4. Obtain City Council approval for all proposed purchases in excess of \$50,000 after application of bidding regulations.
5. P-Cards (purchasing credit cards) are used where appropriate.

Accounting and Financial Reporting

1. Issue a Comprehensive Annual Financial Report within 180 days of the end of each fiscal year that complies with generally accepted accounting principles.
2. Capitalize building improvements, land improvements, and infrastructure with a purchase price of \$100,000 or more. Capitalize vehicles, machinery, furniture, and equipment with a purchase price of \$5,000 or more.
3. Controlled non-capital items (e.g., police weapons, audio-visual equipment) will be physically inventoried as required by law or as directed by the responsible department head, but shall not be inventoried less frequently than once each year.

Interim Financial Reporting:

1. The Finance Department provides the City Council and City Management a monthly financial report that illustrates the following information:
 - Financial summary of all fund activity;
 - Detailed information on the General Fund year to date budget to actual performance by department;
 - Detailed information on major revenue as compared to the budget expectation; and
 - Detailed information on the City's investment portfolio.

LONG-TERM FINANCIAL PLAN

The City of Bloomington's long-term financial plan is closely tied to the budget process. Annually the City develops a 5 year budget for operating and capital. The first year of this budget, after revisions, is the budget that the City Council adopts and the City Staff implements on the citizens and City Council behalf. The 4 (future or out years) of the budget serve as a planning process for operating and capital expenditures with staffing, capital assets and projects on the radar for the future. The City has developed a 10 year fleet replacement plan. This is revised yearly as is vehicle replacement priority, other options such as electric vehicles and cost. The City is developing a 20 year plan for major Capital Projects. These include streets, parks, water mains, sewer mains and storm water management. This plan allows Council to prioritize future needs with funds that are expected to be available. This in turn allows staff to identify available federal or state grants and future bond issues or bond refinancing which provide an additional option to fund Capital Projects. The City's Strategic Plan, a long term planning document runs through 2025. The City revisits the Strategic Plan each year to help develop a yearly Action Plan. There are six goals in the City's Strategic Plan. This plan was unanimously approved by the City Council on January 15, 2010. The Strategic Plan is tied to the basis of long-term plan, budgeting and daily operations. The goals include what they mean to you as a citizen, objectives, and challenges and opportunities.

Strategic Plan

Goal 1: Financially Sound City Providing Quality Basic Service

Goal 2: Upgrade City Infrastructure and Facilities

Goal 3: Grow the Local Economy

Goal 4: Strong Neighborhoods

Goal 5: Prosperous Downtown Bloomington

Goal 6: Great Place to Live-Livable, Sustainable City

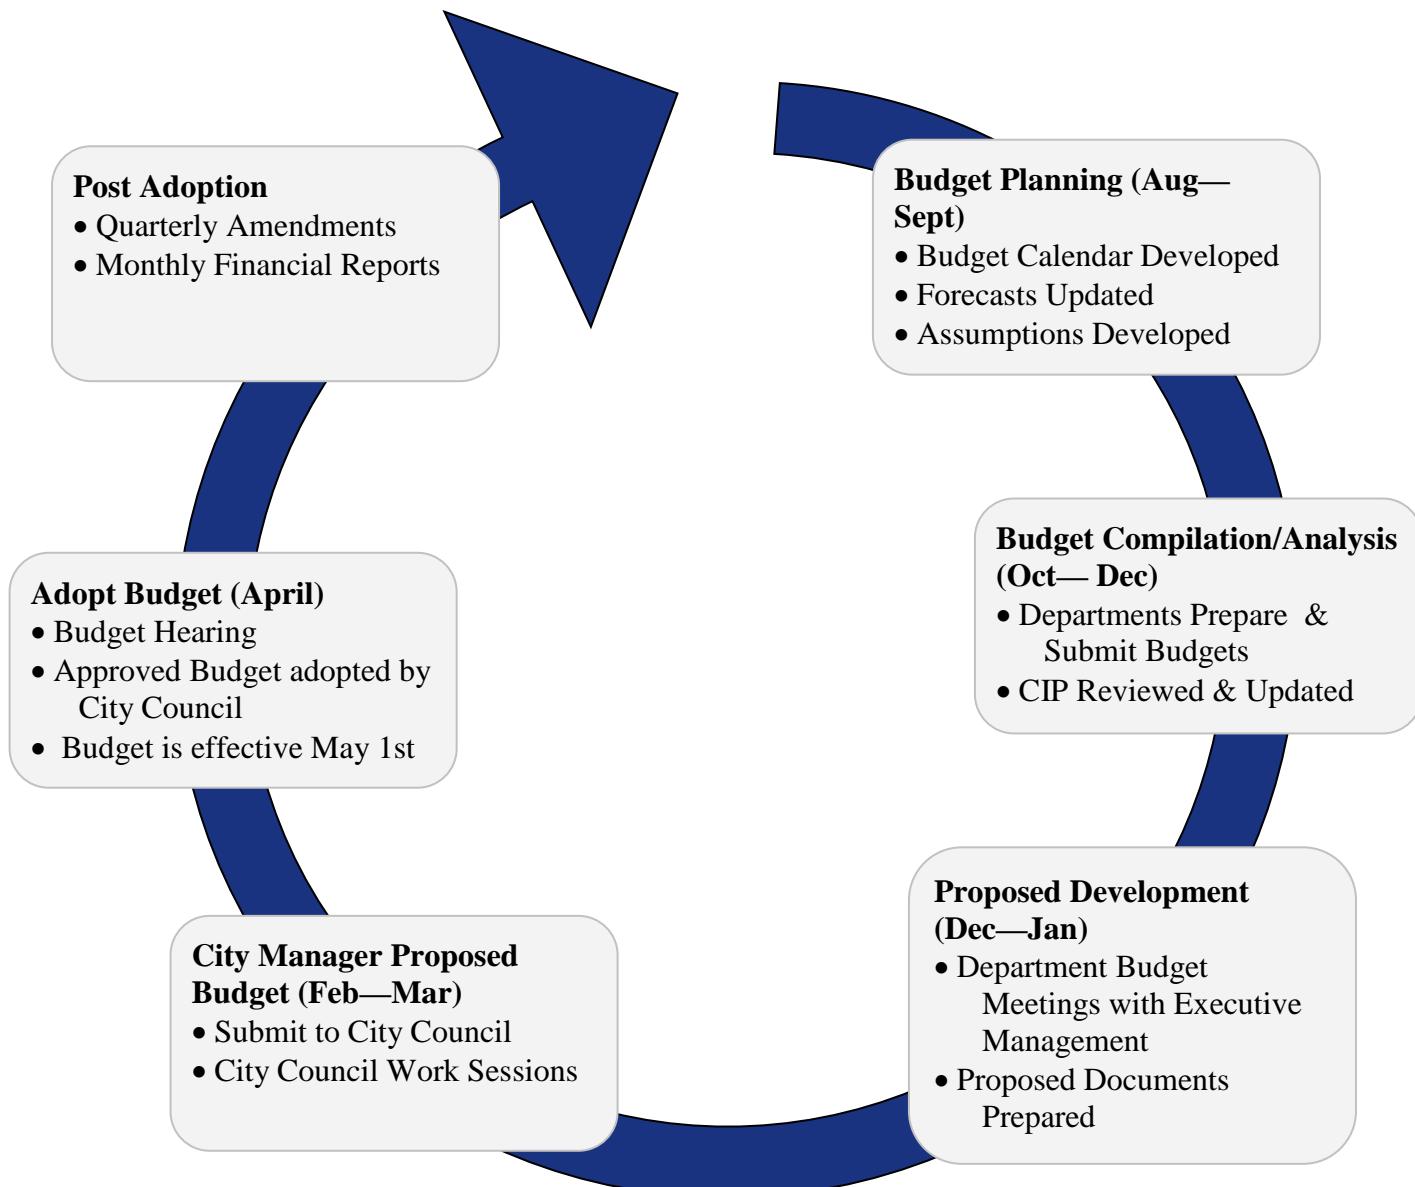

More information on the City of Bloomington's Strategic Plan is accessible through the City website. The path to the Strategic Plan is: <http://www.cityblm.org/index.aspx?page=426>

City of Bloomington, Illinois

2017 Budget

Budget Process

Background - The City of Bloomington adopts a legally binding annual budget in accordance with Chapter 65 of the Illinois Compiled Statutes. The City's Fiscal Year runs from May 1st to April 30th. The City's budget serves as a roadmap for the fiscal year's expenditures and reflects the goals and priorities of the City's elected officials. The budget is formulated with the aid, support and input of the Citizens of Bloomington, City staff and various Boards and Committees. The City's Budget process begins in August with the formation of a budget calendar and ends in April with the final budget adoption. Formulation of the budget is a critical and difficult decision. The process involves analyzing citizen input and data, projecting available revenue sources, identifying priorities, allocating resources and expenditures, reviewing City performance data, negotiating and deliberating department budgets and establishing the fees, charges and taxes necessary to provide adequate levels of services to the Citizens of Bloomington.

Budgetary Control - The City maintains budgetary control throughout the year by encumbrance accounting. All purchase orders and contracts are entered into the City's Financial System which shows the dollar amount entered as a commitment versus the current year budget. This allows departments to determine the budget dollars available throughout the fiscal year. Open encumbrances at year end are reported as assigned fund balances. The level of budgetary control is at the fund level.

Budget Amendments – The annual budget may be amended by a two-thirds vote of the City Council. On a quarterly basis as needed, budget staff will prepare an itemized register of recommended budget amendments. Council must vote to amend the operating budget if the following circumstances exist within any fund: increase in the overall expenditure of the fund, or a new source of revenue is identified.

Balanced Budget - The City's budget is considered to be balanced if the proposed expenditures do not exceed the available resources, including proposed revenue and fund balance.

Legal Debt Limit - The City of Bloomington is as Home Rule form of government. Under the Illinois Revised Statutes, Home Rule governments may issue notes in excess of any statutory limitation and they shall not reduce the debt incurring power otherwise authorized for any such unit of government. **Thus, the City of Bloomington has no statutory debt limit.**

Fund Balance - The difference between revenues and expenditures reported within a fund.

CITY OF BLOOMINGTON RATES

Current Sales Tax Rate within City Corporate Limits

Illinois	5.00%
Municipality	1.00%
Local	2.50%
County	.25%
Total:	8.75%

City of Bloomington, Illinois

Fiscal Year 2017 Budget

Fund Structure

The accounts of the City are organized on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, liabilities, reserves, fund balance/net assets, revenues, and expenditures as appropriate.

Funds are classified in the following categories: governmental, proprietary, and fiduciary. Below is a list of funds and a brief description that are included within the City's financial statements. Many funds are composed of multiple divisions (ex. General, Debt Service, Water, etc) and these divisions are consolidated for the purpose of financial statement preparation.

Governmental Funds – are those funds through which most governmental functions typically are financed.

Major Governmental Funds

- General – The General Fund is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.
- Library – The Library Fund accounts for the tax and other resources used to provide library services to operate the Bloomington Public Library.
- Debt Service – The Debt Service Fund accounts for the servicing of the general long-term debt not financed by a specific source. The Debt Service Fund is composed of the General Bond and Interest Fund, Market Square TIF Bond Redemption Fund, 2004 Coliseum Bond Redemption Fund, and the 2004 Multi-Project Bond Redemption Fund.

Non-Major Governmental Funds

- Motor Fuel Tax – The Motor Fuel Tax Fund accounts for the revenue and expenditures related to projects financed by the Motor Fuel Tax funds collected and distributed by the State of Illinois.
- Board of Election – The Board of Election Fund accounts for the tax resources used to provide for the Election Commission expense.
- Drug Enforcement – The Drug Enforcement Fund accounts for police department revenues from drug raids.
- Community Development – The Community Development Fund accounts for the federally funded block grant program designed to assist low and moderate income families and eliminate slum and blight conditions.
- IHDA Grants – The IHDA Grants Fund accounts for the state funded grant program for single family rehabilitation projects for low to moderate income households.

- Park Dedication – The Park Dedication Fund accounts for collections to be used for future park development.
- Capital Improvement – The Capital Improvement Fund accounts for the receipts and disbursements of monies used for the acquisition of capital facilities.
- Capital Lease – The Capital Lease Fund accounts for equipment purchased with proceeds from capital leases.

Proprietary Funds – are used to account for government's on-going organizations and activities which are similar to and often found in the private sector.

Enterprise Funds – are used to account for those operations that are financed and operated in a manner similar to private business or where the City has decided that the determination of revenues earned, costs incurred, and/or net income is necessary for management accountability.

- Water – The Water Fund accounts for the operation of the City's water treatment facilities and services.
- Sewer - The Sewer Fund accounts for the operation of the City's waste disposal activities.
- Storm Water – The Storm Water Fund accounts for the operation of the City's storm water management activities.
- Solid Waste - The Solid Waste Fund accounts for the activities of operating the City's Solid Waste Program.
- Abraham Lincoln Parking Facility – The Abraham Lincoln Parking Facility Fund accounts for the activities of operating a parking facility owned by the McLean County Public Building Commission.
- Golf – The Golf Fund accounts for the activities of operating the City's three golf courses.
- US Cellular Coliseum – The US Cellular Coliseum Fund accounts for the activities of operating the City's Downtown sports and entertainment facility.

Internal Service Funds – are used to finance and account for services and commodities provided by designated departments or agencies to other department and agencies of the City.

- Casualty Insurance – The Casualty Insurance Fund accounts for the premiums and payments of claims for insurance for the City.
- Employee Group Healthcare – The Employee Insurance and Benefits Fund accounts for the premiums and claims of all covered City employees and their covered dependents and Township employees.
- Retiree Group Healthcare – The Retiree Group Healthcare Fund accounts for the premiums and claims of all covered City retirees and their covered dependents.

Fiduciary Funds – are used to account for assets held on behalf of outside parties, including other governments, or on behalf of other funds within the government.

- J M Scott – The J M Scott Fund accounts for health services, supplies, medical equipment, special nutritional support and health care programs in McLean County for indigent area residents. These costs are funded through a private trust.

Identification of Unbudgeted Funds

The City has a fund which is included in the audited financial statements but is not included in the budget. The Foreign Fire Insurance Board (FFIB) which is considered outside the normal operations of the City.

Explanation of Significant Revenue Variances

1. Home Rule Sales tax has increased significantly due to a 1% rate increase. This revenue flows through the General Fund.
2. Based on projected FY 2016 trend, Local Use Tax, Amusement Tax and Video Gaming Tax revenues have been increased in FY2017 totaling \$709K.
3. Intergovernmental Revenue is decreasing due the DeBrazza Monkey Grant for Miller Park Zoo. Due to the state's budget crisis, this grant is indefinitely on hold. Also, CDBG has decreased federal grant funding.
4. The FY2017 budget incorporates CIAM's coliseum operations in the Coliseum Fund and contributions to the City health insurance plans are increasing around \$2 million.
5. Miscellaneous Revenue is increasing due to proposed bond proceeds in relation to the City's capital improvement program of \$1.7M.
6. Transfers In are increasing due to increased funds for the Street Resurfacing Program as a result of earmarked funds from the 1% sales tax increase and increased estimates for the 4 cents Local Motor Fuel tax.
7. Fund balance was not needed to balance the FY2017 budget.
8. The FY2017 budget incorporates CIAM's coliseum operations in the Coliseum Fund.

Explanation of Significant Expenditure Variances

1. The City contractuels are increasing in multiple areas. Capital projects have increased engineering services. Both premiums and claims paid in self insured funds are increasing \$1.8M. Repair and Maintenance expenses are increasing \$1.1M. Also for the first time, the budget incorporates CIAM's coliseum operations in the Coliseum Fund.
2. Proposed capital outlay expense is increasing by \$3.7 million in FY2017. Please see the detailed Capital Improvement Program budget in its own section of the budget.
3. Principal expense is decreasing due to the 2012 Refunding Bond obligation paid off in FY2016.
4. Intergovernmental expenses are increasing by the \$2.4 million payment to McLean County Health for mental health. In addition, contributions to Public Transit are proposed to increase \$610K
5. Transfers Out include \$2.4 million transfer to the Capital Improvement fund for street resurfacing and sidewalk programs as allocated as part of the Home Rule Sales Tax increase.
6. Starting in FY2017 budget, CIAM Coliseum operations is now reflected in the Coliseum Fund.

CITY OF BLOOMINGTON, IL
2017 PROPOSED BUDGET

¹ Budgetary Fund Balance is almost on a cash basis; however, short term payables and receivables are taken into account.

² The General Fund Balance has a restricted portion for Public Safety Pensions of \$1.9 million as of April 30, 2015.

³ Included in G.F. Expenditures is a Contribution to fund balance estimated at \$1.2 million in FY 2016 and \$1.4 million in FY 2017.

² The difference between proposed revenues and expenditures will be a planned use of fund balance.

REVENUE SUMMARY

REVENUE SUMMARY

- Major Revenue Analysis
- Municipal Tax Rate Comparison
- Revenue Comparison by Department/Fund
- Statement of Adopted Property Tax Levy

Major Revenue Analysis

The total proposed revenue collections for FY 2017 are \$193.5 million, which includes inter-fund transfers and city contributions into the Health Funds and Casualty Insurance Fund. This section of the document provides explanations of each of the City's seventeen major sources of revenue for the FY 2017 Proposed Budget across all funds. These revenues total \$126.5 million, which is 64.37% of total revenues. The remaining 35.63% are miscellaneous revenues which include charges for services, federal and state grants, miscellaneous fees, and reimbursements for City expenditures which are not specifically addressed in this section. The following table summarizes major revenue sources:

Source	FY 2015 Actual	FY 2016 Projected	FY 2017 Proposed Budget	Percentage to total revenue
Home Rule Sales Tax	\$ 14,029,585	\$ 16,673,344	\$ 24,286,194	12.55%
Property Tax Levy	\$ 23,214,696	\$ 23,709,179	\$ 24,063,066	12.43%
Water Utility	\$ 14,764,784	\$ 14,500,000	\$ 14,000,000	7.23%
State Sales Tax	\$ 13,463,414	\$ 13,833,269	\$ 13,700,000	7.08%
Income Tax	\$ 7,502,770	\$ 8,069,155	\$ 7,700,000	3.98%
Utility Tax	\$ 6,206,705	\$ 6,824,359	\$ 6,860,000	3.54%
Solid Waste Refuse Fee	\$ 5,318,458	\$ 5,851,716	\$ 6,027,267	3.11%
Sewer Fee	\$ 4,838,764	\$ 5,020,793	\$ 5,020,793	2.59%
Ambulance Fee	\$ 4,122,252	\$ 4,654,033	\$ 4,747,113	2.45%
Food & Beverage Tax	\$ 4,323,168	\$ 4,383,798	\$ 4,400,000	2.27%
Golf Operations	\$ 2,785,404	\$ 2,523,302	\$ 3,176,715	1.64%
Storm Water Fee	\$ 3,253,908	\$ 2,753,811	\$ 2,753,811	1.42%
Local Motor Fuel Tax	\$ 1,792,693	\$ 2,462,102	\$ 2,400,000	1.24%
Franchise Fee	\$ 2,038,485	\$ 2,016,605	\$ 2,000,000	1.03%
Replacement Tax	\$ 1,927,026	\$ 2,078,558	\$ 1,942,787	1.00%
Motor Fuel Tax	\$ 1,957,763	\$ 1,880,854	\$ 1,880,854	0.97%
Hotel & Motel Tax	\$ 1,773,123	\$ 1,702,848	\$ 1,600,000	0.83%
Total Major Revenue	\$ 113,312,996	\$ 118,937,726	\$ 126,558,600	54.63%
Other Revenue	\$ 78,454,768	\$ 61,712,640	\$ 67,005,431	34.62%
Total All Revenues	\$ 191,767,765	\$ 180,650,366	\$ 193,564,031	89.25%

Revenue Projection Approach -All revenue accounts are projected by the Finance Department and carefully reviewed by the City Budget Review Committee. The Committee consists of the City Manager, Finance Director, Budget Manager, Budget Analyst and Accountants. The City projects annual revenues five years into the future through the use of an analytical and objective process.

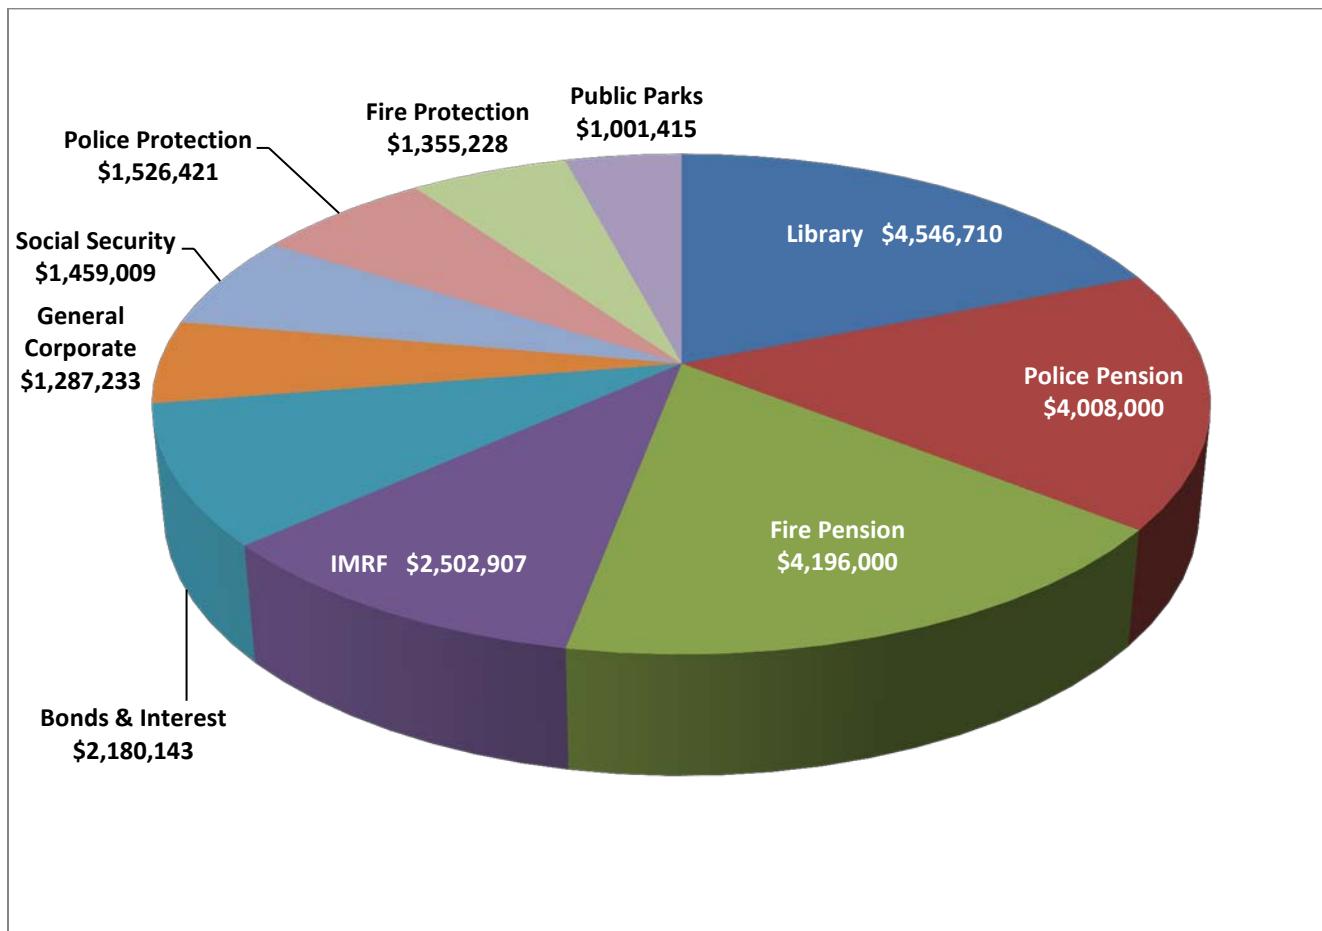

This process includes the examination of local, state (Illinois Municipal League) and national economic forecasts in addition to legislative issues and rate changes when applicable. The City closely reviews historical data and trends, leading indicators and specific performance of retail, including any new businesses or entities that may have opened or closed during the previous budget year. All City revenues are estimated in a conservative manner. The Finance Department reviews revenue and expense data on a monthly basis for adjustments that may need to occur during the fiscal year.

Bloomington's 2015 Adopted Property Tax Levy

The tax rate resulting from the 2015 adopted tax levy is 1.3192 which is a .14% decrease in the property tax rate from the 2014 levy. The council approved \$24,063,066 for the 2015 levy which incorporates a \$344,000 increase in the overall property tax levy to fund Police and Fire Protection.

Property taxes are used for a variety of purposes and the amounts levied are governed by various policies. In the 2015 adopted tax levy, pension funding needs to account for 34% of the total City and Library Tax Levy. This amount is based on actuarial recommendations for each of the three Pension Funds. The Library Levy comprises 19% of the total Levy and serves as the primary revenue source for the Library. Bond and Interest expenditures are 9% of the total. The remaining 38% is spread throughout the general corporate fund. The graph below shows the amount of the levy adopted by the City Council and how it is allocated to different purposes.

**2015 Property Tax Levy
\$24,063,066**

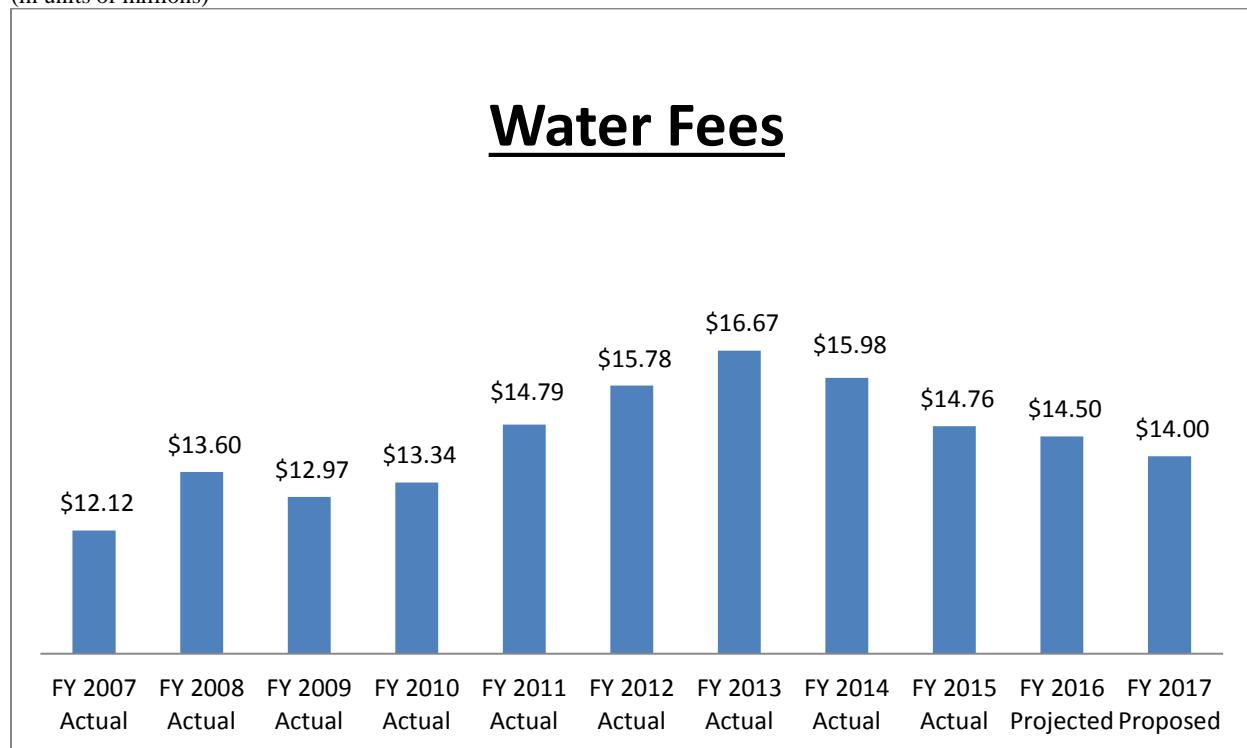

Water

Background - Revenues generated by the City's water rates fluctuate due to rate increases, weather conditions, and population growth. The Water Rates collected by the city are comprised of two sources. The first source is a flat fee determined by the size of the meter being used on the property. The second source is a fee for every 100 cubic feet of water used by a resident or business. Water fees are to support the operations and capital needs of the Water Fund. For budgetary purposes, water consumption is tracked and used for trend to project revenues.

(in units of millions)

Statutory - Water rates are established through local ordinance. The current water rates were instituted per Ordinance 2008-24 passed by City Council on March 24, 2008.

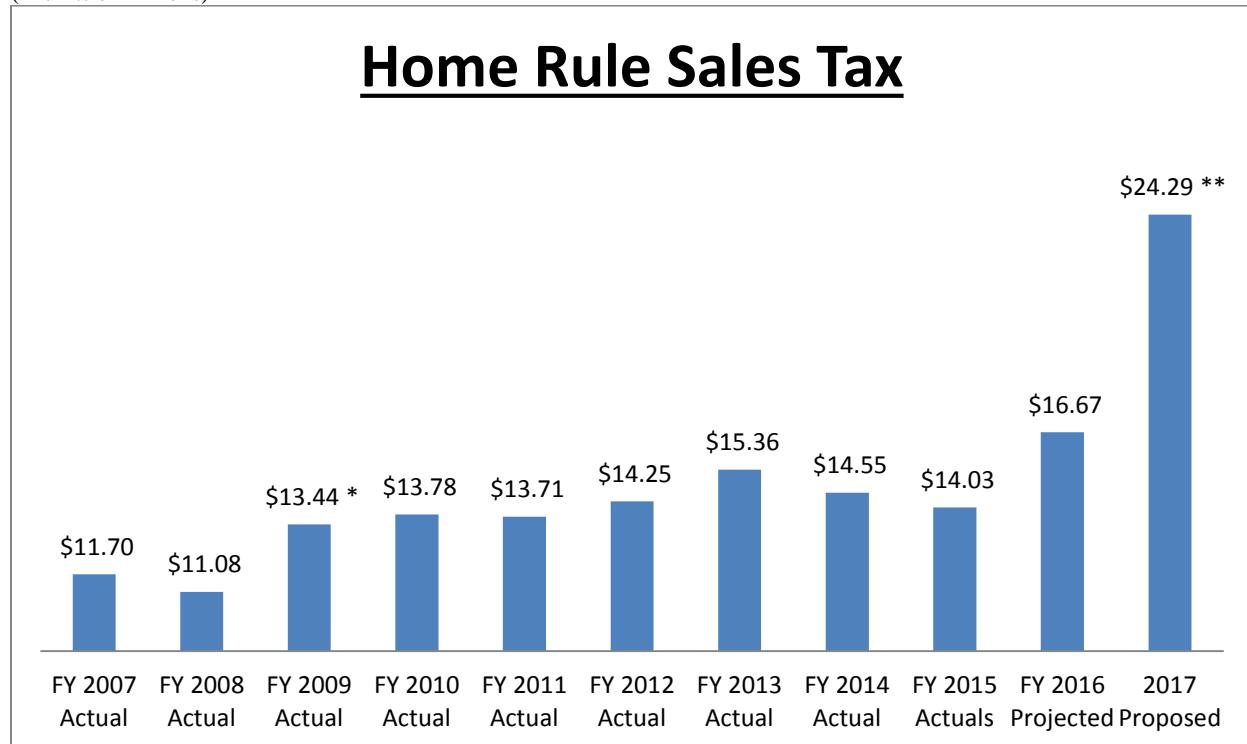

** Water consumption has been decreasing since FY2014 and is reflected in the projections above.

Home Rule Sales Tax

Background – Home Rule Units (cities with elected officials and more than 25,000 people) have the authority to impose a tax upon all persons who are in the business of selling tangible personal property at retail in their jurisdiction. The Home Rule Sales Tax is collected by the State and distributed to the City. The 2.50% rate is set by the City and is the locally adopted portion of the Sales Tax. Home Rule Sales Tax does not apply to groceries, drugs, and personal property licensed through the Secretary of State's Office (vehicles, campers, trailers, motorcycles, etc.). The last increase approved by City Council took effect this fiscal year, FY 2016. Home Rule Sales tax is allocated between the City's General Fund, BCPA, US Cellular Coliseum Fund, Capital Improvement Fund for street resurfacing and a payment to McLean County for Mental Health. This projection is based upon historical trends and economic indicators in conjunction with deterministic techniques.

(in units of millions)

Statutory – The corporate authorities of a home rule unit (municipality or county) may impose a tax upon all persons who are in the business of selling tangible personal property at retail in their jurisdiction. The City of Bloomington's Home Rule Sales Tax is 2.50% and was established by local ordinance. (**Chapter 39: Article XI**)

*In FY2009 a .25 rate increase was enacted to offset the debt service of the U.S. Cellular Coliseum.

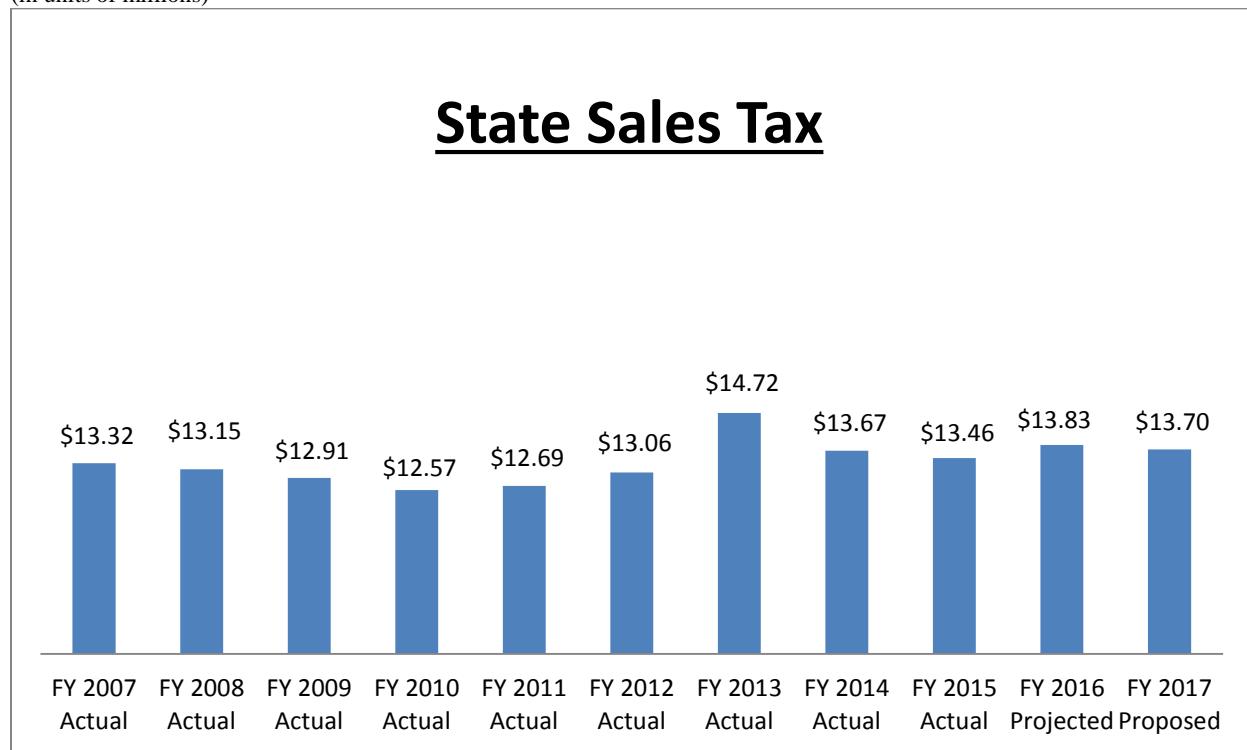

**On January 1, 2016 a 1.00% rate increase was adopted.

State Sales Tax

Background – There are four different types of sales taxes: Retailers' Occupations Act (ROT), the Service Occupations Tax Act (SOT), the Service Use Tax Act (SUT), and the Use Tax Act (UT). The ROT is imposed on Illinois businesses that make retail sales of tangible personal property for use of consumption. The SOT is imposed on service persons who sell or transfer tangible personal property as an incident to performing their service. The SUT is imposed on service persons who sell or transfer tangible personal property as an incident to performing their service and whose supplier is out of state. UT is imposed on the user of tangible personal property purchased at retail. The state portion of the sales tax is 6.25% (with the local HR Sales tax it totals 8.75%) The State Sales Tax is collected by the State and distributed to the City. In FY 2017, this tax is projected to remain relatively flat. State Sales Tax is allocated to the General Fund. This projection is based upon historical trends and economic indicators in conjunction with deterministic techniques and informed/expert judgment.

(in units of millions)

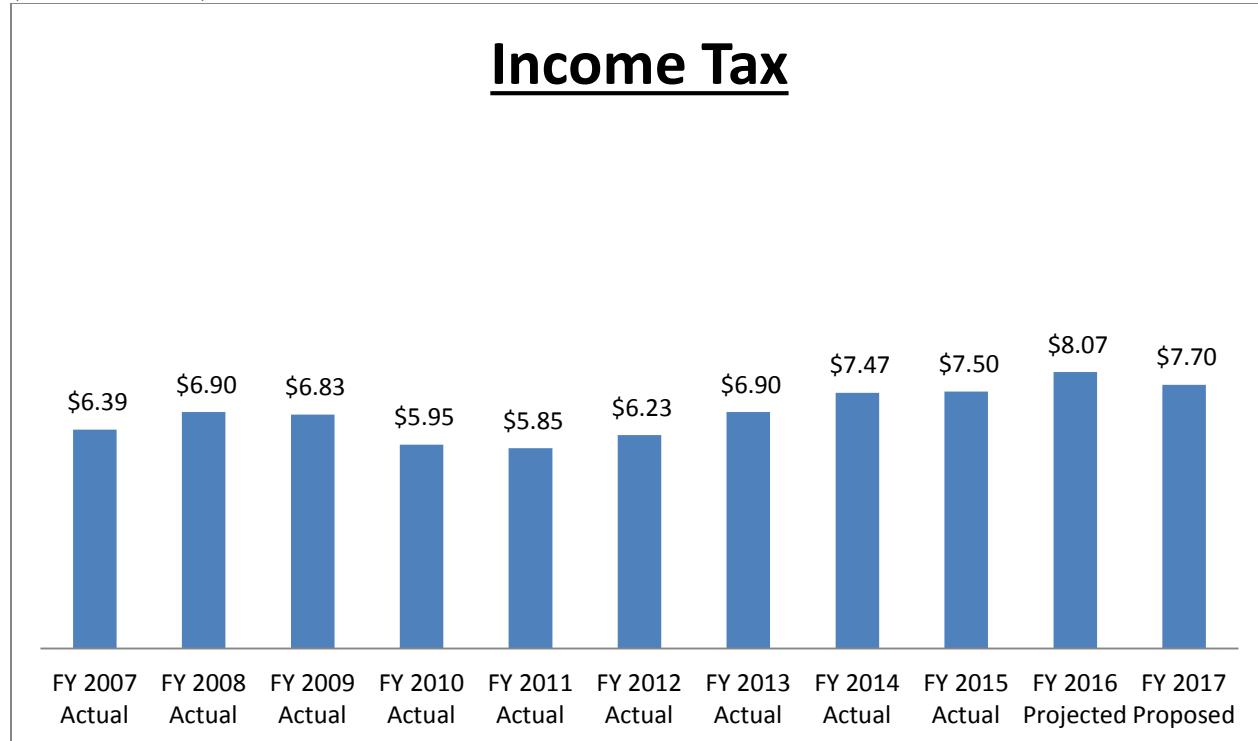

Statutory – The State sales tax established by State Statute is 6.25% overall. The State retains 5%, the City receives 1%, and the County receives 0.25%. (**35 ILCS: 105, 110, 115, 120**)

Income Tax

Background - The State of Illinois taxes the income of individuals and corporations at the rate of 5% and 7%, respectively, and shares 6% of the net tax collections with cities and counties. The amount each locality receives is based on its population in proportion to the total state population. Projections were based on estimates provided by the Illinois Municipal League (IML).

(in units of millions)

Statutory – (35 ILCS 5/) Illinois Income Tax Act

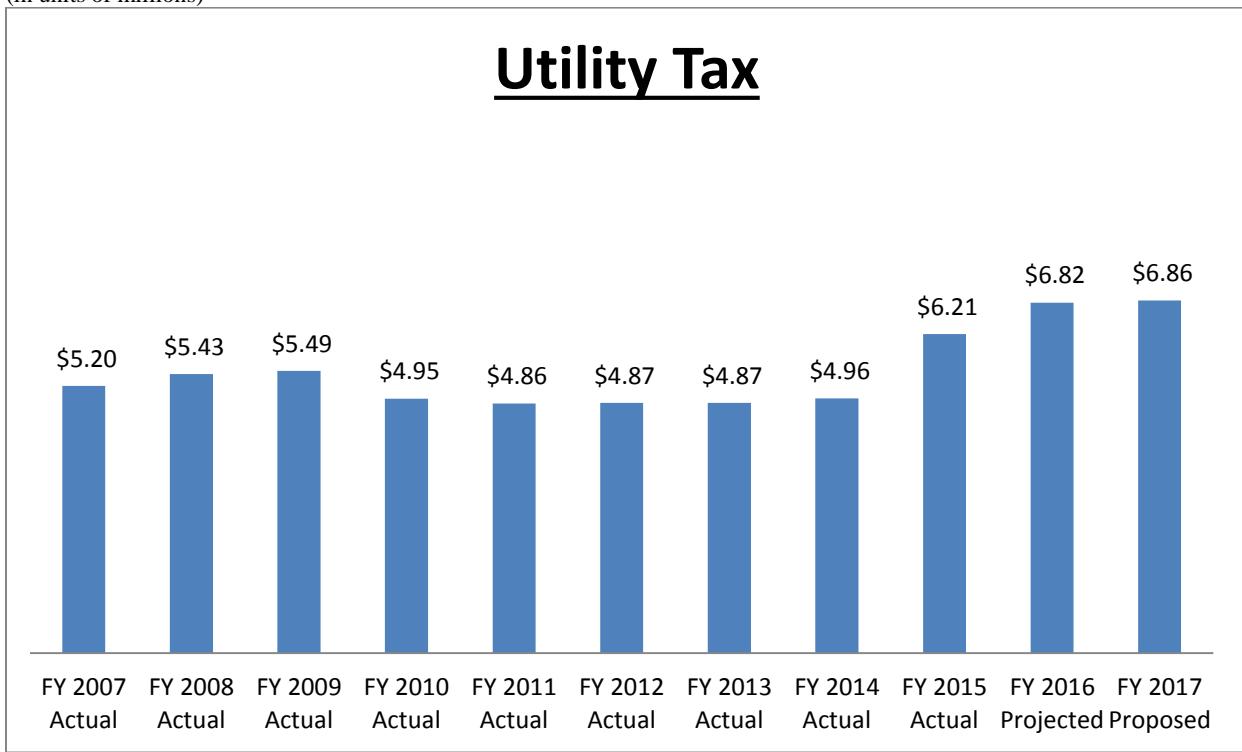

*According to the Illinois Municipal League (IML) tax legislation changes increasing the state income tax in FY 2016 is not expected to re-occur in FY 2017. The City does not have access to its taxpayer information and therefore relies on the IML to interpret impact of legislative changes.

Utility Taxes

Background – The City's utility taxes are broken into four components: Natural Gas, Electric, Telecommunications, and Water. Over the past decade, revenues from the utility tax have remained flat. In order to generate a dedicated revenues stream for the city's public safety pensions, a rate increase was approved by the City Council on April 28, 2014. The increased revenue generated by this rate adjustment is earmarked specifically to pay for Police and Fire pensions.

(in units of millions)

Statutory – The City's utility tax rates are set by City ordinance. (**Chapter 39: Article II; Article IX; and Article X**)

Utility tax rate increases went into effect in FY2015.

Solid Waste Fees

Background – The City's Solid Waste Program is accounted for within the Solid Waste fund. A new variable rate structure was enacted by the City Council on December 9 2013, (Effective May 1, 2014). Bloomington residents have the option of choosing from a 35, 65, or 95 gallon cart, priced at \$16, \$21, and \$253 per month respectively for the 2017 Fiscal Year. This is the last adopted increase of the tier system approved by council. The City also introduced a 'Pay as You Throw' sticker program where residents can pay \$3.00 for each additional bag. Lastly, a fee for any 2nd bucket loader of bulk waste is \$25.00.

(in units of millions)

Refuse Fee

Statutory – The City's refuse fees are set by City ordinance. (**Chapter 21: Section 301.6**)

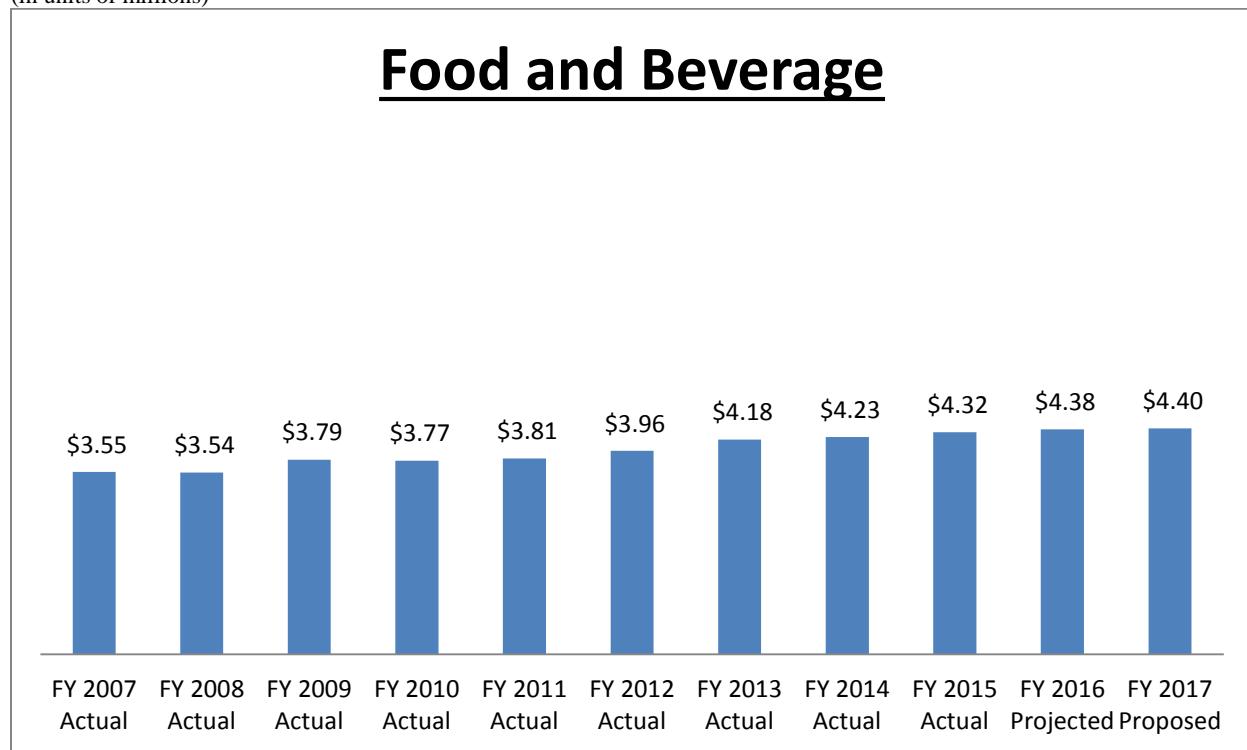

**Increases relate to the new rate structure which took effect on May 1, 2014 increased again on May 1, 2015 and will on May 1, 2016.*

Food and Beverage Tax

Background – This 2% tax is imposed on prepared food and beverages served within the City's corporate limits. Increases and/or decreases within this tax are determined through customer demands at any point in time. The Food and Beverage tax has remained steady over the nine previous years represented in this graph and FY 2017 budget and is projected accordingly. The Food and Beverage Tax is used to offset expenditures within the General Fund.

(in units of millions)

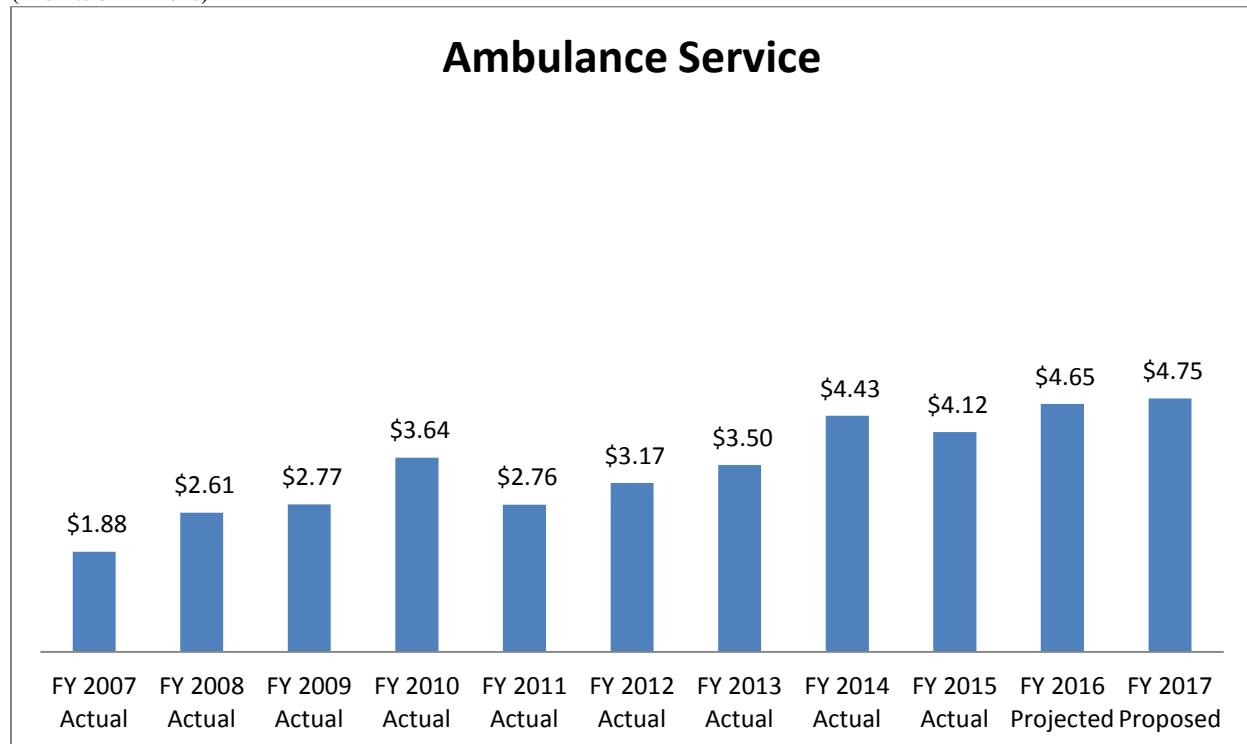

Statutory – The City's food & beverage tax rates are set by City ordinance. (**Chapter 39: Article XVI**)

Ambulance Service

Background – The City began to provide ambulance service in FY 2006 after the closure of the areas private ambulance service. The City provides basic and advanced life support to Bloomington locations and bills for these services. The City does not provide transport services between nursing homes and physician offices. Ambulance Fees are used to offset expenditures within the Fire Department and automatically increase by 3% annually. Ambulance fee revenues are offset by approximately half due to industry insurance write offs and bad debt expenses, which are reflected in the Fire Department expenditures.

(in units of millions)

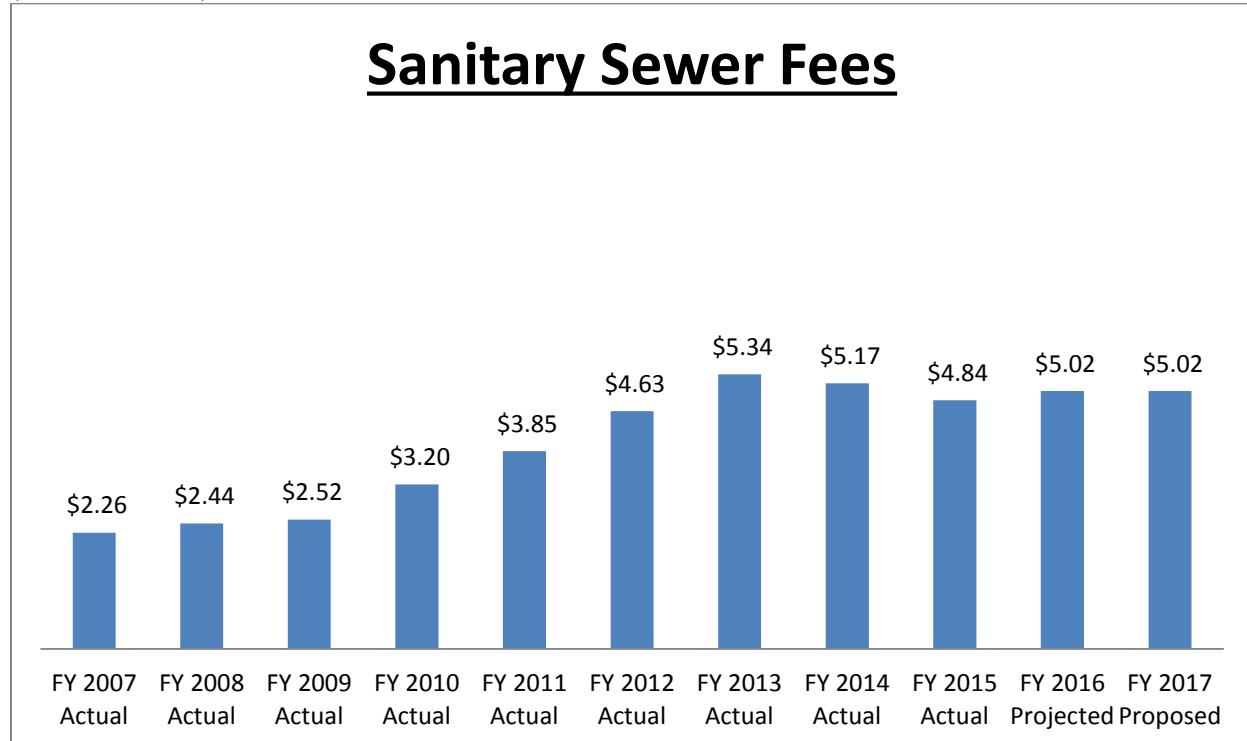

Statutory – The City's ambulance fees are set by City ordinance. (**Chapter 17: Section 92 Ordinance 2011-28**).

Sanitary Sewer Fees

Background – Revenues from this fee are allocated to the Sewer Fund to support the maintenance and rehabilitation of the City's sanitary sewer system. Sewer rates were last increased in FY 2012; without contemplation of capital needs which were unknown at the time. The City completed a sewer and storm water master plan which identified approximately \$134 million in capital needs over the next 20 years. A Sewer and Storm Water rate study is currently underway to address these needs.

(in units of millions)

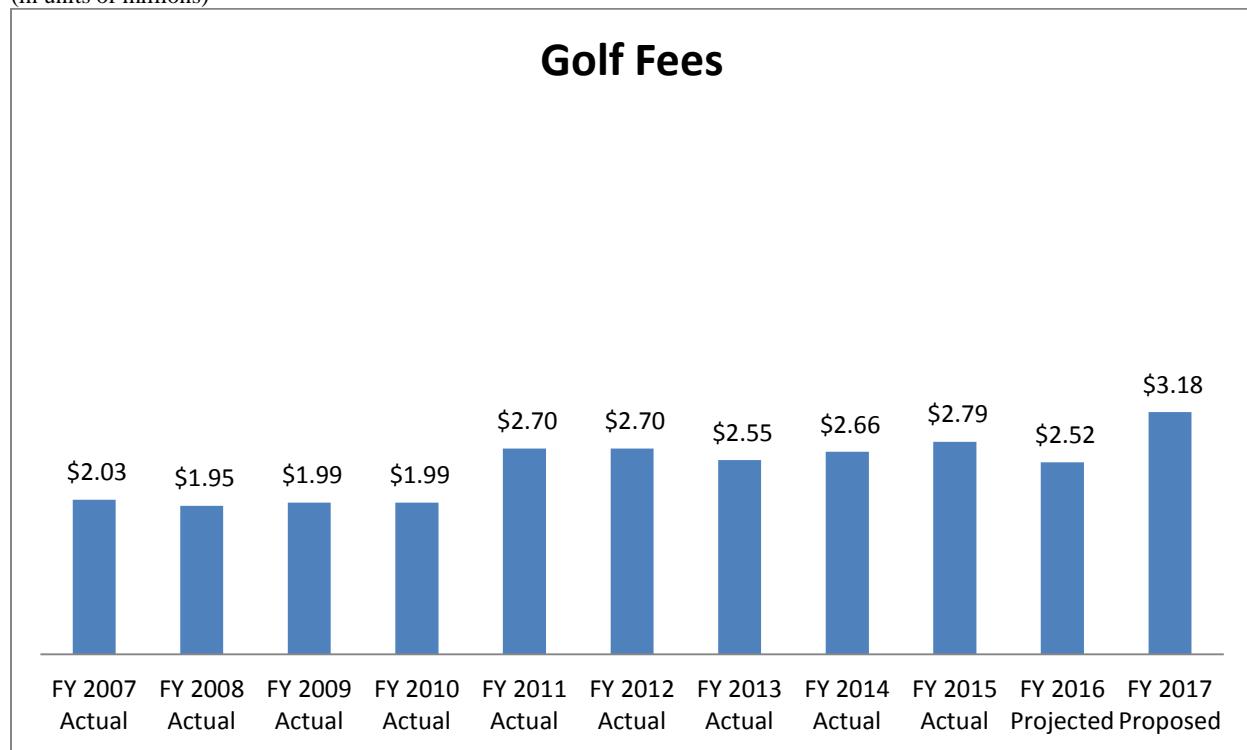

Statutory – The City's sanitary sewer fees are set by City ordinance. (**Chapter 37: Article IV**).

Golf Related Revenue

Background – Revenue from golf fees are allocated to the Golf Course Fund which supports the operating and capital needs of three City owned golf courses. The budget for FY 2017 increases mainly from transfers from the General Fund for capital projects and fund balance maintenance. There were also some slight fee increases for Highland and Prairie Vista Golf play. Revenue is budgeted through golf trends in Central Illinois.

(in units of millions)

Statutory – Golf rates are examined and reviewed at the end of each season.

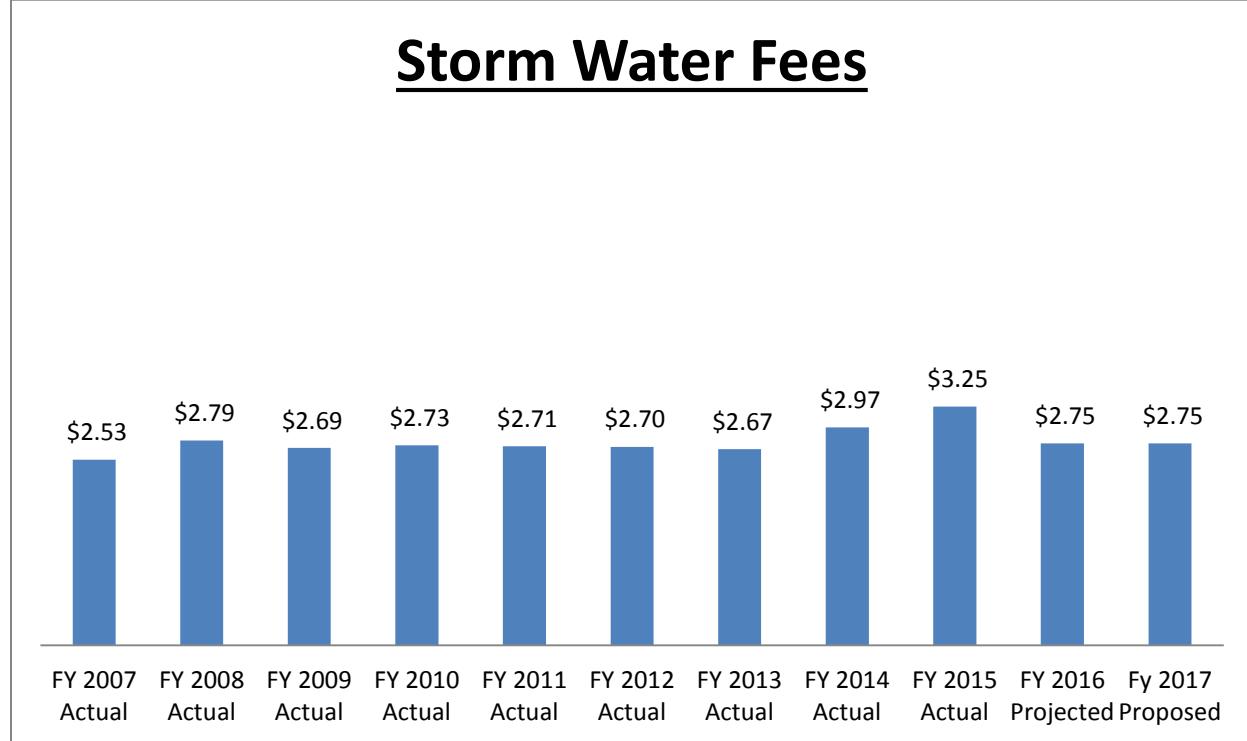

Storm Water Management Fee

Background – Revenue from this fee is allocated to the Storm Water Fund to support the maintenance and rehabilitation of the City's storm water system. The City's Storm Water fee is a flat monthly fee of between \$2.90 and \$7.25 depending on gross area of single family residential parcel or parcels other than single family which has not been increased since FY 2004. The City completed a sewer and storm water master plan which identified that approximately \$134 million in capital needs over the next 20 years. A Sewer and Storm Water rate study is currently underway to address these needs.

(in units of millions)

Storm Water Fees

Statutory – In accordance with **Chapter 37 Article V Ordinance No. 2004-23**, there is an established monthly storm water rate.

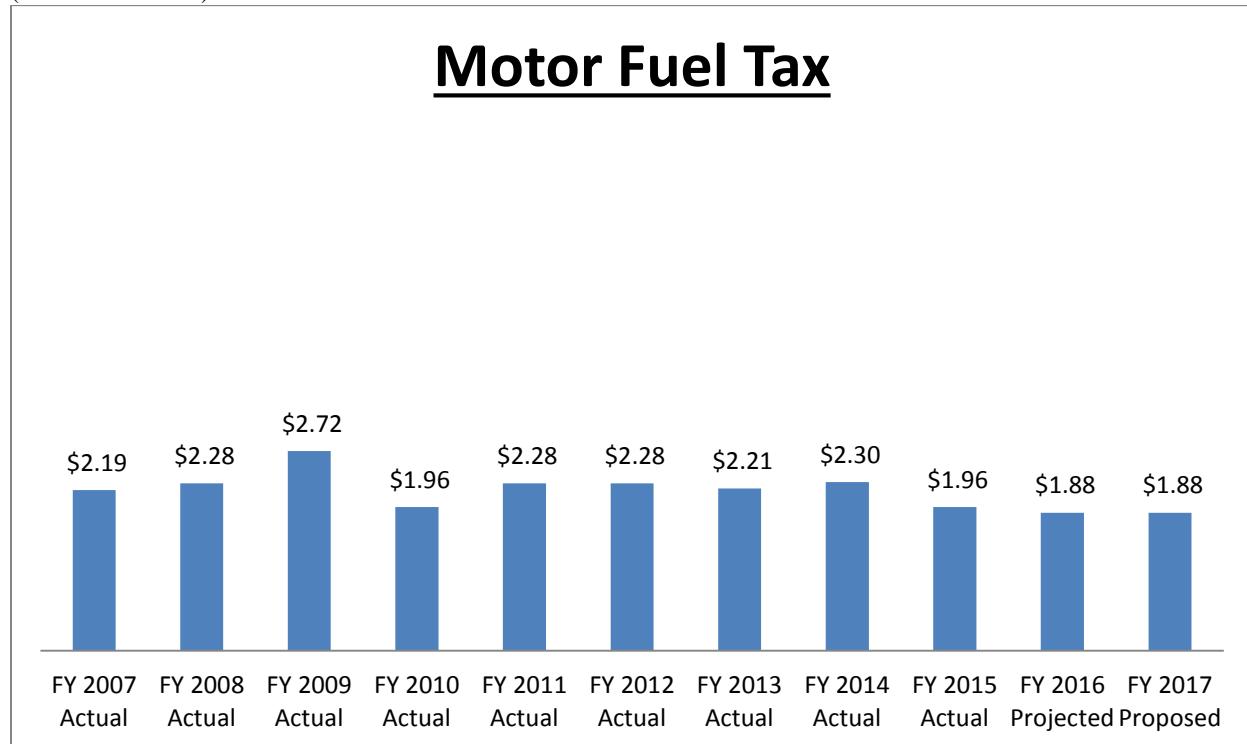

State Motor Fuel Tax

Background – The State of Illinois imposes a tax on motor fuel to build and maintain roads and highways. When gasoline is purchased in Illinois, a portion of the motor fuel tax (MFT) goes to the State of Illinois for distribution. The State divides these tax dollars to cities based upon population. Each unit of local government receives these tax dollars to provide improvements or maintenance to the roadways under their jurisdiction. State Motor Fuel tax is 19 cents a gallon for gasoline and 21.5 cents a gallon for diesel. Staff incorporates the recommendations of the Illinois Municipal League to project this source of revenue.

(in units of millions)

Motor Fuel Tax

Statutory – Statutory regulations in the Illinois Compiled Statutes can be found at **35 ILCS 505/13a**.

Hotel/Motel Tax

Background – The City of Bloomington has incorporated a 6% Hotel/Motel Tax. The City uses a portion of this tax to fund the Convention & Visitors Bureau (CVB). In FY 2017, the City will contribute \$545,000 to the CVB. The CVB uses these funds to attract tourist/travel to our area. The difference between the \$475,000 and total tax collected is utilized to offset expenditures within the General Fund. The FY 2017 budget for hotel/motel tax is based upon analytical trends, staff expertise, and an economic forecast prepared by City staff.

(in units of millions)

Statutory – In accordance with **Ordinance No. 2002-93**, there is an established hotel/motel tax.

*The reason for the lower amount projected for FY 2015 and budgeted for FY 2016 is competition from newer hotels in communities adjacent to Bloomington.

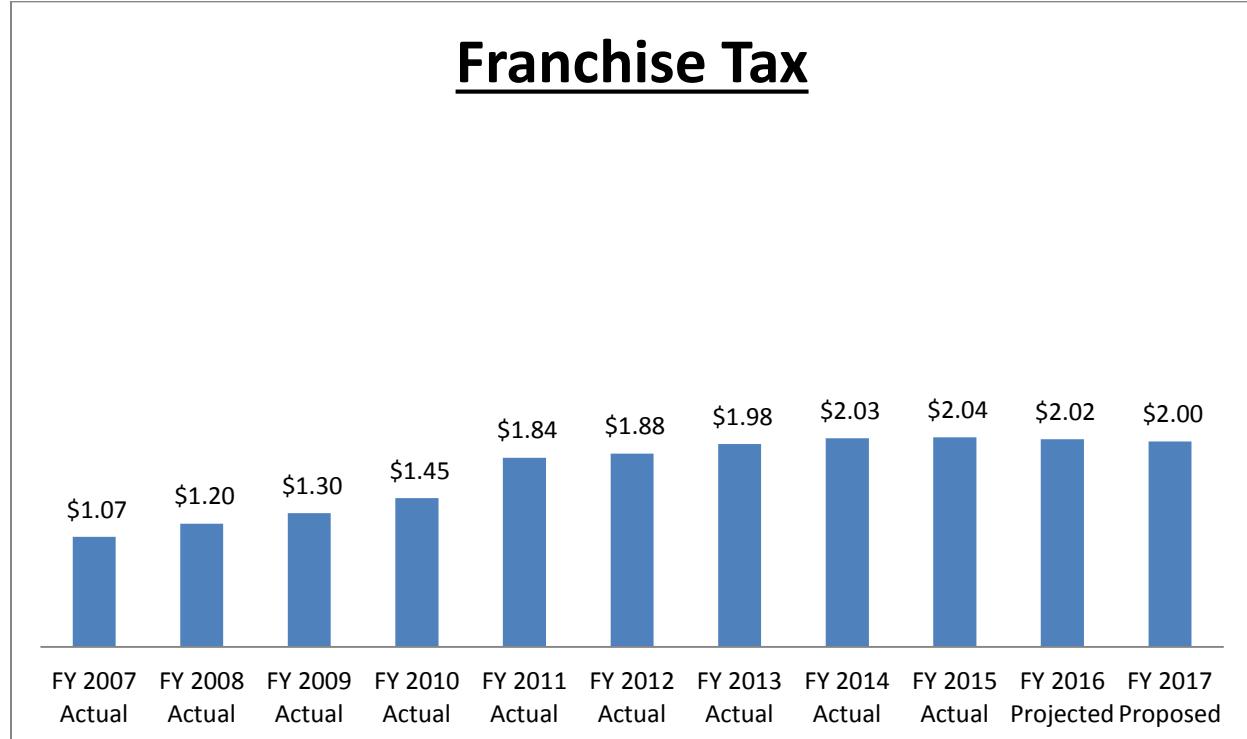

Franchise Tax

Background – The City of Bloomington's current franchise tax rate is 5%. Comcast (cable television), ITV (television), Ameren Illinois (electric), and Corn Belt (electric) currently pay a franchise tax to the City. Comcast and Ameren Illinois disburse this fee to the City on a monthly basis, while Corn Belt disburses the fee to the City each January. The Franchise Tax is used to offset expenditures within the General Fund. The FY 2017 budget for franchise tax is based upon analytical trends, staff expertise, and an economic forecast prepared by City staff; it is projected to remain the same.

(in units of millions)

Franchise Tax

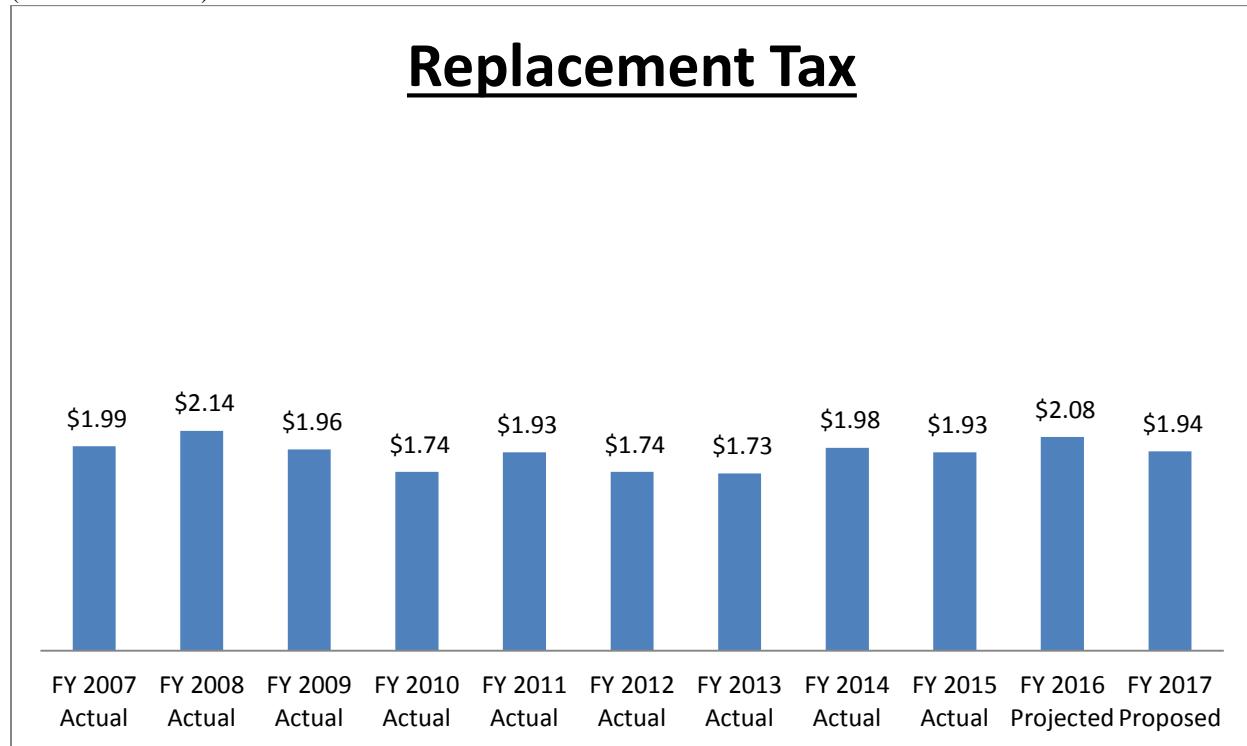

Statutory – The City's Franchise Tax is set in accordance with State Regulations. (**805 ILCS 5/15.05**)

Replacement Tax/Personal Property Tax

Background - Replacement Taxes are taxes on the income or invested capital of corporations, partnerships, trusts and public utilities. Replacement taxes are collected by the State of Illinois and paid to local governments to replace the money lost by local government when local governments powers to impose a personal property taxes on corporations, partnerships, and other business entities was eliminated on January 1, 1971. The Replacement Tax is allocated between the General Fund, Debt Service Fund, Library Fund, and Pension Funds. Staff incorporated the recommendations of the Illinois Municipal League to project this revenue for budgetary purposes.

(in units of millions)

Statutory – The Replacement Tax is set by State Statute (**35 ILCS 5/201**).

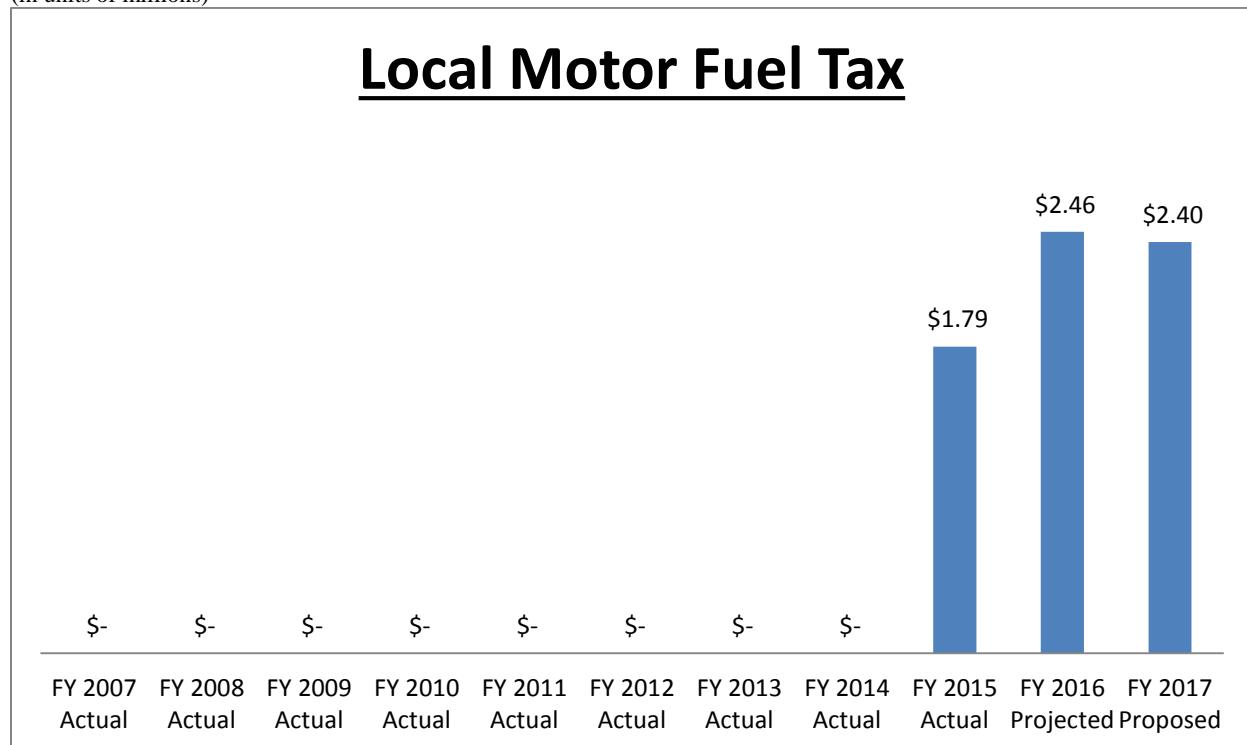

Local Motor Fuel Tax

Background - The Local Motor Fuel Tax is a four cent (\$0.04) per gallon tax on all gasoline and diesel products effective August 1, 2014. This tax is separate from the (20.1¢) per gallon Motor Fuel tax that the state levies. The revenues generated by the local motor fuel tax will be used to fund the City's street resurfacing program.

The Local Motor Fuel Tax took effect August 1, 2014.

(in units of millions)

Statutory – The Local Motor Fuel Tax rates are set by City ordinance. (**Chapter 39: Article XVIII**)

Amusement Tax

Background – On April 21st, 2014 the City adopted a four percent (4%) Amusement tax levied on exhibitive entertainment, including, but not limited to, sports, any theatrical, dramatic, musical or artistic performance; motion picture shows or movies; video or videotape; digital versatile disk (DVD) rentals; and subscription video programming services (such as Cable TV). With the exception of City of Bloomington owned facilities; standard tax exemptions apply for tax exempt organizations, youth organizations and public or private universities *hosting* events.

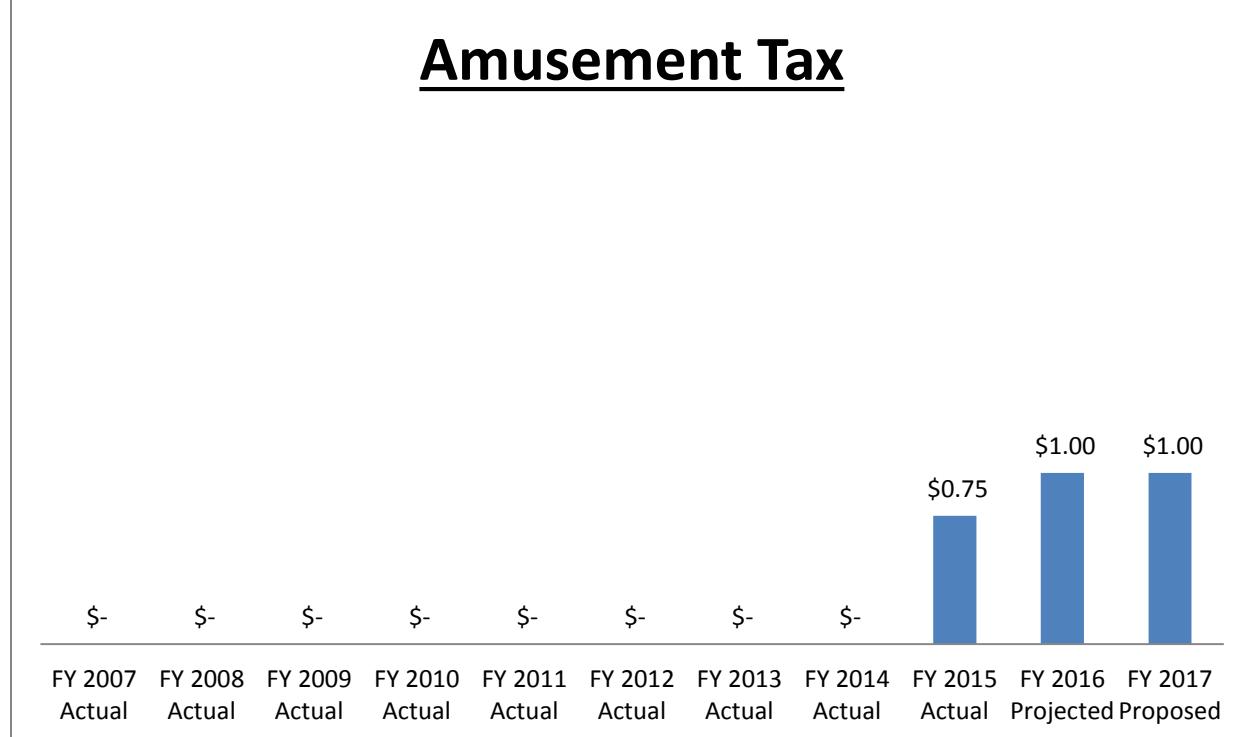

The Amusement Tax took effect August 1, 2014 and is used for general operations.

Amusement Tax is not a major revenue of the City but is shown here for information purposes since it is a new tax.

(in units of millions)

Amusement Tax

Statutory – The Amusement Tax rates are set by City ordinance. (**Chapter 39: Article XIX**)

Expenditure Overview

Salary and benefits make up 32% of all City expenditures with another 3% of contractuals related to workers compensation and general liability insurance.

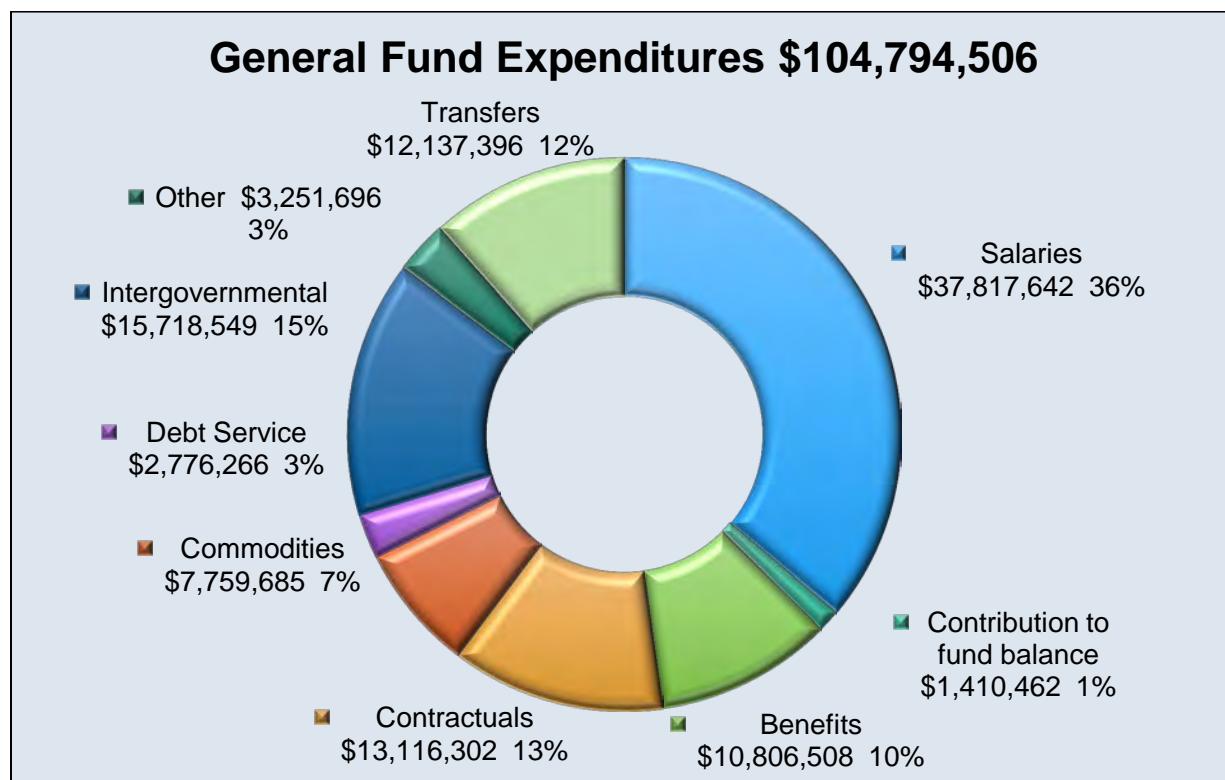

Budget Expenditure Process

Budget Methodology - The expenditures in the Proposed Fiscal Year 2017 budget are projected by staff through the use of a zero based budget methodology. A zero-based budget approach requires each budget request be re-evaluated thoroughly, starting from the zero-base. This process is independent of whether the total budget or specific line items are increasing or decreasing. This process is very detailed and takes time to compile a proposed budget for Council review and ultimate approval.

Budget Team - The City's Budget Team is composed of the following positions: City Manager, Deputy City Manager, Finance Director, Budget Manager, Chief Accountant, Accountant and Budget Analyst. During the preparation of the budget, the Budget Team holds a discussion with each department director and his/her appointed staff to review the City budget process. This meeting includes timetables and enhancement of the prior year budgetary process. Guidance is provided at this meeting in regards to additional positions, equipment and/ or capital expenditures. Finally, the committee provides the City's economic outlook for each director in regards to macro and micro growth within the City for forthcoming fiscal year.

Budget Compilation – The Human Resources Department and budget staff within Finance prepare the salary and benefit projections for the budget. In conjunction with other departments, these departments ensure all active and proposed personnel are included within the preliminary budget. Furthermore, the Fleet Management Department takes a lead role in the population of expenditure line items related to fuel usage, vehicle repair and vehicle replacement within all funds. Finally, the Administration and Finance Department coordinate the integration of workers compensation and property liability insurance into each departmental budget.

Budget Meetings - The City's Budget Team examines and analyzes each department's proposed budget and prepares workpapers to assist the City Manager in evaluating the budget. The City Manager, in conjunction with the Budget Team, meets with each department director to incorporate budget modifications with Finance staff. These meetings allow for an open discussion of each department's budget. If needed, large and/or complex departments may require multiple meetings during the budget process.

Salary and benefits make up 46% of General Fund expenditures with another 4% of contractuals related to workers compensation and general liability insurance.

Salaries:

Salary expenditures include full time, part time, seasonal and overtime expenses. For FY 2017, salaries are approximately 25% of all City-wide expenditures.

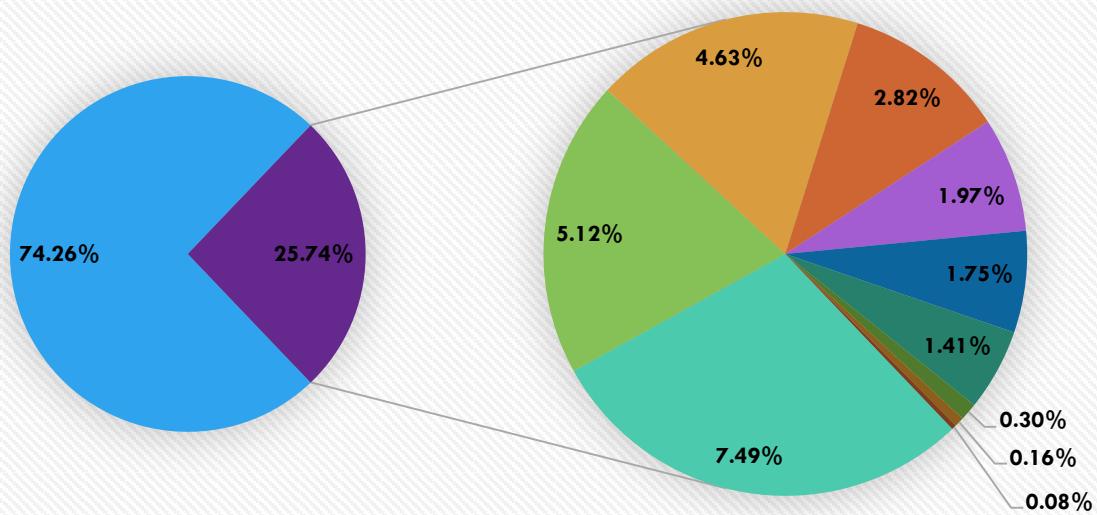

Salary Expenditures – All Funds

*This table and subsequent chart identify salary increases/decreases by department and division. General Fund salaries increased \$206,000 over the previous year. Approximately \$212,000 is attributed to Public Safety, followed by Administration - \$219,000. Further explanations are listed on the next page.

General Fund Salaries Notes

1. The increase is from two new proposed positions.
2. Overall, Parks has a net savings from some classifications changes.
3. Police increase is from one new proposed position.
4. Fire increase is from one new proposed position.
5. The net savings in Community Development is mainly from the elimination of an inspection supervisor.
6. Facilities increase is due to a new proposed position and the addition of some overtime and seasonal salaries.
7. Public Works savings are from two civil engineers being moved out to enterprise funds where they are spending the majority of their time.
8. Net salary expenses are increasing .55%. Newly added positions are almost fully offset with savings elsewhere.

Benefits:

Benefit expenditures include the City's share of health and life insurance, retirement contributions, unemployment insurance, worker's compensation and uniform/tool allowances. For FY 2017, benefits are approximately 8% of all City-wide expenditures.

The majority of City benefits are paid from the General Fund; trailed by the Water, Solid Waste, and Library funds.

General Fund Benefits by Department				
Departments	FY 2015 Actual	FY 2016 Projected	FY 2017 Proposed	FY 2017 % of Proposed
Police Administration	\$2,841,347	\$2,951,806	\$2,974,777	27.53%

This table and subsequent chart identify benefits increases/decreases by department and division. General Fund benefits decrease \$.5 million over the previous year; Public Safety increase \$.52 million, followed by Parks - \$.07 million.

General Fund Benefits Notes

1. Moved all expenditures out of non-departmental into other departments.
2. There has been a change in the mix of benefits due to a vacant position.
3. Health insurance costs increased due to a change in employees.
4. Health insurance costs increased due to a change in benefit options.
5. Health insurance costs increased due to a change in benefit options.
6. RHS contributions have increased as well as more employees enrolled in BCBS.
7. Benefits are lower due to one position being transferred and another position being eliminated.
8. Health insurance costs decreased due to a change in employees.
9. Health insurance costs increased due to a position being transferred from Building Safety and an additional rental inspector.
10. Increase in health insurance due to a change in employees and a proposed new position.
11. Health insurance costs increased due to a change in employees.
12. Health insurance costs increased due to a change in benefit options.
13. Two positions transferred to Stormwater and Sewer decreasing benefits.

Other Expenditure Accounts:

Contractuals

This category relates to services provided to the City by outside agencies or self-employed contractors. Contractuals make up 24% of all expenditures and 13% of General Fund expenditures. Contractuals include insurance premiums and claims for workers compensation and general liability and repair/maintenance accounts for buildings, equipment and vehicles.

Commodities

This category relates to products purchased by the City to support its daily operations including all payments for utilities and supplies. Commodities make up 8% of all expenditures and 7% of General Fund expenditures.

Capital Expenditures

This category summarizes major capital projects such as road resurfacing, water, sewer and storm water lines and the purchase of machinery, equipment and vehicles. The capitalization threshold for machinery, equipment and vehicles is \$5,000 or greater. Capital expenditures make up 12% of all expenditures and 0% of General Fund expenditures.

Debt Service: Is comprised of principal and interest payments for the City's capital lease program, payments on bonds, Illinois Environmental Protection Agency Loans and any other debt instruments in use by the City. Debt service makes up 6% of total City expenditures and 3% of General Fund expenditures.

Inter-Governmental Expenses

This category relates to payments made to other local, state and federal governments for services and/or products purchased by the City to support its daily operations. Inter-Governmental Expenses make up 8% of all expenses and 15% of General Fund expenses. Examples include payments to Police and Fire Pensions, the Convention and Visitor's Bureau, the Economic Development Council, the Downtown Bloomington Association, Town of Normal and Connect Transit.

Other Expenditures

This category relates to payments which do not fall into other designated City expenditure categories. Other Expenditures make up 2% of all expenditures and 3% of General Fund expenditures. Examples include the Rust Grant and community relations.

Transfers Out

This category relates to transfers made between City funds. Transfers out make up of 7% of all expenditures and 12% of General Fund expenditures.

Non-Departmental

10010010

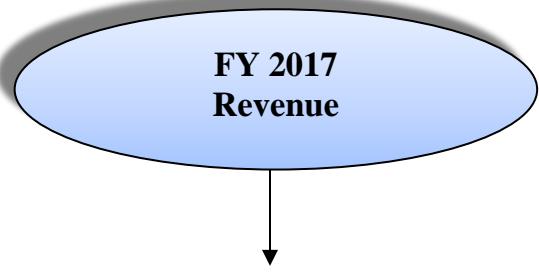

Purpose
(Why does this division exist?)

The Non-Departmental division is a centralized budget where non-specific General Fund revenues and expenditures are accounted. This division is known mainly for housing approximately 74% or \$77,568,272 of total General Fund revenues or approximately 40% of total City revenues in the FY 2017 Proposed Budget.

The General Fund portion of the State Sales Tax and Home Rule Sales Tax is projected to total \$35,003,442 in FY 2017. This makes up 45.13% of the revenues in the Non-Departmental department.

**FY 2017
Revenue**

Revenues tracked within this division by FY 2017 Projected Estimate include:

Type of Tax	Budget
Home Rule Sales Tax	\$21,303,442
State Mandated Sales Tax	\$13,700,000
Property Tax	\$9,132,213
Income Tax	\$7,700,000
Utility Tax	\$6,860,000
Food & Beverage Tax	\$4,400,000
Local Motor Fuel Tax	\$2,400,000
Franchise Tax	\$2,000,000
Replacement Tax	\$1,747,387
Hotel & Motel Tax	\$1,600,000
Local Use Tax	\$1,700,000
Packaged Liquor Tax	\$1,100,000
Vehicle Use Tax	\$1,100,000
Amusement Tax	\$1,000,000
Other Taxes	\$787,205
Violations	\$471,400
Licenses	\$357,350
Other Revenue	\$209,275
Total:	\$77,568,272

In the projection of revenue, staff has based their estimates on historical micro and macro-economic trends, current economic outlook, estimates from professional organizations such as the Illinois Municipal League and staff expertise. Staff remains cognizant of the possibility that the overall State and Federal economy may impact these revenues.

**FY 2017
Expenditures**

In prior fiscal years, the budget reflected indirect expenditure estimates related to employment costs. In FY 2017, those expenditures were transferred to other departments and now, the expenditure reflects a contribution to fund balance.

**Revenue &
Expenditures**

Administration

10011110

The City of Bloomington operates under the Council-Manager form of government. The City's legislative authority is vested in a ten-member Council which is comprised of the Mayor and nine City Council members that are elected from their respective Wards. The City Manager has and exercises all powers and duties assigned by statute and such other authority as may be granted by the City Council. He/she is charged with the enforcement of all laws and ordinances within the municipality and recommends to the Council such actions as may be necessary or expedient for the welfare of the City. The City Manager supervises the administration of the affairs of the City and appoints specified offices established by Section 2-29 of the City Code. The City Manager has the right to recommend that the City Council adopt certain measures or take certain actions that he/she deems appropriate and in the best interest of the municipality.

The Administration Division and its related activities have been codified in the City's Code under Chapter 2: Sections 38 – 41. The City Manager's duties have also been codified in State Statute 65 ILCS 5/5 (several sections including, but not limited to: 3.7, 1-4, 1-11, 3-6, 3-7).

The Administration category relates to the Mayor, nine City Council members, City Manager, Deputy City Manager, Assistant to the City Manager, Executive Assistant, Administrative Specialist, and Communication Manager.

FY 2017 Budget & Program Highlights

- Performance Excellence and Innovation Initiative – This improvement process will include performance audits, cost efficiency and effectiveness studies, as well as organization assessments, and will enhance the performance management and customer service programs.
- Priority Based Budget Development - Realignment of budget structure to reflect programs and services delivered to citizens for the purpose of prioritization and resource alignment.
- Budget Process –Supervision of the preparation and recommendation of the Annual Budget for all funds
- Implementation of City Council goals and directives stated in the Strategic Plan – Annual Action Plan
- Administration of all departments through directors and other appropriate personnel
- Direction of the City’s Economic Development efforts
- Intergovernmental Cooperation – Maintaining positive relationships through attendance at local board and commission meetings and participation on regional boards and commissions
- Continued preparation of the Comprehensive 20-year Capital Improvement Program
- Making recommendations on public policy issues and major purchases
- Recommending State Legislative action
- Performance of other duties prescribed by the City Council

What we accomplished in FY 2016

-
- Strong financial management resulted in a FY 2015 audited general fund balance of \$16,874,271. This includes the inter-fund advances and unassigned categories.
 - The City's AA credit ratings and stable outlook was reaffirmed in 2014, one notch below the highest rating of AAA.
 - Amended City Public Participation Ordinance to allow for public comment at every regular City Council meeting and Committee of the Whole meeting thereby increasing the number of opportunities for citizens to speak before the Council as a whole.
 - Conducted a Comprehensive User Fee Study and Cost Allocation Plan for all non-enterprise operations and services provided by the City.
 - Received the Certificate of Distinction from the International City/County Management Association (ICMA) for performance management program and efforts.
 - Enrolled in the ICMA Performance Analytics Insights program to expand performance management efforts and service benchmarking.
 - Twelve City Manager Monthly Reports were produced reporting key performance indicators of City departments. The reports were issued to the City Council and made available to the public.
 - The annual meeting with State Legislators was organized and held.
 - Staff participated in all Committee of the Whole Meetings.
 - Staff continued to build strong working relationships with reporters from The Pantagraph, WJBC, WGLT and other area media.
 - Quarterly Worker's Compensation and Property/Casualty Insurance Claims reviews continued.
 - Staff continued to enhance and expedite the Council Memos and Council Packet.

The following ordinances were recommended and approved:

- An Ordinance to establish an Enterprise Zone and enter into an Intergovernmental Agreement between the City of Bloomington, the Town of Normal, Gibson City, McLean County and Ford County to file an application with the State of Illinois Department of Commerce and Economic Opportunity (DCEO) for official designation of the proposed Enterprise Zone by DCEO.
- An Ordinance Amending Chapter 40 of the Bloomington City Code to establish regulations for transportation network providers to operate transportation networks with the City. The amendments allowed for transportation operations such as Uber, Lyft, Sidecar, etc. to operate within City limits.
- An Ordinance Amending the Public Comment Rules at City Council Meetings for the City of Bloomington. The amendments extended the length of public comment from fifteen minutes to thirty minutes before a suspension of the rules is required.

The following ordinance amendments were recommended and adopted:

- Text Amendment to Chapter 39 – Taxation, Section 130 to increase the Home Rule Sales Tax and designate the disposition of the increase. The Home Rule Sales Tax was increased by 1% with 0.25% going to mental health services provided by McLean

- County, 0.25% dedicated to street infrastructure investment and 0.50% to the City's General Fund to offset projected deficits.
- Text Amendment to Chapter 2, Sections 39, 42 and 54A and Chapter 16, Article IV Sections 48 – 50, 52 and 58 of the City Code Pertaining to Procurement which clarified and updated policies to reflect best practices and enhance efficiencies in the procurement process.
 - Text Amendment to Chapter 20, Section 180 of the City Code Pertaining to Parking which limited the administrative impact of special events at the Coliseum by not requiring a special events permit to charge for parking.
 - Text Amendment to Chapter 29, Motor Vehicles and Traffic which updated City policies to improve traffic safety and convenience for pedestrians.
 - Text Amendment to Chapter 6, Alcoholic Beverages and Chapter 38, Streets, Sidewalks and Other Public Ways of the City Code providing that holders of Class T (Tavern) liquor licenses located in the downtown area can have sidewalk café licenses and reducing the hours during which sidewalk cafes can open for service to the public from midnight to 10:00 p.m.
 - A Text Amendment to Chapter 35, Section 30 of the City Code pertaining to Fingerprint Requests which increased fees to closer align to the cost of providing the service.

Additional actions recommended and approved included:

- Adoption of the FY 2016 Action Agenda
- Adoption of a Comprehensive City Facilities Assessment recognizing \$33 million in City facility repair and maintenance over the next 10 years
- Adoption of a Sidewalk/ADA Master Plan recognizing \$8.5 million in needed investment to upgrade City sidewalk infrastructure to a rating of “ 7 (Good+)”
- Adoption of a City Fire Facilities Master Plan which recognized the need to improve slow response times in the north east quadrant of the City
- Adoption of a Bicycle Master Plan which promotes alternative transportation mediums
- Adoption of a Sanitary Sewer and Storm Water Master Plan recognizing \$136 million in infrastructure needs over the next 20 years
- Strategic procurement of the Sugar Creek Packing Plant located at 412 East Street which expanded the City Hall campus to allow for future development
- Approval of a Community Development Block Grant Program (CDBG) 2015-2020 Consolidated Plan and 2015-2016 Action Plan
- Continued financial support in the litigation efforts to thwart a potential permitting of PCB wastes in the Clinton Landfill which is situated over the Mahomet Aquifer; which is one of the largest groundwater resources in the state underlining fifteen counties and providing 100,000,000 gallons per day of groundwater for public water use
- Awarded three year contract to Midwest Fiber, Inc. for receiving recyclable materials
- Approved a resolution establishing an Ad hoc City Budget Taskforce
- FY2016 Service Agreement with the Downtown Bloomington Association in the amount of \$90,000
- Approval of a Contract with CAD Construction, Inc., in the amount of \$232,760 for construction of Flamingo Exhibit at the Miller Park Zoo
- Approval of a Property Tax Abatement and Green Top Grocery Retail Sales Tax Rebate Incentive for “The Foundry” Retail Development
- Approval of a Resolution adopting the City of Bloomington Comprehensive Plan 2035 as the official comprehensive plan for the City of Bloomington

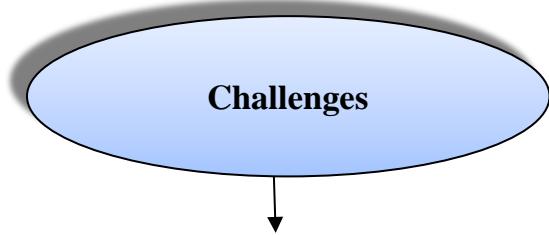

- Approval of an Ordinance authorizing a TIF Feasibility Study in the amount of \$36,600 for the purpose of creating a Redevelopment Project Area that would include the Colonial Plaza Shopping Center and adjacent qualifying properties
 - Approval of an Intergovernmental Agreement between the City of Bloomington and McLean County for the purpose of accepting the 2015 Edward Byrne Memorial Grant (JAG) Program Award in the amount of \$28,818 to be used to purchase equipment which will integrate with the existing in-car camera system
-

FY 2017 and beyond

- Any further reductions in state shared revenue will impact staff levels and services.
 - In an ongoing effort to ensure City services are provided in the most cost efficient/effective methods possible, we will continue the use of internal audits, performance management practices, continuous improvement initiatives and performance excellence principles.

City Clerk

10011310

This Department provides records administration, research and a central point of contact for the City Council, Departments and all residents of the City of Bloomington. The Department focuses on document management, license processing, and the acceptance and distribution of Freedom of Information requests and serves as the City's Open Meetings Act officers.

The City Clerk's office anticipates processing 1,200 Freedom of Information Requests in FY 2017.

FY 2016 Budget & Program Highlights

- Compliance with the Open Meetings Act – Council Proceedings must be approved within thirty (30) days after the meeting or at the Council’s second subsequent regular meeting, whichever is later.
- Train Open Meetings Act (OMA) liaisons on OMA revisions – We will comply with the online training requirement from the Attorney General’s Office regarding Open Meetings Act and FOIA.
- Implemented new FOIA policy and website transparency ordinance.
- Special Events review with focus on cost.
- Completed MUNIS Lake Bloomington billing deposits over \$115,000.
- Has informed all elected/appointed officials of OMA online training requirement and receive/track OMA certificates.
- Implementation of BASSET training requirement for all liquor license holders – We will receive/track BASSET certificates.

What we accomplished in FY 2016

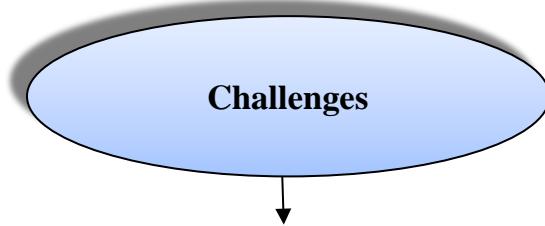

- A Council Proceedings Memorandum appeared on every Council Meeting Agenda, (Council Proceedings – 24, Work Sessions – 14, Executive Sessions – 25, Retreats – 2, Committee of the Whole – 12, and 2 Semi-Annual review of Executive Session Minutes projected through October 30, 2015).
- An integrated database was maintained for processing FOIA requests. The department processed 1,200 FOIA requests.
- Record of Motions & Votes was posted to City’s website following Council meetings.
- Worked in collaboration with Procurement to create and implement a City-wide policy for handling purchasing requests.
- Processed 222 procurement memos and contracts for the year following implementation of the Procurement Policy in June/July 2015.
- Published three (3) fiscal years of Council Proceedings books.
- MUNIS updates included user manual for Business Licenses.
- Defined a process for posting of meeting agendas in compliance with OMA.
- Team development included hiring of a new City Clerk position.

Revenue & Expenditures

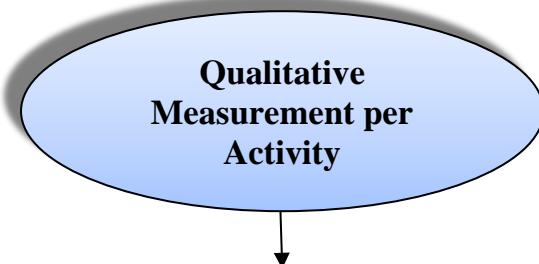

City Clerk	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Adopted Budget
Expenditures				
Salaries	\$240,433	\$207,679	\$189,330	\$219,661

Performance Measurements

City Clerk	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Inputs:				
Department Expenditures	\$537,183	\$375,518	\$377,366	\$438,321
Outputs:				
Council Proceedings	133	26	84	84
Lake Leases	220	220	220	220
FOIA	1,272	1,200	1,380	1,200
Number of Liquor Vendors Total	192	190	216	216
Number of Liquor Licenses Invoiced Total	390	420	216	216
Total Amusement and Miscellaneous Vendors	252	297	262	262
Efficiency Measures:				
Total Liquor License Penalties/Fees	\$310,643	\$295,000	\$295,000	\$295,000
Total Amusement and Miscellaneous Vendors	\$80,056	\$35,000	\$17,207	\$17,273
Average Staff Time Per FOIA Request (minutes)	72	90	90	90
Total Staff Time for FOIA Request (hours)	1400	1450	1500	1550

-
- **Training Staff** to comply with Open Meeting Act, Local Records Act and Freedom of Information Act -- A well-trained staff is required to keep up with the workload while maintaining a productive, efficient and effective office.
 - **Workload** – Staff must stay current with Council Proceedings including Executive Sessions, Work Sessions, Committee meetings, retreats, etc.
 - **FOIA** – Management of FOIA requests requires more time and effort due to increasing complexity of the requests.
 - **Records & Information Management Policy** – As the City continues implementation of Enterprise Resource Planning, we are developing a policy with a focus on records scanning, indexing, disposal of hardcopy records, etc.
 - **Implementation of FOIA Policy and Website Transparency Ordinance** – This policy resulted in work flow and job responsibility changes regarding the handling of FOIA requests. The Ordinance has placed additional work tasks upon the Clerk's Office.
 - **Managing growth within a small department space** – The Clerk's Office has outgrown its current office space and presents multiple challenges for managing and filing of records within a limited and confined space. Larger office is needed in order to manage the day-to-day operations of the office, as well as having a defined Records Center for managing the organizations records.
 - **Agenda and Records Management Solutions** – The City would benefit from having a searchable solution that provides staff or the public the ability to conduct a records search without the assistance of the Clerk's Office and may likely reduce the number of FOIA requests.
-

**Qualitative
Measurement per
Activity**

The table below is a representative of the types of activities that Clerk Office Staff perform on a daily and/or monthly basis along with the amount of time that is expended on each of those services.

Description of Activity	Estimated Monthly Processed	Estimated Yearly Processed	Number Outstanding	Estimated Percent of Time to Complete
Incoming or Outgoing Telephone Calls	2,500	30,000	0	5 minutes
Counter Assistance – Walk-in's	125	1,500	0	5 -10 min
Issue Solicitors Permit	12	148	0	5-10 min
*Block Party Permits	1	15	0	60 minutes
*Special Event Permits	2	57	0	2 hrs. minimum
Freedom of Information (FOIA) Requests	115	1,380	14	45-60 min
Bids	3.5	40	6	30 minutes
Contracts/Procurement	37	222	0	1-2 hrs.
Land Issues	2	28	40	2 hrs.
Mail – Outgoing (incoming is not factored)	5,473	65,680	0	30-60 min
Taxi Driver Applications	12	146	0	15-30 min
New Liquor License Applications	1.5	22	0	90 min
Liquor Commission Meetings	1	10	0	2.5 hours
Liquor Wedding Request (Catered functions)	2	27	0	30-60 min
Liquor: Corporate Officer Change	1	19	0	30-60 min
Liquor: Violation of Code Payments	1	11	0	30-45 min
Liquor: Extension of Premise	1	17	0	30 minutes
Liquor: Secondary License	3	33	0	30 minutes
*Liquor Invoicing/Billing/Receipt of Payment (Quarterly)	72	192	6	1-2 hours
Amusement License	33	88	22	30 minutes
Miscellaneous	55	150	57	30 minutes
Lake Bloomington Lease Annual Payments	0	220	0	1-2 hours
Lake Bloomington Lease Transfers	1	6	1	30-60 min
Council Meetings (All)	7	82	0	20-30 hours
Council Minutes (All)	7	82	55	3-5 hrs./mtg.

* Block Parties and Special Events are Seasonal activity

* Liquor Invoicing is performed quarterly and yearly.

Goals/Objectives for Fiscal Year 2017

-
- **Create Procedures/Process** - Boards and Commissions Handbook, Departmental procedures and a Disaster Management Handbook that addresses the City Clerk Office.
 - **Explore Legislative Management Software** – Legislative management of Council Meetings and related meetings will allow City staff the ability to create agenda items, create meeting minutes, post council packets and have a searchable product for internal and external customers.
 - **Training Staff** to comply with Open Meeting Act, Local Records Act and Freedom of Information Act -- A well-trained staff is required to keep up with the workload while maintaining a productive, efficient and effective office.
 - **Transparency** – Staff will continue to work towards uploading documents to the City's website for viewing or downloading by the public.
 - **Records Management Solutions** – City would benefit from having a searchable solution that provides staff or the public the ability to conduct a records search without submitting FOIA requests.

Human Resources

10011410

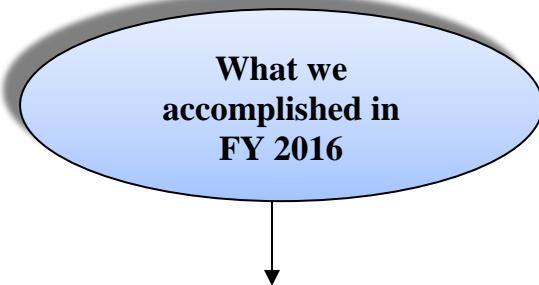

The Human Resources department partners with every department of the City on their human capital needs and interacts with and serves all employees throughout their careers as well as prospective employees. The staff includes ten (10) full-time employees who focus on six (6) primary areas: Recruitment and Hiring; Employee and Labor Relations; Compensation and Benefits; Training and Development, Employee Wellness and Safety and Community Relations.

In FY 2016 to date, the City's Human Resources Department facilitated non-sworn hiring of 45 full-time and 378 seasonal employees.

It is the goal of the Human Resources department to maximize the City's Human Capital potential through positive employee/labor relations, additional training and professional development, branding of the City as an employer of choice to maximize staffing potential and use of technology to streamline and stabilize processes.

**What we
accomplished in
FY 2016**

Employee Recruitment and Hiring

- Implemented an on-line Applicant Tracking system to streamline our application process.
- Facilitated the hiring of 45 non-sworn full-time positions and 378 seasonal employees.
- Assisted with the promotional process for Fire Battalion Chief and Fire Captain.
- Partnered with Police and Fire to continue to streamline the Fire and Police Commission Board Rules, as well as staff the entry-level vacancies in both departments.
- Staff assisted with the recruitment and hiring for Executive Level positions, including Fire Chief, Water Director, Parks & Recreation Director, Assistant Parks & Recreation Director and Safety & Risk Coordinator.
- Conducted a brain-storming session with leaders from the community on how we can best refocus our recruitment to entice a more diverse applicant pool that is more representative of our community.

Employee & Labor Relations

- Negotiated an agreement with Unit 21. The City continues to bargain with Local 49 and Sergeants and Lieutenants. Demands for bargaining were received from Lodge 1000 and Telecommunicators.
- The Employee Activities Committee organized an employee Luncheon at the Coliseum, Random Acts of Kindness Week, a Cornbelters outing, a pool party and picnic, a 9-hole golf scramble, the annual chili cook off, trivia night, a food drive and a winter party. Charities that benefited include United Way, Boys and Girls Club and Home Sweet Home Ministries.
- Created and disseminated *Inside the City*, a bi-monthly newsletter for employees and retirees. Content includes events, reminders, achievements, employee news and educational articles.
- Developed and implemented a City of Bloomington logo-wear online store for employees to order and purchase quality logo-wear with a few clicks of a mouse.
- Eighty-five employees reached milestone years of service with the City.
- The department conducted the City's first Employee Satisfaction Survey in ten years with a participation rate of 34%. Employees were surveyed on their satisfaction level in the following areas: Communication and Involvement, Supervision and Training, City Culture and Image, Wellness and Safety and Pay and Benefits.
- Retirements from the City continue to run at a high level. Nineteen employees have either retired or submitted retirement notices in FY 2016.
- Streamlined the City's internal investigation process to provide a more thorough, timely and complete investigation process.

Compensation and Benefits

- Worked to negotiate language with 11 collective bargaining units to address future Cadillac tax implications for health insurance plans.
- Implemented the Benistar health plan for Medicare eligible retirees and employees which is projected to save the City \$100,000 in the first twelve months.
- Formed an Employee Benefit/Wellness committee to improve communications with employees in these areas.
- Partnered with Information Services to complete a project to compile and send an electronic enrollment file (834) to Vision Service Plan (VSP) directly from the City's payroll system. This greatly simplified the recordkeeping and bill auditing on 650 plan enrollees.
- Participating in a reverse auction platform for obtaining competitive stop loss rates for the health insurance PPO plan.
- Established a long-term benefit planning project timeline for the next three years to include plans to conduct Dependent Eligibility Audit, implement low-cost health insurance coverage option through a Health Savings Account, implement Voluntary benefit offerings and implement plan design changes to avoid potential cost liability under the Affordable Care Act Cadillac Tax.
- Partnered with Sikich and Information Systems to implement Affordable Care Act 1095 reporting requirements which requires the City to prepare notices for each employee and to report to the IRS information concerning insurance enrollment.
- Established the development of an overall Total Compensation Strategy/Philosophy as a priority for the City.
- Continued to work with ClientFirst and the Information Systems department to finalize the RFP process for a Time and Attendance software program vendor to move forward with implementation to stabilize and streamline our time capture and scheduling processes city-wide.
- Conducted open enrollment for employees' benefit insurance coverage including health, dental, life and vision.
- Coordinated semi-annual retirement and pension information sessions with representatives from ICMA and IMRF.
- Participated in on-going discussions on the possibility of revising the City's Sick Leave Buy Back policy for current staff and how it relates to the potential liability associated with accelerated payments through IMRF.

Employee Training and Development

- Conducted 60+ hours of supervisory and employee training on four new policies implemented: Workplace Bullying, Workplace Violence, Anti-Harassment/Sexual Harassment, Dress Code/Professional Image.
- Senior Leadership participated in Leadership Development Training provided by Jim Connolly of OrgEx, Inc., which followed the Situational Leadership model.
- Senior leaders also participated in a leadership retreat that included the REAL Colors teambuilding exercise to improve communications amongst staff.
- Members of the Human Resources department participated in the REAL Colors teambuilding exercise to improve communications and teambuilding amongst HR staff members.

- Human Resources Director attended the annual IPMA conference in Denver, CO, Sept. 26th –Sept 28th which proved to be a valuable source of the newest trends in Public HR Management.

Employee Training and Development Continued

- Staff members attended NPELRA/IPELRA conferences and webinars to stay in touch with the latest in Labor Relations case law and strategies.
- Staff members attended Bloomington-Normal Human Resources Council seminars to network with others in the local HR community and stay in touch with the private sector.
- Encouraged employees to take advantage of the free webinar offerings from our Employee Assistance Program with Bensinger, DuPont and Associates (BDA).
- Promoted computer training classes offered by Levi, Ray & Shoup, Inc.
- Conducted eighteen American Heart Association Heartsaver CPR/AED and First Aid classes. One hundred and twenty-four employees received certifications through the American Heart Association.
- Coordinated and promoted sixteen Lunch & Learn Sessions.

Employee Wellness

- The City of Bloomington was recognized as a Platinum-Level Fit Friendly Company by the American Heart Association for helping employees maintain a healthy lifestyle. This is the fifth consecutive year the City achieved the highest tier of recognition.
- Approximately 150 employees attended the 2015 Wellness Fair. The event featured over 40 wellness and benefits vendors, a healthy breakfast and several free health screenings.
- One hundred and fourteen employees participated in biometric screenings this year. Screenings included blood pressure, total cholesterol, HDL, LDL, cholesterol ratio, triglycerides and blood glucose. The preventive service helps employees understand their health status and the steps they can take to improve their health.
- Ninety-two employees received a Wellness Day for participating in a variety of activities that foster health and well-being. Twenty-eight percent of eligible employees received a day off which is the most the City has had since implementation. The number of applications increases every year showing that employees are making efforts to maintain or improve health.
- Wellness Coordinator maintained Wellness Councils of America Faculty Status by completing the following certifications in the last year: Wellness Program Evaluation, Empowering Employees to Manage Their Own Health Care, Health Coaching Fundamentals, and Financial Well-Being at the Workplace.
- Motivational decals were added to the stairwells at the Government Center. The goal of enhancing stairwells is to encourage employees to use the stairs instead of the elevator, thus increasing physical activity.
- Promoted two Freedom from Smoking classes, a program created by the American Lung Association. A trained facilitator at the Health Department conducted the classes.
- Seventy-three individuals completed the 2014 online Health Assessment through Blue Cross Blue Shield, up from forty in 2013. The assessment helps members understand their current health status. Upon completion, members can opt in to online classes or receive communications on various topics.
- Hosted five onsite flu shot clinics for employees and dependents. Two hundred and sixty-seven vaccinations were administered (46% of employees).
- Coordinated free glucose and cholesterol screenings to help employees assess their risk for diabetes in honor of Diabetes Awareness Month.

Employee Wellness Continued

- Reinstated a Wellness Committee, which is an employee-driven team that helps to build and sustain the wellness culture across the organization.
- Collaborated with McLean County Health Department to offer six exercise classes for employees. Classes were mostly over the lunch hour and included yoga, Pilates and strength training.
- One hundred and eleven employees participated in the Live Healthy 10-week challenge. Participants recorded physical activity minutes and weight. Participants averaged 38 minutes of activity per day and 3.59 pounds lost. Employees lost a total of 398 pounds. Projected savings based on body mass index reduction is \$11,972. The program survey indicated that 68% of participants increased activity, 47% lost weight, 47% increased awareness of health habits and 42% consumed healthier food as a result of the challenge.
- One hundred and fifty employees (twenty-two teams) participated in the Step 2 It challenge which focused on increasing physical activity. This is the most participation the City has had for a wellness challenge. Participants logged and recorded steps for one month.

Employee Safety

- A renewed focus on Employee Safety as a top priority began in FY 2016 in order to better serve the members of the community with the highest level of quality that they deserve.
- Conducted monthly safety contacts with City leadership to help improve the overall culture of Safety as a priority City-wide.
- Conducted Safety audits of several areas through the City: Parks and Recreation, Fire, City Hall, US Cellular Coliseum and Public Works Garage.
- Implemented the use of Safety Boards throughout City departments as a centralized communication point to help employees learn more about safe practices in their environments.
- Conducted Active Shooter training for City leaders to raise awareness of this potential risk throughout City departments.
- Implemented a Trenching and Shoring policy to increase Employee Safety in these types of situations.

Community Relations

- The Human Relations Commission successfully coordinated the Annual Reverend Dr. Martin Luther King, Jr. Awards Program on Saturday, January 17 at the Bone Student Center on the campus of Illinois State University. The featured speaker was Bishop Vashti Murphy McKenzie who made history as the first female titled head of the A.M.E.
 - Cultural Fest included distribution of hundreds of backpacks with school supplies.
 - Commissioners attended the Illinois Municipal Human Relations Association Conference in Springfield to network with other Human Relations Commissioners from around the state and receive training on new state and federal changes.
 - The Human Relations Commission helped sponsor the Juneteenth Celebration as a community project.
 - Two Human Relations Commissioners attended the Not in Our Town Convention in Billings, Montana.
 - The Human Relations Commission participated in a strategic goal setting process to develop and set goals for the year.
-

Revenue & Expenditures

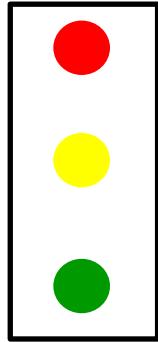

Human Resources	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Projected Budget
Expenditures

Performance Measurements

Human Resources	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Inputs:				
Department Expenditures	\$1,574,438	\$1,314,508	\$1,250,625	\$1,500,194
Outputs:				
Total City Collective Bargaining Units	11	11	11	11
Number of grievances filed	54	-	15	-
Total Employee Turnover Rate	8%	6%	8%	8%
Number of Human Relations Cases	9	5	8	8
Percent of Employees participating in Wellness Activities	63%	65%	65%	65%
Number of seasonal employees processed for payroll.	306	375	300	300

= RED indicates performance falls significantly below expectations.

= YELLOW indicates an action needs to be taken to improve performance.

= GREEN indicates performance is meeting expectations.

Utilizing the following 2017 Performance Goals, we hope to bring our focus areas to green

Focus Area	2016
Recruitment and Hiring	Red
Employee and Labor Relations	Green
Compensation and Benefits	Yellow
Training and Development	Red
Employee Wellness	Green
Safety	Yellow
Community Relations	Yellow

**FY 2017
Goals**

Where do we want to go? 2017 and Beyond...

Strategic

- Work with Sikich to complete the Payroll Migration Project moving the payroll function from Finance to Human Resources.
- Work with Sikich to complete the overall assessment and possible restructure of the HR Department to better serve the needs of our employees and citizens.
- Total Compensation Philosophy Strategy.
- Performance Management System.
- Continue to analyze our Sick Leave Buyback policies to minimize IMRF Accelerated Payments and look at implementing a PTO program as a potential solution.
- Put a plan in place to complete my IPMA-CP certification for HR within the next 12 months.

Compensation and Benefits

- Time & Attendance – Select a Vendor and begin implementation.
- Conduct a Dependent Eligibility Audit in 2016 which could lead to a potential cost savings in our health insurance cost.
- Continue to work with Gallagher on plan design changes to lower the cost of our health insurance plans, look at the addition of an HSA for 1/1/2017, all in an attempt to avoid future potential Cadillac Tax liability 1/1/2020.
- Potentially market dental plan for 1/1/2017.
- Explore voluntary benefits enrollment for 1/1/2017.

Talent Acquisition and Development

- Implement Supervisory Training sessions through program with ICMA.
- Work with our Talent Acquisition Manager to brand the Culture and Image of the City of Bloomington as an employer of choice in the community, state and nation.
- Develop a plan to expand City recruitment efforts to non-traditional channels, to expand the pool of qualified, diverse candidates.
- Develop and implement a New Employee Orientation/Onboarding Program.
- Develop and Implement a City-Wide Communication/Customer Service Training Program.

Employee and Labor Relations

- Complete the revision and implementation of the ‘new’ Employee Handbook.
- Continue to analyze internal investigations procedure and utilize third-party investigator only as necessary.

Employee Wellness

- Continue to improve city-wide Wellness metrics to improve the health and well-being of our workforce and keep insurance costs down.
- Wellness Priority for 2016: We are always trying to increase participation. We also implement programs that address our top health concerns which are based on aggregate

reports from our biometric screenings and Health Risk Assessments (online and paper). Top concerns: Weight Management, Nutrition, Fitness and Heart Health. A smaller project that could eventually help with participation is conducting an interest survey. It's been at least five years since we've surveyed employees to find out what programs, events, screenings and classes they would be most likely to participate.

- Work with Gallagher to move to a single source Wellness vendor to assist with biometric screenings (employer funded) and provide a more condensed tracking system for better metrics and reporting.

Safety

- Develop and implement City-wide Employee Emergency Action Plans with each Department.

Community Relations

- Continue to work with the Human Relations Commission in achieving their mission protecting the right of all citizens to equal opportunity for education, employment, housing, public accommodations and financing prevent unlawful discrimination through the implementation and enforcement of the Bloomington Human Relations Ordinance.
-

Finance

10011510

Purpose
(Why does this division exist?)

The mission of the Finance Department is to maintain the fiscal stability of the City through prudent management of fiscal resources. This is accomplished by monitoring all City operations, safeguarding assets, protecting the integrity of financial data and maintaining an appropriate internal control framework. The Finance Department establishes financial management standards and monitors compliance to these standards based on federal, state and local law, as well as accounting standards.

The Finance Department provides a wide range of comprehensive financial support services to the Mayor, City Council, administration, each City department and various boards. Such services include accounting, financial administration and reporting, budgeting, internal audits, treasury/cash management, investments, payroll, billing and accounts receivable, accounts payable, debt management and purchasing. The Finance Department has 12 full time employees.

The main functions of the Finance Department are:

- Fiscal administration, reporting and compliance
 - Budget development and monitoring
 - Accounting and auditing services
 - Debt and treasury management
 - Management of internal audits and controls
 - Long-term fiscal planning
 - Fiscal reviews/operational studies
 - Procurement and contract management
-

FY 2017 Budget & Program Highlights

- Updates/revisions to financial policies
- Development of key metrics & performance measures
- Debt Modeling & capital planning
- Implementation of newly adopted rates and fees
- Participation in process planning for Utility Billing and Time Keeping software projects

The Jeopardy game was played at this year's Citizen's Academy and the participants had a great time and learned a lot about Finance. Here are just a few of the answers and questions asked of the participants during the Finance night. (Costs are approximate.)

- How much of the FY16 (Tax Levy Year 2014) is budgeted for Police & Fire pensions?
 - What is approximately \$8.2 million dollars?
- What should be 10% or more of your budgeted expenditures?
 - What is fund balance?
- What event occurred in 1900 that would cost \$50 million dollars in present value?
 - What is the Great Fire in downtown Bloomington?

**What we
accomplished in
FY 2016**

Finance

- Staffed the Budget Task Force from June through September providing and presenting data as requested to resolve the General Fund structural deficit.
- Implemented a 1% sales tax rate increase effective January 1, 2016 apportioning .25% to McLean County for Mental Health, .25% to street resurfacing and .50% to address the structural deficit in the General Fund.
- Reviewed methodologies and presentation of the Storm Water and Sewer Funds rate modeling recommendation and capital plan.
- Coordinated year 1 of the City's internal audit program.
- Completed the Comprehensive User Fee & Rate Study.
- Complete in Finance/Water staffing analysis.
- Participation in the City's economic development efforts.
- Review of banking and treasury authorities.

Accounting

- Completed the FY 2015 annual City audit with an unqualified or clean opinion.
- Resolution of internal control deficiencies.
- Coordinated and completion of the FY 2015 audit of the Firefighter Pension Fund, Police Pension Fund and Foreign Fire Insurance Board.
- Coordinated the FY 2015 actuarial valuations for the Firefighter Pension Fund, Police Pension Fund and Casualty Insurance fund.
- Earned the Certificate of Achievement for Excellence in Financial Reporting for the 39th year.
- Regulatory filings such as annual TIF reports, Annual Financial Reports, Treasurer's Report and Unclaimed Property Report were completed.

Debt Management

- Issuance of 2015 capital lease including both a 5 year and 10 year lease totaling \$6.1M.
- Debt modeling for new revenue streams dedicated to capital improvements.
- Five year capital plan.

Budget

- Earned the Certificate of Achievement for Excellence in the Comprehensive Annual Budgetary Award for the 5th consecutive year.
- Participated in the third Citizen's Academy where participants took part in balancing and restructuring the City budget. Positive feedback was received from the participants.
- Supported the Budget Task Force and helped bring forward recommendations to the Council.
- Adopted the 2015 Calendar Year Tax Levy as presented to City Council.

- Refined the FY 2017 budget process and documentation.
- Participated in the Internal Budget Committee.
- Implemented regular budget meetings with each department to monitor budgets and assist with year-end projections.
- Produced a formal Quarterly Report providing a financial overview of major funds.
- Improved monthly report package to provide fund overviews, trend information and executive summary.

Procurement

- Prepared and submitted revisions to the City's procurement Code to the City Council for adoption on January 26, 2015.
- Instituted procurement regulations under newly derived authorities.
- Extensive outreach provided to departments on new legal limits, policy and procedures.
- Improved procurement work efficiency by increasing bid limits, clarifying exemptions and expanding the use of joint purchasing agreements thereby reducing time spent on routine purchasing.
- Developed better ways to dispose of surplus City property.
- Revised insurance and terms and conditions in request for proposal templates in bid documents.

Pension

- Compliance with the City's Police and Firefighter Pension Funding policy, Chapter 16, Section 46, which set the City on the course to achieve 100% funding of its pension liabilities.
- Tracking and remitting of increased utility tax dedicated to police and fire pension funding.

ERP Implementation

- Performed testing on Munis 10.5 upgrade, revised documentation and trained external departments.
 - Worked to resolve Munis 10.5 post live reporting issues.
 - Facilitated specifications for bid of timekeeping system.
-

*Local taxes include Local Motor Fuel Tax, Food & Beverage Tax, Packaged Liquor Tax, Hotel/Motel Tax, Vehicle Use Tax and Amusement Tax

Challenges

The Finance Department has been unable to provide long term financial planning on a regular basis. At current staffing levels, consultants have facilitated debt modeling, financial operation analysis, staffing analysis on an ad hoc basis. Finance would like to incorporate financial best practices including business preparedness and business continuity. Critical functions not completed regularly or that go unattended are:

- Long-range fiscal planning, policy development and ordinance revisions.
 - Grants management – detection of grant opportunities, professional development for grants administration and monitoring compliance.
 - Revenue/debt collection policy development and monitoring.
 - Trend analysis, performance based budgeting and metrics.
 - Refinement and administration of financial agreements.
 - Monitoring of third party financial operations.
 - Treasury and banking relationships, authorities and framework.
 - Expansion of online payments.
 - Financial process documentation, planning and work efficiencies.
 - Process mapping for further implementation of Munis modules.
-

Information Services

10011610

Information Services provides the following inventory of programs and services for all City departments:

- **Shared Common Technology Infrastructure**
 - Network infrastructure, including local area networks, wide area networks, fiber backbone connections throughout the city, wireless point-to-point networks (for remote connectivity) and wireless networks for client access
 - Roughly 100 Physical and virtual (cloud) servers and over 150TB of storage technology to support enterprise applications, video and file storage
 - End user desktop, laptop and tablet computers, printers and other peripherals, productivity software and many applications specific to a department or end user
- **City-wide Enterprise Business Applications**
 - Financials, Human Resources, Payroll, Utility Billing, Public Safety, Parks, Public Works Community Development, GIS, Web Services, Email, Parking Management, Physical Access Control, Video Surveillance, City Web Sites, Citizen Engagement Applications, Social Media and other departmentally specific applications
- **Information Security**
 - Enterprise Data Backup/Redundancy/Recovery, Disaster Recovery, Business Continuity, Cybersecurity Oversight, Management and Communication of Security Policies and Procedures
- **Strategic Technology Planning and Management**
 - Align IS technology plan and technical documentation to City Strategic Plan. Manage and communicate the use of standard Information Technology principles and best practices.

- **Unified Communications**
 - LAN/WAN network design and implementation, Internet connectivity and security, Structured Cabling Systems, City-wide Voice over Internet Protocol (VoIP) telephone system, Cellular phones for roughly 250 City users, Mobile Computing Devices, Mobile data network supporting Fire, Police, Community Development, Water and other operational departments Email
-

The **10 full-time and 2 contracted employees currently staffing the Information Services department are responsible for managing and maintaining over 3,000 individual computing and communications devices and approximately 100 different software applications, located in over 40 locations throughout the Bloomington/Normal area.**

Specific Information Services Strategic Plan Action Items are:

- Continued implementation of video surveillance technologies in Downtown Bloomington and other areas as needs arise.
 - Implementation of next phases of the MUNIS Enterprise Resource Planning (ERP) software. Upgrade to version 11.x to provide better GIS integration.
 - Continued replacement of aging City servers, desktop and laptop computers, network equipment, network printers and multi-function printers.
 - Add technology to increase citizen outreach and communication through website and social media.
-

Funding Source

General Fund 94.36%, Fees for Services 5.64%

What we accomplished in FY 2016

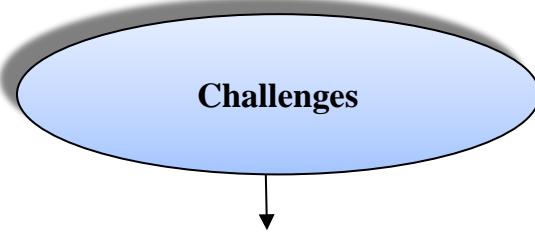

- Implemented “Pagefreezer” website/social media archiving solution and investigation tools
 - Implemented T2 parking management solution 3rd party billing module to move monthly billing to T2 from the aging ScanNet system
 - Completed migration of Firehouse software solution, used to manage daily Fire department operations, to a cloud-based model
 - Began implementation of a tablet-based “Firehouse Medic” solution that will put real-time information into the hands of the EMT’s
 - Added connectivity to three remote fuel stations to bring them online with the automated fuel management system
 - Upgrade Water Department SCADA servers and assist in implementation of new control and management devices throughout the SCADA network
 - Upgraded both the physical infrastructure and software version of the City’s Microsoft Active Directory network
 - Upgraded the City’s NetMotion server to improve mobile connectivity to the network and to accommodate CJIS security requirements for Police department MDT’s.
 - Upgraded the operating system version on the Water department Springbrook server to help bridge the gap to the MUNIS Utility Billing implementation
 - Researched, set up hardware, and developed a process for the Legal department to record audio and video for the newly instituted adjudication court
 - Assisted City of Bloomington Township office with implementation of VisualGA case management software
 - Created telephone IVR call handling systems for Legal and Human Resources departments
 - Added Wi-Fi network access at Prairie Vista and The Den golf course club houses
 - Added users to the City’s GovDelivery and HootSuite solutions to allow increased Citizen outreach through email, text and social forms of electronic communications
 - Implemented the “myBloomington” citizen request management solution for Public Works, Community Development and Parks and Recreation service requests
 - Began the process of upgrading the US Cellular Coliseum Point of Sale system
 - Added door access control security for the Human Resources main entrance
 - Replaced approximately 70 end user desktops and laptops
-

Core and Local Area Network Uptime	99.99%	99.99%	99.99%	99.99%
Wide Area Connection (Remote Locations) Uptime	99.95%	99.00%	99.00%	99.00%
Internet Connection Uptime	100%	99.99%	99.99%	99.99%
Enterprise Applications Uptime	99.99%	99.99%	99.99%	99.99%
Network-Based File Storage Uptime	99.96%	99.99%	99.99%	99.99%

Challenges

- **Technological Pervasiveness and Staffing Level** – Almost every initiative, or project, within the City organization includes a technological component. Most initiatives actually depend heavily on technology for their success. The importance of technology in key projects and initiatives throughout all City departments continues to demand more Information Services staff time. While new initiatives require more staff time, the current systems also continue to need to be maintained. With current staffing levels, this increased work load may not be sustainable.
 - **Aging Infrastructure** – During FY 2016, more progress was made in upgrading key components of the City's network infrastructure. There are more core network components to be replaced, however, and staff will be continuing this process. Scheduled replacement of end user computing equipment will also be accomplished.
 - **Exponential Data Growth** – IS expects the City's data volume to grow exponentially this year due to ever increasing various forms of video and hi resolution photography. Police body-worn cameras, hi resolution GIS images and the sewer video inventory project are examples. Managing and protecting this data will require more infrastructure and management.
 - **Police Body-Worn Cameras** – Information Services staff will be heavily involved in researching, testing and managing the infrastructure for the body-worn camera initiative. It will be critical to ensure the infrastructure is ready for the increased data requirements and that the solution selected minimizes ongoing management requirements as much as possible.
 - **MUNIS Conversion** – Although modules within phases 1, 2 and 3 of the MUNIS Project have gone live, phase 3 is still in progress and phase 4 has yet to commence. The MUNIS project has been delayed due to overall City staff resource limitations. Information Services stands ready to kick off implementation of the Utility Billing module as soon as the green light is given. IS staff has been working with the MUNIS implementers in the background to lay as much ground work as possible for the kick-off of Utility Billing.
 - **Time Keeping/Scheduling** – Information Services staff will be heavily involved in the project of a new time keeping, benefits accrual and advanced scheduling solution. This critical project will require a significant of staff time.
-

Legal

10011710

The goal of the Legal Department is to provide the City of Bloomington with high quality legal services through its in-house attorney and designated on-site contractual attorneys that concentrate in municipal law. Through this legal team, the Legal Department facilitates the operations of the City and protects its interests. The Legal Department staff provides legal opinions to City officials on matters of federal, state and local law and represents the City in court and before administrative agencies. The Department also aids in the collection of accounts receivable due the City, assists with the negotiation of City contracts involving real estate and other vendor and construction contracts, as well as, intergovernmental agreements and collective bargaining matters, prepares City ordinances and resolutions and prosecutes violations of the City Code.

FY 2017 Budget & Program Highlights

-
- Focus on collecting City debts and enacting new City-wide debt collection practices
 - Advising the City in personnel matters, collective bargaining negotiations and employment benefit issues
 - Representing the City in litigation and litigation prevention
 - Prosecuting ordinance and related violations in Administrative Court
 - Addressing deferred legal work and projects including outstanding development issues
 - Updating City Code provisions.
-

What we accomplished in FY 2016

-
- The Legal Department fully implemented the City's Administrative Court system.
 - The Legal Department assisted with the implementation of new procurement procedures and created form contracts for use on City projects.
 - The Legal Department has assisted with various real estate deals.
 - The legal staff continues to work on expunging exempt information from responsive FOIA documents and successfully handling requests for review from the Illinois Attorney General's Office.
 - The Legal Department has represented the City in multiple lawsuits and administrative matters, including in front of the Illinois Liquor Commission.
 - The Legal Department has revamped the City's collection efforts on unpaid City taxes and is pursuing various tax collections.
 - The Legal Department began working with other Departments on the City's overall collection efforts and is working on a collection process.
 - The Legal Department has drafted numerous ordinances and resolutions, including:
 - An ordinance authorizing and licensing transportation network providers;
 - An ordinance updating the City's provisions and policies on public comment;
 - An ordinance updating the City's vehicle-for-hire regulations;
 - An ordinance updating parking fees
 - The Legal Department has prosecuted ordinance violation cases including nuisance abatement actions and housing code violations.
 - In FY 2015 a total of 1,944 ordinance citations were issued (exclusive of Property Code violations filed directly in court). From these citations, the City collected a total of \$216,611. The City has collected a total of \$82,729 thus far in FY 2016 (i.e., this constitutes seven months of citation payments). To date in FY 2016, a total of 696 ordinance violation tickets have been issued of which 336 have been filed in Administrative Court for prosecution. This total does not include 135 property code violations that may have also been filed in Administrative Court since April 1, 2015. Note that the number of behavioral citations being issued in comparison to previous years has decreased significantly (i.e., approximately 17%).
 - The Legal Department has assisted in the acquisition and/or demolition of distressed properties.
 - The Legal Department has assisted with the prosecution of underage liquor complaints.
 - The Legal Department has helped draft contracts and negotiated agreements to address legacy and outstanding development issues and policies.
 - The Legal Department has been involved in numerous employment disciplinary issues and reviews as well as the negotiation of several collective bargaining agreements. It is also handling numerous grievances and arbitrations.
 - The Legal Department has advised on numerous IMRF and other employment benefit issues.
 - The Legal Department has continued litigation oversight and reporting to the City Council.

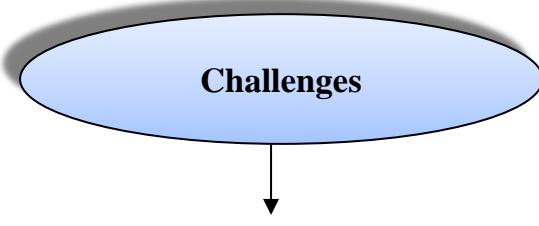

- The Legal Department has successfully worked with state agencies on administrative compliance and related matters.
 - The Legal Department is in the process of renegotiation with CIAM and worked on related Coliseum and CIAM issues.
 - The Legal Department is actively advising on ADA compliance and related issues.
 - The Legal Department is drafting new guidelines for the annexation of property to the City and has advised on several annexations.
 - The Legal Department advises on nearly all City contracts and answers related procurement and finance questions on a routine basis.
 - The Legal Department provides routine guidance to the Police Department on its legal issues.
 - The Legal Department initiated a process this year to provide routine guidance to the Zoning Board of Appeals and Plan Commission.
-

Challenges

The number of legal issues facing the City is extensive and requires a substantial amount of resources. Over the course of FY 2016, the City's Legal Department has increased the time and attention dedicated to addressing human resource issues, collective bargaining, police protocols, development issues, procurement of City contracts and various administrative and legal compliance issues. In sum, there has been a substantial amount of deferred legal work that is now being tackled by the reorganized Legal Department. The Legal Department is also handling three arbitrations involving Local 362 and four pending arbitrations involving Local 699, as well as, several employee grievances.

The City's Legal Department has one in-house attorney, George Boyle, and contracts with Sorling Northrup to provide other legal services. On average, through this contractual relationship, Sorling Northrup provides the full time equivalent of on average 2.6 full-time employees per month. To keep costs low, Sorling Northrup also discounts a number of hours. In FY 2015, Sorling discounted a total of \$166,971.69 and in the first five months of FY 2016, Sorling has already discounted \$77,086.25. This further does not include time not charged to the City for attorneys to participate in events like the Citizens Academy and Council retreats. The contractual relationship allows the utilization of attorneys as needed, without paying pension or related expenses, at a pre-set discounted rate. It also allows the City to utilize attorneys with needed expertise in a range of issues facing the City, including environmental and employment law.

Extensive outside counsel fees and resources were also required. This included work by: (1) Clark Baird Smith that is handling an interest arbitration award (and related litigation) regarding sick leave buy back; (2) Gardiner, Koch, Weisberg, & Wrona that is handling litigation initiated by the Devyn Corporation regarding the City's downtown TIF; and (3) Engler Callaway Baaston & Sraga that is handling an employee arbitration matter. Although not litigation related, Hinshaw & Culberston LLP is handling several matters regarding rail crossings with the Illinois Commerce Commission.

Maximizing the limited City's legal resources is a primary challenge and goal of the Legal Department. This need to maximize resources is coupled with increased demand in several key areas, including code enforcement, labor and employment, and outstanding development issues. To accomplish this, the Legal Department established an administrative court with the goal of requiring less legal resources for prosecutions, ease of access for the constituents of the City and the ability to keep and collect more of the fines being levied. The administrative court is also helping the City reach the goal of ensuring code violations are properly addressed and remedied in as an efficient manner as possible.

The Legal Department also faces an increasing demand for liquor license monitoring for compliance and the prosecution of licensees who sell to underage persons or whose operations pose a threat to public safety.

The demands of requests made under the Illinois Freedom of Information Act continue to be a challenge. The Legal Department has historically been required to review the responses to a large number of FOIA requests prior to the release of any information. Police reports, like many others, require the exemption of confidential information in order to protect citizens from violations of privacy (particularly identity theft), reprisals by gang members and others against persons who supply information to police, and to safeguard pending criminal prosecutions. In addition, there has also been an increase in the number of Request for Reviews of FOIA request responses from the Illinois Attorney General's Office (requestors can have the Attorney General's Office review the City's denial of their request). These reviews require significant time briefing legal arguments and researching authority. Historically, this took almost all of the time of a full-time attorney as well as part of the time of support staff. To address this issue, the reorganized Legal Department trained every department within the City on procedures for handling FOIA requests and successfully transitioned some of the initial work and redactions to the City Department that is the subject of the request. This allows Legal Department staff to concentrate on other pressing legal issues facing the City and thus maximize the City's resources.

A final challenge to the Legal Department is updating and working with the antiquated City Code. Many of the ordinances governing the City's operations are not only outdated, but also lack clarity and incorporation of updated legal principles. These are currently addressed on a case-by-case basis including this years proposed revisions on public comment, FOIA, procurement, towing and related provisions. The City's ordinances on ethics and many other development and zoning related provisions are in need of updating. Establishing a system of codification of the City's ordinance remains a priority of the Legal Department.

Parks, Recreation and Cultural Arts Administration

10014105

The department includes six divisions: Administration, Parks Maintenance, Recreation, Golf, Zoo and Bloomington Center for the Performing Arts (BCPA).

Administration consists of the Director, Assistant Director, Office Manager, Marketing Manager, Marketing Associate and two Support Staff positions. This division sets priorities, allocates resources and provides direction and support to all the divisions, which offer hundreds of recreational, cultural and educational programs. Administration also provides administrative support, customer service, budget, long-range capital improvement planning, and prepares reports for Council consideration, as well as conducting specialized research and analysis.

The Parks, Recreation and Cultural Arts Departments include 65 full-time employees and hires up to 250 seasonal employees each year.

FY 2016 Budget & Program Highlights

- Continued to review and look at additional avenues to increase or implement new revenue streams.
- Put into place a Street Banner Program to capitalize on advertisement for the Department as well as organizations/businesses that want to rent out the space.

Funding Source

General Fund 84.35%, Fees 15.65%

What we accomplished in FY 2016

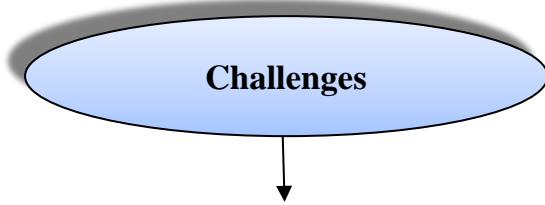

- The Director of the Department was hired in April 2015 with dual roles. When this position was offered/accepted, it became an unprecedented event. The Director oversees the Department as a whole and is also the Superintendent of Miller Park Zoo.
- An Assistant Director was also hired. This position was eliminated in the cutbacks of 2009. This hire was made possible after the Superintendent of Recreation retired. The retirement allowed funds to be picked up from the Recreation Division and the Assistant Director oversees the Recreation Division as well.

Revenue & Expenditures

Parks Administration	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Expenditures				
Salaries	\$336,494	\$363,221	\$373,520	\$411,777
Benefits	\$186,497	\$130,405	\$140,862	\$156,635
Contractual	\$53,023	\$32,747	\$32,885	\$40,779
Commodities	\$737	\$1,250	\$750	\$7,289
Department Total	\$576,751	\$527,623	\$548,017	\$616,480
Revenues	\$82,063	\$85,430	\$77,160	\$96,500
General Fund Subsidy	85.77%	83.81%	85.92%	84.35%

Performance Measurements

Parks Administration	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
<i>Inputs:</i>				
Department Expenditures	\$576,751	\$527,623	\$548,017	\$616,480
<i>Outputs:</i>				
Department Expenditures per Capita	\$7.53	\$6.89	\$7.15	\$8.05

-
- The Parks, Recreation and Cultural Arts Department continues to look for ways to lower subsidies in all divisions as the budget continues to be the focus front and center.
 - The Parks, Recreation and Cultural Arts Department continues to struggle recruiting and retaining seasonal employees. Seasonal employees are critical in deriving revenues and providing quality of life services. It is becoming more and more difficult due to current wages that are being offered and the limited hours that can be offered due to the constraints of IMRF and Health Insurance benefits.
 - The Parks, Recreation and Cultural Arts Department continues to struggle balancing reductions to the budget with the reduced revenue such reductions can cause.
-

Parks Maintenance

10014110

Purpose
(Why does this division exist?)

The Parks Maintenance division helps support the many educational and recreational opportunities throughout Bloomington. Parks Maintenance consists of the forestry, horticulture, utility and maintenance divisions. The Forestry division is responsible for all trees on City property. Park staff takes pride in providing a safe, functional and clean environment in all parks, trail areas and public buildings. The Department also assumed the responsibility of maintaining all City right-of-ways and provides physical support to all City Departments and field maintenance support to more than 20 athletic groups. The Parks Division also assists both school districts with playground installation.

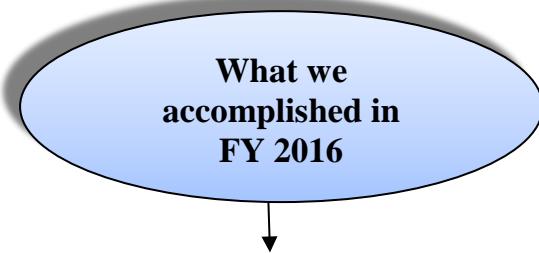

The City's current park system contains 38 parks, 6 public buildings, 3 spray parks, 2 swimming pools, 5 lakes, and 30 miles of trail. We also have a 60-acre soccer complex, a skate park, a public ice skating rink, 3 golf courses and a zoo.

FY2017 Budget & Program Highlights

- Continue to provide a quality park experience for all visitors
- Provide high quality maintenance that is both cost effective and timely
- Remodel Miller Park East Restroom
- Replace carpet at Miller Park Pavilion Senior Center. Current carpet is 20 years old.
- Upgrade alarm systems at Miller Park Pavilion and Lincoln Leisure Center. System is 25 years old and is failing, causing false alarms and call outs. System is currently leased, staff recommends owning new equipment to reduce cost.
- Continued Aquatic vegetation management in City lakes and retention ponds; 15 locations.
- Complete Friendship Bridge structural study and repairs. Historic bridge needs evaluated for safety.
- Continued Emerald Ash Borer treatment program. Returning to 96 trees treated in 2014 for 2 year cycle.
- Support of City Departments.
- Development of tiered seasonal training and improved wage scale.
- Projecting 9,484 park mowing man hours and 2,493 right of way mowing man hours.
- Replacement of knuckle boom. The unit is 23 years old and is the only remaining blue unit in City Fleet.
- Phase II Route Beautification Program

What we accomplished in FY 2016

- **Continued Downtown Bloomington beautification** - Worked in cooperation with Downtown Bloomington Association. The focus area was around the downtown square.
 - **Prairie Seeding at Ewing III** - In cooperation with John Wesley Powell Audubon Society a second new prairie was installed at Ewing III parks.
 - **Restoration of Big Gun and Cannon at Miller Park** - The big gun and cannon at Miller Park was restored and painted to original colors in cooperation with a veteran's volunteer groups.
 - **Treated 177 Ash Trees for Emerald Ash Borer** - Staff identified and treated 177 park and street specimen ash trees. The trees are treated with Tree-Age, the most effective chemical for EAB treatment at this time. Treatment must be done every other year. This is the second treatment for trees initially treated in 2013.
 - **775 total trees removed, 475 ash** - The Forestry division has seen significant increase in the number of dead Ash trees over the last 5 years due to the Emerald Ash Borer. All untreated ash trees will need removal at some point.
 - **Planting of 610 Street and Park Trees** - All removed trees in an eligible location were replanted. We continue to work to increase species diversity of our Urban Forest.
 - **Continued strong beautification program** - Staff continued to plant and maintain flower beds and hanging baskets throughout the city. Staff maintained 130 acres of native Illinois prairie through ecological mowing and prescribed burning.
 - **Route 9 Beautification Program** - Medians at focal corner of Veterans Parkway and Route 9 were designed and landscaped by Horticulture staff.
 - **Remodel Forrest Park Bathroom** - The restrooms at Forrest Park were designed and remodeled by Utility staff.
 - **Tennis Court Resurfacing** - In a joint project with district 87, 4 tennis courts were resurfaced at Bloomington High School.
 - **Concession Stand Roof** - The roof on the concession stand at Miller Park was removed and replaced by the Utility Staff.
 - **Ewing Park IBA** - Ewing Park was nationally recognized as an Important Bird Area by the National Audubon Society, reflecting years of work by the parks staff and Audubon volunteers.
 - **New Building Automation System** - A new building automation system was installed at the U.S. Cellular Coliseum.
-

Ash Tree Removals	565	500	460	500
Planted Trees	631	600	610	600

Challenges

Seasonal wage scale. The current seasonal wage scale makes hiring and retention of quality part-time employees difficult. Many talented individuals choose to work for other organizations who pay higher wages.

Increased mowing and right of way location. Locations and acreages continue to increase every year.

East Side Satellite Facility. Current park maintenance center is in southwest Bloomington. Drive times to east side parks with equipment can be up to 45 minutes one way.

What else do we do?

-
- Mowing and maintenance of 771 acres of park turf
 - Mowing of 158 right-of-way (ROW) locations
 - Athletic field preparation for softball, baseball, football and soccer
 - Chemical and turf management program
 - Management of 130 acres of native Illinois prairie
 - Installation and maintenance of all public flower beds and baskets on City properties
 - Swimming pool and spray park maintenance
 - Aquatic vegetation management at City lakes and retention ponds
 - Daily cleaning and setup of all rental facilities
 - Daily garbage pickup at park locations
 - All playground and building maintenance
 - Beautification of Downtown Bloomington and Adopt-a-Pot program maintenance
 - Tree maintenance, which includes removal as needed, pruning, chemical treatment and replanting of all park and public right-of-way trees
 - 24 hour 365 days a year storm damage and hazard tree response
 - HVAC inspection and maintenance at 6 public buildings, the golf courses and the zoo
-

Recreation

10014112

The Recreation Division of Bloomington Parks, Recreation, and Cultural Arts Department encompasses recreation programs, the Special Opportunities Available in Recreation (S.O.A.R.) program, aquatics and the Pepsi Ice Center. There are separate budgets for each area. This budget covers year round recreation programs for individuals of all ages in a variety of areas including arts, sports, special interest, camps, seniors, concert, and special events. The Parks & Recreation website, www.bpard.org, contains the seasonal program guides which list all the programs offered. The various programs offer physical, social and mental benefits.

The Recreation Division operates with 4 full-time staff members under the direction of the Assistant Director and Director of Bloomington Parks, Recreation & Cultural Arts. Programs are held at the Lincoln Leisure Center, Miller Park Adult Center and City Parks. Staff relies on schools as indoor facilities for other programs.

```
graph TD; A([FY 2017 Budget & Program Highlights]) --> B([Challenges]);
```

**FY 2017
Budget & Program
Highlights**

-
- More opportunities for youth, preschool and adult sports were added.
 - Continue to offer safe, quality programs for a variety of age groups.
 - Continue to offer some free family special events and free concerts.
 - Offer programs that benefit individuals mentally, socially and/or physically
 - Provide fee assistance for those unable to pay full price for fee based programs.
 - Continue to operate Lincoln Leisure Center, Miller Park Adult Center and Miller Park Miniature Golf Course.
 - Continue the After School Sports Program to offer an affordable opportunity to participate in sports for youth in 4th and 5th grade who otherwise might not be able to do so.
-

Challenges

-
- There is a **need in the community for affordable programs** that improve the quality of life. It's difficult to keep up with the demand when current staff is working at more than one capacity.
 - There is a need for **facilities** on the east side of Bloomington. The only indoor locations owned by the department are west of Main Street while the majority of the community lives east of Main Street. A Community Center for all ages is needed.
 - Program **participants are inconvenienced** due to last minute school functions that prevent our programs from using the facility or lack of access to the buildings after staff have left for the evening. While our relationships with the schools are great, it is difficult to plan and offer programs using their facilities.
 - **Free special events:** We have been noted in the past for the free special events including concerts and theatre productions. Unfortunately, these were some of the first programs to be cut due to budget concerns. Some citizens can't afford program fees, but can enjoy the free events. Some of the free events that we have not offered for the last four years are: Christmas in the Park, Easter Egg Hunt, Family Fun Night in Miller Park and Irish Awakening.
 - **Budget cuts to programs** affect the revenue that is brought in with those programs and revenue cannot be increased to compensate cuts and when the quality of the location or program equipment cannot be increased without funding.
-

Staffing Comparisons

- Bloomington Parks, Recreation & Cultural Arts - 6 full time. Population 78,920 (2013)
- Normal Parks & Recreation - 9 full time. Population 54,664 (2013)
- Champaign Park District, Rec Division - 14 full time staff. Population 83,424 (2013)

**What we
accomplished
In FY 2016**

-
- Continued to offer free summer concerts downtown for a Lunchtime Concert series and weekly evening concerts at Miller Park and Franklin Park.
 - Received a \$3,515 grant from the Illinois Arts Council for summer concerts and the Penguin Project. Wrote a grant for the next FY and have been awarded \$3,650.
 - Received funding from Calvert & Metzler Memorial Homes to sponsor several concerts.
 - Collaborated with Community Groups to offer larger special events (i.e. Fleet Feet, YWCA, Town of Normal & more).
 - Provided a wide variety of introductory programs (sports, music, dance, special interest) for the citizens of Bloomington, including some free events.
 - New programs were added to the mix of popular usual programs throughout the year.

- Staff continued to be actively involved with the McLean County Wellness Coalition promoting efforts to make Bloomington-Normal a healthier City.
- Distributed three program guides to promote the department programs and activities.
- Continued to offer programs for our youngest population, preschool and parent/child, which continue to be in high demand.
- Continued to operate the Lincoln Leisure Center, the Miller Park Adult Center and the Miniature Golf Course in Miller Park.
- Used volunteers and interns in a variety of capacities.
- Started a long term plan of moving Recreation into the future.
- Reached out to about 5,000 community members through health and information fairs. Promoting programs within the department and the City as a whole.
- Fundraising efforts were created to raise money to help individuals participate in programs that cannot otherwise due to financial restraints.
- Offered affordable childcare programs to parents when schools are out of session.

What else do we do?

-
- Employ a large number of teens and college students as sport instructors and assistants, day camp counselors, mini golf attendants, special interest class instructors and more
 - Offer introductory sports programs that are safe for all fitness levels
 - Offer programs that help develop youth by teaching them constructive skills, giving them a chance to develop positive relationships, help them build on academic skills, keep them healthy and more
 - Operate an Adult Center for individuals 55+ weekdays from 9:00 a.m. to 2:30 p.m. in the lower level of the Miller Park Pavilion.
 - Operate a Miniature Golf Course in Miller Park from the beginning of May to the middle of September.
 - Plan, implement and evaluate a wide variety of special events as well as skill development programs for individuals of all ages (parent/child, preschool, youth, teens, adults, older adults, and families)
 - Contract with outside vendors (i.e. Gymnastics Etc., sports officials, adult fitness) to provide some programs and activities
 - Conduct an Afterschool sports program geared toward young people who might not have or be able to afford any other sports opportunity
 - Scholarships are provided to families and participants to allow all individuals the opportunity to participate
 - Promote community unity and pride amongst citizens through events, contest and community outreach
-

Community Comments

-
- 1) “The coaches were fabulous. My kids learned new skills and had lots of fun.”
 - 2) “Learning age appropriate skills in a fun way.”
 - 3) “Organized, fun, kind staff”
 - 4) “Gives my son structure, something to look forward to, meet new people”
 - 5) What did you like most about the program? “My daughter’s smiley face”

Post program survey averages taken from 600 responses to Special Interest and Sports programs.

99% of participants enjoyed themselves at programs

97% of participants believe the program is priced right

88% of participants felt safe and welcome

Aquatics

10014120

Purpose
(Why does this division exist?)

The Aquatics Division of Bloomington Parks, Recreation, and Cultural Arts Department operate two outdoor swimming pools (O'Neil and Holiday) plus a boating concession at Miller Park.

The aquatics programming includes:

- Daily public swim sessions
- Swim lessons offer life-saving skills
- A competitive swim team that competes in the Twin City Swim Conference
- Lifeguard and safety training classes
- Low-impact exercise
- A paddleboat concession at Miller Park Lake on weekends and holidays from noon to 5 p.m., Memorial Day through Labor Day.

The pools are open daily from Memorial Day weekend through Labor Day weekend (one pool closes the middle of August each year while the other one stays open through Labor Day). In FY 2017, O'Neil Pool is scheduled to stay open through Labor Day with Holiday Pool closing in mid-August.

**FY 2017
Budget & Program
Highlights**

Help make our City family friendly through access to affordable, family-oriented activities.

- Sell season passes at an individual rate which is more affordable for families
- Work with non-profit youth groups to offer them a discounted rate for daily admission
- A place for healthy family fun and socializing
- Staff provides the highest quality of surveillance, education and guest experiences possible

Offer alternative choices for entertainment and recreation:

- Offer open swim daily, weather permitting, from Memorial Day through Labor Day
- Offer morning and evening swim lessons at both pools
- Aquatic staff will provide leisure and recreational opportunities for residents and guests
- Offer a swim team
- Operate a paddleboat concession at Miller Park

Funding Source

General Fund 57.76%, with the remainder from Activity Fees, Admission Fees, and Concession Revenues

**What we
accomplished in
FY 2016**

-
- The 2015 Aquatic Season saw a 4% overall increase in revenue and a large account is from a 14% increase in programing revenue.
 - Between swim lessons, swim team and safety classes we saw a large number of new and returning participants in our programs.
 - Miller Park paddle boats saw an 8% revenue increase.
 - Pool pass sales were up 11% at O'Neil and down 8% at Holiday, bringing in \$875 less than summer 2014.
 - With the large number of participants going through our swimming classes, we were able to teach lifesaving skills to many members in the community.
 - Holiday and O'Neil pool continues to open an hour early for the public this summer.
 - Summer 2014 served as a solid benchmark for future summers. Summer 2015 matched and exceeded benchmarks.
 - Staff continues to see loyal families returning year after year and new families discover the great opportunities of swimming that Bloomington offers.
-

When Pool Users are surveyed, here is what they had to say:

92% felt pool passes were priced just right.
8% felt pool passes were priced too high

54% felt daily admission was priced just right
18% felt daily admission was priced too high

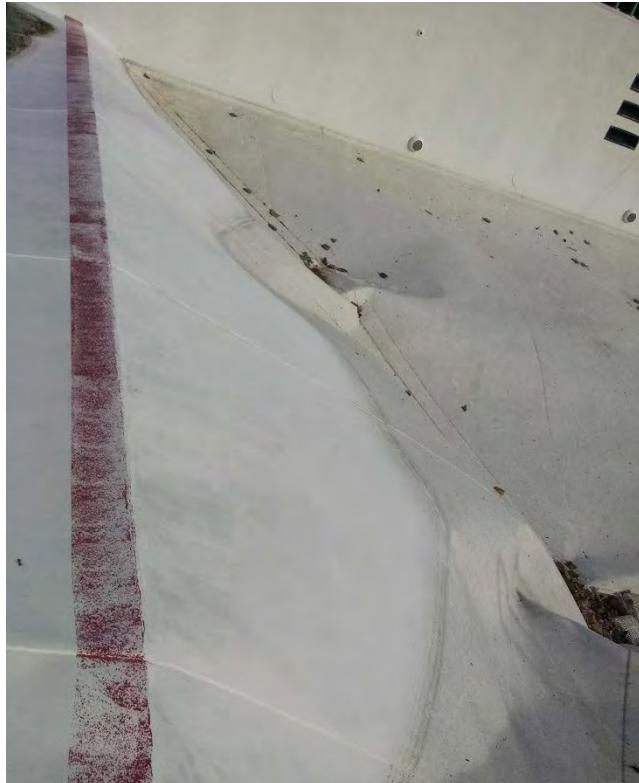

47% were not impressed with the pool features

100% felt safe at the pools

“O'Neil is perfect for small children learning to swim because of the depth of the shallow area. However, it lacks any water play for that age group. The baby pool area is sad! Holiday has a great baby pool area, but I wish it had diving boards too. Again, lacking.”

Challenges

- **Both aquatic pools have existed in this community for 40 plus years.** O'Neil celebrated its 40th birthday in 2015. This was a huge accomplishment as it has never had any major renovations or updates related to the pool. Holiday has been serving the city for over 45 years.
- **The filtration and chemical systems for O'Neil Pool** were installed when the pool was built in 1975 and need to be replaced in the near future. A facility assessor has recommended replacement in 2015. A large crack was found in the filter in 2015. This expense is not budgeted, but should be considered with the capital budget expenses.
- **Attendance at O'Neil Pool** historically is low on the weekends and in the evening. Attendance during the day is strong due to the use of the facility by non-profit groups.
- **Cracked and peeling paint:** Due to a few factors, large chunks of paint are peeling off the side walls at O'Neil and Holiday Pool and in isolated areas on the floor of the pool. A new paint job is needed to preserve the pool. The bare aluminum walls will corrode if not painted. Multiple tears in Holiday's pool floors were discovered and the extent of repairs is unknown, a new pool liner may be required as part of the repairs.
- **Update features:** O'Neil Pool needs to be updated with spray features and other elements to make it more attractive. A major renovation must be kept in the capital improvement budget. Holiday needs a small update to its features to attract new families and retain current users.
- **Leaks continue** at O'Neil Pool. The location of the leak was unable to be determined, but O'Neil experienced a rapid loss of water during the summer. Since the pipes are original with the filtration system in 1975, it is an educated guess that there is a crack in the 40 year old pipes under the pool.
- **Lifeguard staffing** has become more and more difficult to recruit. The number of applications received each summer for employment continues to decrease and retaining quality staff is difficult with the current pay rate.

Bloomington **Center for the** **Performing Arts**

10014125

Purpose
(Why does this division exist?)

The Bloomington Center for the Performing Arts (BCPA) is currently in its ninth presenting season. Since reopening in 2006, the BCPA has attracted audiences from over 25,000 households, with 19,247 from within a 30-mile radius. Of that audience, 14,965 are from Bloomington/Normal, 494 are from Peoria and another 452 are from the Champaign/Urbana areas. Since 2006, the BCPA has attracted audiences from 716 Illinois communities, 45 states and six foreign countries, highlighting its value as an ever-growing tourist attraction and influence on the cultural life of the community. The facility also provides a significant community service as a venue for wedding receptions, seminars, civic fundraisers, social events and community meetings. The annual visiting artist series offers 30 to 40 performances and this past year the BCPA was used for 552 events and activities. The BCPA is also home to over 20 area performing arts ensembles.

Authorization

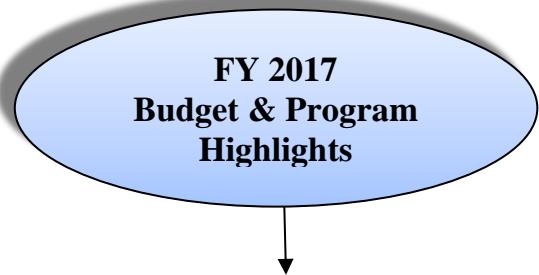

The City of Bloomington Parks & Recreation Department and its related activities have been codified in Chapter 19 & Chapter 31 of the City Code

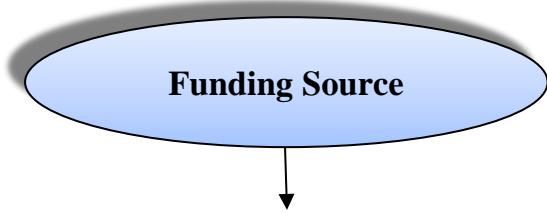

The BCPA presented its seventh series of outdoor concerts on the CEFCU Summer Stage in 2015. This year saw the inception of the Bloomington Beer Fest as Bruegala, the craft beer festival done in conjunction with the Bloomington/Normal Jaycees, was moved to a larger location. BCPA staff recognized the economic impact this annual event has had within the budget and elected to undertake a similar beer tasting/music concert. This year's two-day festival was attended by about 3,000 people and grossed around \$68,000 in gate and tasting punch card sales. Ten area not-for-profit organizations shared in the \$10,000 of surplus revenue.

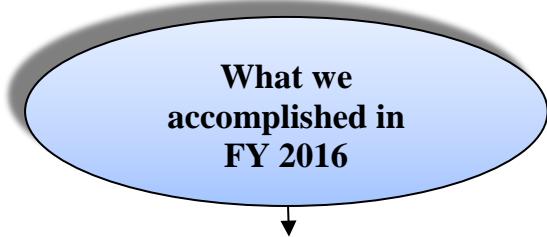

**FY 2017
Budget & Program
Highlights**

- The City allocates a portion of the Home Rule Sales Tax to the BCPA. In FY 2017, \$1.7 million of Home Rule Sales Tax will be allocated to the BCPA.
 - Staff has made significant changes regarding the workload of full-time employees at the BCPA, resulting in fewer full-time staff members. One staff member retired during FY15 and a second at the beginning of FY16. Only one of those positions has been filled. Additionally, 3 other staff members left during FY15 for other jobs and, again, only one of those positions has been filled.
 - The addition of a BCPA gift shop will provide a new revenue stream. This is being initiated as a result of continual requests from patrons and particularly attendees to Backstage Tours.
 - The addition of spill-proof cups now allow patrons to bring beverages into the theater, thereby increasing concession revenues.
 - As part of the restructuring of the City's seasonal salaries, the BCPA's line item for seasonal salaries shows an increase from the previous budget. Additionally, on May 12, 2014, the first contract with the International Alliance of Theatrical Stage Employees (I.A.T.S.E.) went into effect, increasing the projected salaries paid to BCPA stagehands by 63%. BCPA stagehands are still paid less than in other area venues governed by a Union contract but they are now in the realm of the prevailing wage.
 - The BCPA will launch an education program during FY17 that will include classes and workshops offered year-round. The initial general overview theatre classes will be separated by age groups with a plan to later specialize according to ability.
 - The BCPA will make bond payments totaling \$1,028,781 (principal and interest) during FY 2017 to the General Obligation Series 2004 and General Obligation Series 2005 bond issuances for renovation of the BCPA. This is an increase of \$90,707 over the amount paid during FY 2015 due to an increase in the variable bond.
 - The Performing Arts building needs tuck-pointing and sealants at a cost of \$260,000. This project may be completed over a four-year period at a cost of \$65,000 per year.
 - The Friends of the BCPA, a 501©3 entity organized to raise private funds for the Creativity Center project; seed and grow an endowment; and raise added funds to reduce the city subsidy to the BCPA became a reality during FY16. Conversations currently underway include the planning and implementation of an annual fundraising event and the identification of a lead donor for a renewed effort to complete the fund sourcing needed for the Creativity Center.
 - The Creativity Center Design, approved FY 2010, is being re-thought with an eye toward making the HVAC system more environmentally responsible. Fundraising efforts, spearheaded by the newly formed Friends of the BCPA, are ongoing in FY 2016.
 - Staff will continue to make improvements to the Miller Park Stage to ensure the stage is appropriately outfitted and organized to handle set pieces and equipment for the summer musical programs. This initial investment will bring long-term savings to the program through an organized, uniform creation of materials that will allow staff to reuse stage equipment and set pieces.
 - The Student Spotlight Series attracts over 7,000 students from across Central Illinois each year.
-

Funding for BCPA programs and operations is provided, in part, by a portion of the ¼ of 1% Home Rule Sales Tax instituted for this purpose. Revenues generated in both the BCPA and the Creativity Center come from sources including ticket sales, facility rentals, user fees, grants, sponsorships, memberships, class fees and donations

-
- The BCPA total attendance in FY 2015 was 85,269 for 532 events.
 - Total ticket sales as of October 28, 2015 for the 2015-2016 season are \$300,566.
 - As of October 28, 2015, 9,529 tickets have been purchased for the 2015-2016 season main stage events with an additional 1,014 tickets being held in consignment.
 - Many of the light bulbs currently used at the BCPA have been phased out as part of federal energy guidelines. New systems afford significant energy savings, allowing the BCPA to recover costs with electricity savings and reduced expenses for the purchase of gels, etc. Additional grant support for these purchases will be sought out in the second half of FY16. In FY 2014, the BCPA received \$2,761.85 in grant money for this project. For FY 2015, the BCPA received a grant in the amount of \$2,019.60. The replacement of the bulbs and fixtures continues to save the City over 54,140 kilowatt hours per year.
-

Number of “Cultural” events presented ²	9	5	7

1. These items include media sponsorships from: The Pantagraph, WGLT, and Radio Bloomington. Generally Accepted Accounting Principles require the City to assign a fair market value to all trades and sponsorships.
2. Including world, classical, and jazz music, and dance.

*increase reflective in part by retaining entire revenue generated at Bloomington Beer Fest

“As an early childhood educator, I can attest to the fact that the arts--both visual and performing--are vital to encouraging literacy, mathematics, physical and overall brain development. Music and visual arts help increase the development areas of the brain. Participation in performance art is one way to learn discipline and combat the obesity threat to otherwise sedentary children. Those are the issues closest to my heart. The well-heeled of our community have always and will always have access to fine arts, but City-sponsored programming like a free musical in Miller Park can play a huge part in creating an appreciation in less-fortunate citizens for whom a family's worth of full-price tickets or a trip to Chicago would be financially out of the question.”

Christie Vallela, M.Ed., Educator & Arts Advocate

“The BCPA is one of the Crown Jewels of this community. It offers a wide variety of not only entertainment but educational value as well. Most venues such as this are only found in large cities so it is unique that we have and support this art in our community.”

Marsha Puyear, Community Volunteer

“Economic Engine for downtown, regional economic impact on the entire community in excess of two million dollars and the most wonderful venue for artists...from beginning students to seasoned professionals...in which to perform. Bravo, City of Bloomington, for getting it right!”

Sal Viviano, Broadway & Concert Performer

Challenges

- **Workload** – Full-time staff continues to take on more responsibility and also seek ways to save and make more money to support the mission. Our programming is now year-round, with Miller Park Summer Theatre and outdoor concerts filling the summer months, in addition to prep work for other events and programs.
- **Programming** – We continue to monitor the national economy and local school funding to evaluate a proper balance of programming and we continue to develop new partnerships to support our existing programming and minimize financial risk. The state budget has been a challenge relative to response time from schools reserving Spotlight Series shows as well as to what we might expect from the Illinois Arts Council in terms of grants.

What does the BCPA do for Bloomington?

We are financially responsible in the management of our programs.

- The BCPA institutionalized a Premier Event seating chart during the 2012-13 season to maximize the price for prime seating and reduce the price in zone three. The combination has allowed the BCPA to achieve revenue goals while lowering prices in Zone 3 to better provide access to people on a tighter budget including students who can purchase a Zone 3 seat to most BCPA events for \$20 or less.
- The BCPA acquired a liquor license and began its own beverage concession sales in 2011 to generate additional revenue.
- A spill-proof cup now sold through concessions allows patrons to bring beverages into the theater which encourages additional beverage sales.
- The BCPA brings in nearly \$250,000 in in-kind trades annually from media organizations and other area businesses, extending the promotional and programming budgets.
- The BCPA has 192 dedicated volunteers who work as ushers and in a number of other capacities. The volunteers staff over 70 public events at the BCPA annually, contributing approximately 8,630 hours (4 FTE) support to the program, a \$191,060 value to the BCPA.

We play a vital role in supporting and enhancing the Downtown area.

- Based solely on ticketed events (demographic information is not collected for the numerous visitors who come to the BCPA for non-ticketed and general admission events, including some outdoor concerts, wedding receptions, meetings, and other similar events), the Bloomington/Normal Area Convention and Visitors Bureau estimates the BCPA's economic impact on the community at \$1,014,840. Using an arts-specific economic calculator, Americans for the Arts estimates the BCPA's total impact at over \$5 million, including expenditures by patrons and the income by the 148 FTE jobs supported by BCPA programming during the year. The BCPA has been actively involved with Downtown Bloomington Association initiatives since FY15, continuing the opportunities for new visitors during events such as First Fridays and the Lincoln Walk. In FY15 & FY16 a mural created by local artist, Jeff Little, was painted inside the Creativity Center and then moved to its installation location several months later at the corner of Market and Center Streets.

The BCPA provides programs for everyone and contributes to the quality of life in the community by offering a variety of choices for entertainment and recreation.

- The BCPA offers a wide range of programming to cater to all ages and socio-economic backgrounds. The calendar includes popular entertainment as well as programs of interest to children, minorities, and community members whose arts interests include modern dance, jazz, world music, etc.
- The BCPA strives to make its equipment, industry contacts and personnel available to other local not-for-profits to help enhance community events.
- The BCPA produced the free Miller Park Summer musical which welcomed approximately 4,200 people to Miller Park for five performances in July and August.
- The Summer Theatre Program engaged over 75 members of the community to perform onstage, backstage and in the 12-member orchestra.
- The BCPA Programming Committee includes members from a wide range of demographics and socio-economic levels to ensure programming that represents the City's diverse population.
- The average ticket price is \$28-\$30 for the season, a rate that makes it easier for people to afford to attend more than one event. With the mix of inexpensive family programming, top performers in concert and other popular entertainment, the BCPA offers a diverse range of appealing events and activities.
- Through the Angel Ticket Program, the BCPA works with numerous area social service organizations, including Big Brothers, Big Sisters and the Western Avenue Community Center, to provide underprivileged residents with over 500 complimentary tickets to our events annually.

The BCPA enhances educational opportunities.

- The BCPA's Student Spotlight Series attracts over 7,000 students from across Central Illinois each year.
 - The Student Spotlight Series helps teachers meet Illinois Common Core Standards on a wide variety of subjects, including Performing Arts, English Language Arts, History, Science and Math.
 - The BCPA is also involved in education programs within the schools and works in conjunction with the Community Educators Group of McLean County.
 - The BCPA's Spotlight Theatre Workshop, a required activity for all Miller Park Summer Theatre participants under the age of 16, enjoyed a third year of growth. The Workshop offered theatre program participants an opportunity to learn about the elements that go into developing a theatre piece and included classes in acting, set building, choreography, vocal music and costuming.
 - Rehearsals continue to be held in the Creativity Center for Celebrate America and Holiday Spectacular. The Creativity Center is currently being utilized as a place where the Walk In, Bike Out group is refurbishing and storing bicycles over the winter months. BCAI School of Arts has begun dance classes for economically disadvantaged youths and adults.
-

Since re-opening, the BCPA has partnered with a number of vital community organizations, including:

- McLean County 4-H
- Abraham Lincoln Association
- Altman's Billiards & Barstools
- Area Arts Roundtable
- BCAI School of Dance
- Big Brothers, Big Sisters
- Bloomington-Normal Area Convention & Visitors Bureau
- Bloomington/Normal Jaycees
- Bloomington Public Schools, District 87
- Challenger Learning Center
- Champaign's Blues, Brews and BBQ Festival
- Children's Discovery Museum
- Central Catholic High School
- Cornbelters Baseball
- Country Financial Activities Department
- Crossroads Area Home School Association
- David Davis Mansion
- Downtown Bloomington Association
- Economic Development Council of the Bloomington-Normal Area
- First Presbyterian Church, Normal
- Fox & Hounds Hair Studio & Day Spa

- Sound of Illinois Chorus
- Specs Around Town
- WGLT-FM
- WILL-TV
- WTVP-TV
- All area Kiwanis groups
- All area Rotary group

What is the Creativity Center?

The Creativity Center was envisioned as a place where current arts students and practitioners functioning in inadequate rooms could have better experiences through enhanced study, rehearsal and performance spaces. This will be a place where a wide variety of community performing arts groups can come together as stakeholders in a Common Shared Home. But it can be so much more. It can be a place where, through arts education, disenfranchised people can find their value and their voice. When people understand what it is to create, they will be less likely to destroy. Newcomers to the creative process will soon understand that they can have a positive impact on their community.

BCPA staff and supporters continue to work on the development of a Creativity Center for arts education. We currently rent rehearsal, storage, and office space within the Creativity Center and BCPA to the Pantagraph Holiday Spectacular as well as an improv acting workshop, private piano lessons, instruction in stringed instruments, dance classes and more. For the third year the Creativity Center has also served as home to the rehearsals for the Miller Park Summer musical (now produced by the BCPA) and the third annual Spotlight Theatre Workshop, a mandatory program for all summer musical participants under the age of 16. BCAI School of Arts recently began meeting in the Creativity Center and local visual artists recognize the value of the building as a place where they can work on outdoor art before it gets moved to its permanent location.

Plans are still underway for the privately funded renovation of the Cultural District's Creativity Center. Architects from Farnsworth Group were hired in early 2010 and completed the initial designs for the project, including a plan that will allow renovation of the building to be completed in phases as donations are received. Over \$1 million has already been raised toward a \$4.2 million goal.

Miller Park Zoo

10014136

Purpose
(Why does this division exist?)

The Miller Park Zoo is primarily a zoological collection featuring over 600 animals from all over the world. The Miller Park Zoo is an accredited member of the Association of Zoos & Aquariums (AZA) and participates in many conservation breeding programs for rare and endangered animals. Many exhibits and programs are enjoyed by a wide range of guests. The Zoo features many large indoor and outdoor exhibits including a Tropical America Rainforest, Zoo Lab, Katthoefer Animal Building, Wallaby Walk About, Children's Zoo and Animals of Asia.

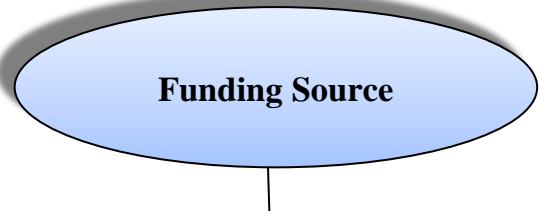

The Miller Park Zoological Society is a non-profit organization dedicated to supporting the rich history of the Miller Park Zoo through fundraising, education and community outreach. The Society works closely with staff to make the Zoo a better place for the animals, guests and staff. Two Miller Park Zoological Society employees are currently based at the Zoo and are compensated solely by the Zoological Society.

The Ewing Zoo Foundation also provides support to the Zoo. This foundation has supported capital projects in the past and currently assists with funding acquisition and shipping costs for animals being added to the collection. This arrangement allows the Zoo to acquire animals and keep a diverse collection for its guests without utilizing operational funds.

**FY 2017
Budget & Program
Highlights**

-
- Zoo staff will provide leisure and recreational opportunities for residents and guests.
 - “Green sustainable” concepts will be incorporated around the Zoo.
 - Existing programs will be enhanced to increase attendance and awareness of the Zoo.
 - Staff will provide the highest quality animal care, education, animal programs and guest experiences possible.
 - The staff expects to welcome over 100,000 guests to the Zoo.
-

Funding Source

General Fund 47.12%, Fees 52.88%
Admission prices: \$6.95 for adults, \$4.95 for seniors and youth, Under 3 are free

What we accomplished in FY 2016

-
- Two Snow Leopard cubs were born. Their mother did not show the behavior necessary for the cubs to survive so staff pulled them for hand-raising. This litter represents the first successful litter for the Miller Park Zoo since 1999. Rilu and Hima were recommended to breed as part of the Snow Leopard Species Survival Plan (SSP) through the Association of Zoos and Aquariums by which Miller Park Zoo is accredited. Miller Park Zoo/Parks, Recreation & Cultural Arts Director Jay Tetzloff, has served as the Snow Leopard SSP Coordinator since 2007. A Species Survival Plan (SSP) Program strives to manage and conserve an endangered, ex situ species population with the cooperation of AZA-accredited institutions. SSPs develop a Breeding and Transfer Plan that identifies population management goals and recommendations to ensure the sustainability of a healthy, genetically diverse and demographically varied population. Snow Leopards have not bred well in North American zoos over the last ten years, averaging less than ten cubs each year.
 - A male North American River Otter pup was born for the second time in Zoo history. Approximately 110 zoos and aquariums manage this species but only two litters were born this year.
 - Two Common Wallaroo joeys were born. These births were the tenth and eleventh in the last five years.
 - Celebrated the Zoo's 124th year in its rich history.
 - The Flamingo Exhibit will be the first new exhibit since the Tropical Rainforest opened in 2004. This exhibit is the first project identified in the Zoo's Master Plan.
 - Free admission was provided on every Friday in February
-

Snow Leopard cubs born in May 2015

The Miller Park Zoo now manages nearly 600 animals. In 2009, the Zoo managed 300 animals. This number does not include the invertebrate collection.

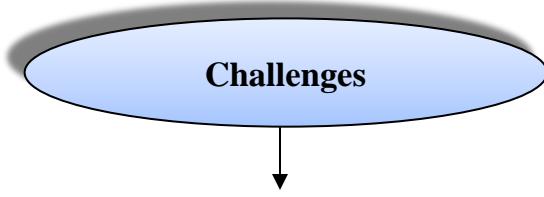

Revenue & Expenditures

Education Revenue	\$79,111	\$73,000 (rentals not included)	\$80,000	\$80,000 (rentals not included)
Concession, Carousel and Animal Feedings Revenue	\$41,282	\$40,900	\$40,000	\$41,420

-
- If the Miller Park Zoo loses funding and/or support, the Zoo's AZA Accreditation could be at risk. Without AZA Accreditation, the Zoo could lose staff as well as many of its high profile animals like the Sumatran Tiger and Snow Leopard. 2017 is an AZA Accreditation inspection year in terms of preparation. Inspection is likely to take place in June 2017.
 - Funding the Master Plan will remain a challenge for the Zoo and Miller Park Zoological Society. Access to the Zoo's Master Plan can be viewed at <http://4.17.232.139/parks/Miller-Park-Zoo/about-the-zoo.htm>.
 - The State Grant from Public Museum Capital Grant Program that runs through Illinois Department of Natural Resources was pulled by Governor Rauner. This grant accounts for \$700,000 which is the largest gift in the Zoo's history. This project called DeBrazza Plaza consists of a monkey exhibit, additional parking for the park and a concession stand.
 - Master Plan projects over the next five fiscal years, 2017 – 2021, could depend on the above mentioned grant. Assuming the grant is no longer an option, the projects equal around \$1.5 million in requests. These projects include additional parking, concession stand, entrance building and Zoo Lab roof replacement/HVAC renovation, Anteater/Bush Dog/Galapagos Tortoise exhibits, Tayra and Eagle exhibits.
 - An additional parking lot and drives would provide 36% more parking for Zoo and other Miller Park activities. This project will also close the road on the east side of the Zoo which has been a safety concern.
 - The political atmosphere over the flamingo exhibit has definitely been challenging, frustrating and disappointing.
-

Pepsi Ice Center

10014160

The Pepsi Ice Center is a community ice rink that provides recreational learning programs to increase the awareness of ice sports. It also serves as a rental facility and is used by other local groups that offer other skating activities.

Programs offered:

- Learn to Skate, Learn to Play Hockey
- In House youth and adult hockey leagues
- Birthday Parties and Group Outings that can include Broomball, Curling, skating instruction and educational entertainment opportunities

Practice Ice offered:

- Open Skate
- Freestyle
- Open Hockey (Stick & Puck and Pick Up)
- Speed Skating
- Curling for groups
- Broomball for groups

Facility Rental Groups:

- Bloomington Youth Hockey, Inc. (youth travel organization, member of USA Hockey)
- McLean County Youth Hockey Association (high school club organization, member of USA Hockey)
- Illinois State University Ice Hockey (American Collegiate Hockey Association and Mid-America Collegiate Hockey Association)
- CIPHL (Central Illinois High School League)
- CIFSC (Central Illinois Figure Skating Club)
- ICCC (Illinois Central Curling Club)
- Various local adult hockey groups

FY 2017 Budget & Program Highlights

-
- Revenues, attendance and registrations continue to increase overall. We operate in general seven days a week and eighteen hours a day.
 - We have the largest amount of 8 & under hockey players in Central Illinois, the second largest in the entire state.
-

Funding Source

Activity Fees: 13%, Daily Admission: 16% (Open Skate, Freestyle, Stick & Puck, Adult Pick Up), Skate Rental: 3%, Rental Fees: 25%, Concessions: 9%, Hockey Fees: 28%, and Other: 6%

What we accomplished in FY 2016

-
- Revenue continues to grow. We are on pace to have the highest revenue producing year in the facilities history.
 - The ice schedule was adjusted by moving the ISU Hockey program practices to Monday and Wednesday mornings at 6 am. This opened up more ice for our local youth programs which in turn generated more revenue.
 - We have increased participation in almost every age and level of skating and hockey.
 - The Spring Ice Show and holiday figure skating exhibition were successful and had increased participation.
 - The ice rink continues to be in high demand throughout the year.
-

Hockey Classes	\$62,644	\$63,000	\$63,000	\$63,000

The Pepsi Ice Center opened in 2006 and remains a popular venue in Downtown Bloomington.

Challenges

- **We are at maximum capacity** during weeknights and weekends.
- **Demand exceeds supply** for one Community Ice Rink
 - There is an increasing amount of demand for use of the facility. There is potential for customer base to potentially seek to reach out to others to build an ice rink facility to fulfill their needs.
 - We must often rent nightly and weekend ice time from the Coliseum to meet the demand. This is not a reliable or cost-effective solution due to the subsidy for these rentals.

Special Opportunities Available in Recreation (S.O.A.R.)

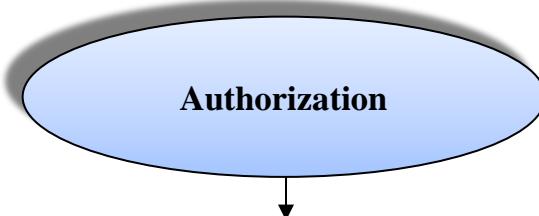

10014170

Note: The S.O.A.R. Fund was consolidated into the General Fund as part of the FY 2014 Budget Process.

The S.O.A.R. program exists to maintain and enhance the quality of life for individuals with disabilities through comprehensive, specialized recreation programs, activities and events. S.O.A.R. is a division of the Parks, Recreation & Cultural Arts Department and provides therapeutic recreation services in five component areas: Cultural Arts, Special Events, Special Interest, Youth and Sports & Fitness. S.O.A.R. also receives annual funding from the Town of Normal.

The City of Bloomington Parks & Recreation Department and its related activities have been codified in Chapter 19 & Chapter 31 of the City Code.

The program serves individuals ages four (4) and older with various disabilities including, but not limited to, developmental disabilities, visual and hearing impairments, physical disabilities, genetic disorders, learning and behavioral disorders and mental illness. S.O.A.R. offers specialized programs for youth including a teen program and summer and Saturday day programs. Door-to-door transportation is offered for a fee to individuals who could not otherwise provide transportation to programs.

S.O.A.R. offers access to affordable, family-oriented activities.

- Programs are kept at an affordable cost and reduced fees are offered for those who might not otherwise be able to participate.
- Payment plans and reduced fees are offered for those who meet financial requirements.

S.O.A.R. provides Choices for Entertainment and Recreation:

- Individuals and/or families have the choice of programs in the areas of arts & crafts, dance, special interest, special events, sports and fitness.
-

Program fees and donations with the remaining balance paid 60% by Bloomington and 40% by Normal.

**What we
accomplished in
FY 2016**

- Parents of the participants have expressed a need for more daytime programs offered for those participants that are too old to participate in youth programs (ages 21+), without jobs and are not currently enrolled in school. S.O.A.R. offered a young adult program in the summer to accommodate the needs of that age group. Adult day programs, such as TGIF and a lunch cooking program, were offered again this year to also meet the needs of those individuals. More daytime special events were also offered including full day trips. S.O.A.R. also brought a group to the free Lunchtime Concerts at Wither's Park offered by the Bloomington Parks, Recreation & Cultural Arts Department as an opportunity to fulfill the need for day time programming, but also keep program expenses low.
- S.O.A.R. partnered with the Bloomington Public Library to offer free one-time events to participants and their parents/guardians. A drop in tech day was coordinated with the senior center's programming to allow participants to drop in and resolve tech questions regarding their personal devices, such as phones, iPads and iPods. A one day travel series session was offered in the fall on the subject of the Grand Canyon. Also, the Bloomington Public Library loaned books to Lincoln Leisure Center for youth programs that focused on the themed Saturday programs.
- S.O.A.R. partnered with Metcalf Music Academy to offer music instruction to participants. The program, Music Jam, is a rock band style experience wherein participants learn how to properly use instruments, such as drums and guitars, and to participate in a group/band. They also learn how to read music, follow a rhythm and follow directions. Music Education students and instructors from Illinois State University were utilized to teach this program to 8 participants in the Fall and Winter/Spring sessions. The new program format offering also encouraged new participants to get involved in a S.O.A.R. program.
- All three Special Olympics Volleyball Teams (2 Unified & 1 Modified) advanced to the State Tournament. Our Unified Programs, pairing Special Olympics athletes with non-disabled partners, continues to be our shining star. True friendships have developed amongst our participants and these amazing partners, no doubt enhancing the quality of life for both. Our tennis, volleyball and bocce ball unified teams continue to have a waiting list of partners wanting to get involved.
- S.O.A.R. offered several art programs with instruction from the Inside Out Accessible Art Cooperation in Bloomington. Instructors and volunteers offered their expertise and talent to the programs. Various types of mediums were used to create unique pieces of art. Weekly programs and special events were offered in the Fall and Winter/Spring session. The

participants enjoy the individual attention the instructors/volunteers from the Co-Op give at these programs and love using unique techniques that only skilled artists can teach.

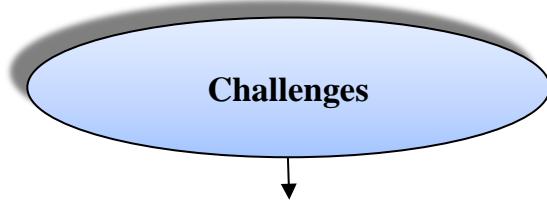

- Special Olympics Unified Tennis was offered again this year with 11 doubles teams participating, making the S.O.A.R. unified tennis team the largest in the state. With assistance from active parents and CIDS (Central Illinois Down Syndrome Organization), the tennis qualifier for Area 6 was held in Bloomington at Evergreen Racquet Club at no cost to S.O.A.R. and limited costs to Special Olympics Area 6. The hope is to continue to offer the qualifying event in Bloomington to accommodate the size of the S.O.A.R. team without extensive and expensive travel. All teams advanced to the state level and competed against other teams in Frankfort in August.
 - Due to limited participation, the Volunteer Team program was dissolved and replaced with a second offering of Friday Night Teen Club. Since Friday Night Teen Club has been such a popular program that often fills to the maximum with a long wait list, the second offering allowed two age groups to be served: 13-19 & 20-26. Both programs filled within the first day of registration and there were many positive parent comments on our surveys about offering this program to a more varied age group. The previous program only included ages 13-21. By extending the age, more participants who are recently graduated from high school, but have not fully transitioned into adulthood with work/college responsibilities were able to have their need for socialization and learning about the community resources in Bloomington/Normal met by this program. The Friday Night Teen Club that is offered to ages 13-19 meets once a month on a Friday evening and plans their own activities for the remaining session dates. Similarly, Friday Night Out serves ages 20-26 and is structured the same as Teen Club, however offered on a different Friday evening once a month.
 - S.O.A.R. utilized Illinois State University & Eastern Illinois University student interns for the summer and winter/spring session to assist in program instruction, implement new programming ideas and complete agency projects such as marketing initiatives, recruiting volunteers and creating unique special events.

-
- Decreased monetary resources make it difficult to maintain current level of program services. Many programs are filling to capacity with long waitlists and additional sessions cannot be offered to fulfill these requests due to limited resources.
 - An increase in need for specialized programming requires contractual instructors which is also problematic with decreased monetary resources.
 - Many of our clients have increased leisure time due to many job losses / cuts in work hours. This resulted in an increased need for S.O.A.R. services especially day programs for adults and young adults.
 - An increase in new participants and overall registration after implementing online registration has not included a corresponding increase in available resources such as facility space, staff or availability of transportation.
 - Facility space is a great concern for programming. The need for additional gym space, an indoor walking/running space, storage and classrooms becomes a challenge each session. Programs are limited in number due to the shortage of available facilities and resources.
 - There is an increased need for one to one support for many participants including those in youth programs with severe disabilities and those aging adults with limited functioning. This challenge then requires more staff assistance; however, funding is not available to provide safe ratios utilizing trained and experienced staffing to meet the needs of those who need individual supports. Many volunteers are used during the school year, however, summer sessions become a challenge when college students are not around to volunteer or high school students are working.
 - S.O.A.R. has also had many requests for inclusion aides at general parks & recreation programs for both Normal and Bloomington programs. While this process connects the parent and child directly to the S.O.A.R. program and awareness of the services offered, it has become difficult to meet the demand of requests. The challenge is being able to provide staff that are available and also the cost of the labor required for these programs.

Police Department

10015110

Purpose
(Why does this department exist?)

As an exemplary law enforcement agency, the City of Bloomington Police Department is committed to the citizens to proactively fight crime and discourage wrongdoing. The Police Department will enforce laws fairly and equally, upholding the rights of all, and promote transparency and accountability. We will continue to further develop and strengthen community relationships.

The goals for the Bloomington Police Department are:

- 1) Reduce crime and fear of crime
- 2) Improve the quality of life in neighborhoods
- 3) Enhance community and police partnerships
- 4) Develop personnel and improve departmental efficiencies

In order to accomplish the aforementioned goals, the police department has various divisions and units specializing in disciplines which focus on the patterns and components of crime to respond to it appropriately or prevent its occurrence. The complexity of crime and criminals today requires specific training and equipment to address the myriad of ways people can be victimized. It is important to note, these services are interdependent on one another and are consistently delivered via a team approach. The core services the department provides are:

- **The Patrol Division** - The Patrol Division is one of several core components of the police department. The Patrol Division requires the most personnel, training, and equipment to accomplish the mission. The many ways in which the Patrol Division serves the community is impossible to quantify due to the fact that what is deterred cannot be measured. The Patrol Division's primary responsibility is providing safety, security, crime reporting, crime prevention, and crime solving to the community on a 24/7 basis. Patrol officers are the first responders to any incident from basic incident reports, to crashes, to an active shooter. Patrol collects initial information to properly document an event for analysis, prosecution, and investigative follow up, if needed. Patrol is a core function of the police department. **The cost of this division is estimated to be \$9,200,000*

- **The Criminal Investigation Division (CID)** - CID is another core competency in the police department. CID operates two shifts and are subject to being called in around the clock. CID is responsible for the investigation of crimes which require additional work beyond the Patrol Division response due to offense complexity, severity, and demand for specialized resources. These crimes can range from simple offenses to homicide. CID also initiates various other investigations without involving the Patrol Division. All detectives in CID are general investigators in addition to some having advanced training in different specialties. This advanced training is necessary (some being mandatory) to understand the nuances and sometimes grand differences associated with particular offenses. There are times when all detectives are needed to investigate a particular crime due to the need for general resources or multiple specialties. Also, a part of CID is the Crime Scene Unit, which is primarily tasked with the responsibility of the collection of evidence, another essential function requiring specialized training. The various disciplines complement one another and contribute to overall effectiveness.

**The cost of this division is estimated to be \$2,400,000*

- **The Street Crimes Division** - The Street Crimes Divisions conducts proactive investigations and problem focused patrols in order to stop crimes serial in nature and deter future crimes. The detectives and officers assigned to the Street Crimes Division focus predominantly on drug and gang related offenses resulting in a reduction of collaterally associated violence and property crimes. The officers assigned to the Street Crimes division are not subject to calls for service allowing them to focus enforcement on crimes which have been identified as a priority given current trends. Additionally, the officers assigned to the division are available to provide immediate support for the detectives in the division with regards to arrests and other enforcement tasks. This partnership removes the need to pull officers from patrol to assist. The officers and detectives of the Street Crimes Division work closely together day after day promoting efficiency and understanding of specific tasks, something difficult to attain if pulling together an ad-hoc team from patrol not familiar with the current investigation or division procedures. One detective in the division serves on the U.S. Marshals Violent Fugitive Task force. This officer has access to additional personnel resources from other agencies should they be needed to locate and arrest violent fugitives, making our community safer. The existence of the Street Crimes Division and its structure allows for flexibility to assist the other divisions in the event situations occur outside the norm, and also provide additional staffing for special events reducing overtime cost in many situations.

**The cost of this division is estimated to be \$1,600,000*

- **Special Weapons and Tactics (SWAT)** - The SWAT team is comprised of officers from other assignments and responds on an as needed basis. SWAT is used for the service of high risk search warrants and responding to incidents of violence and ongoing threats such as hostage situations, barricaded subjects, and active shooter scenarios.

**The cost of this unit is estimated to be \$50,000*

- **Crisis Negotiations Unit (CNU)** - CNU is also comprised of officers from other assignments. These officers are specially trained in negotiations and establishing rapport with individuals who have taken hostages and/or barricaded themselves while threatening harm to hostages, themselves, the general public, or officers. CNU often responds with SWAT for such situations.

**The cost of this unit is estimated to be \$15,000*

- **Public Information Officer (PIO)** - The PIO is tasked with establishing and nurturing relationships with the media and the public through information. This is accomplished through social media, interviews, public meetings, training classes, publications, etc. The Bloomington Police Department has a very successful social media program in part due to the hard work of the PIO along with the Crime Intelligence and Analysis Unit. Social media has a huge influence in promoting citizen engagement. As a result, citizens have assisted the police department with the solving of crimes via social media. The PIO plays a critical role in keeping citizens informed in both the day to day business of the police department and during critical incidents. In order for the police department to be effective, legitimate, and supported, it is critical to keep the public informed and strive to promote partnerships. This mission is constantly ongoing and does not only occur during critical incidents. The more the public is informed, the more effective the police department can be by building trust and understanding on both sides. Unanswered questions create anxiety and animosity. Educating the public with regards to the police department's abilities and limitations creates understanding and fosters relationships. These relationships provide a greater ability to jointly address grievances and concerns voiced. The PIO provides a vital conduit for information exchange between the police department and the public.

**The cost of this unit is estimated to be \$125,000*

- **Crime Intelligence and Analysis Unit (CIAU)** - CIAU is a unit in the department tasked with monitoring crime within the city and identifying trends. This information is used to assess the effectiveness of strategies currently in use to achieve department goals. The information obtained is used to modify approaches, and coordinate resources appropriately. This unit also tracks statistics and provides the resources necessary to fulfill many of the unfunded mandates placed on the police department, a trend not expected to end anytime soon. As noted above, social media has become a critical component of police work, CIAU capitalizes on the utility of social media and works with our PIO to promote the police department and solve crimes using social media. CIAU contributes to overall effectiveness of the police department.

**The cost of this unit is estimated to be \$300,000*

- **Youth Intervention Specialist (YIS)** - The YIS is a part-time position created during FY2015 using grant monies for that year, and the police department intends to fund this position for FY2016. This position is tasked with identifying at risk youth, and attempting to identify specific needs of the individuals and directing them to resources within the community to fill those needs. Additionally, the YIS attempts to spend time mentoring and promoting positive choices and accountability. End of year information is unavailable, but positive feedback of the program has been received.

**The cost of this program is estimated to be \$25,000*

- **Explorer Post** - The Explorer Post is a youth program in partnership with the Boys Scouts, but overseen by officers from the police department. The Explorer Post is designed to give youth an insight into police work and provide a general understanding of law enforcement. Explorers assist the police department with parades, fairs, and other special events whenever appropriate. A member of the Explorer Post recently received the 2016 Youth "I Have a Dream" award.

**The cost of this program is estimated to be \$10,000*

- **School Resource Officers (SRO)** - The police department currently has 4 SROs. These officers are currently assigned duties relative to the schools and about two-fifths the cost of these officers is paid by the school districts. They promote the safety and security of the students and faculty at the schools. They also handle most incidents related to the schools, eliminating the need for a patrol response to the schools.

**The cost of this unit is estimated to be \$300,000 (after payment from schools is received).*

- **Neighborhood Focus Team (NFT)** - NFT is tasked with managing recurring issues in neighborhoods. These issues could be abandoned vehicles and towing, dog bites, neighbor disputes, code violations, and sex offender compliance enforcement. These duties require dedicated officers in order to be competent and efficient overseeing the investigation of a dog bite, the auctioning of unclaimed vehicles, the inventorying of impounded vehicles, coordination with code enforcement for property issues, and face to face contact with individuals having problems. Also, this unit provides police presence as both witness and security during administrative hearings at the PD. In addition, NFT inspect cabs, shuttles, and vehicles for hire inspections for permit issuance.

**The cost of this unit is estimated to be \$280,000*

- **Community Service Officers (CSO)** - These civilian positions staff the front desk and take walk in reports and administer tow releases, sex offender registrations, fingerprinting, and phone calls. This allows officers to tend to other matters.

**The cost of this unit is estimated to be \$225,000*

- **Evidence and Records Unit** - The Evidence and Records unit is responsible for the records and evidence generated by the police department. This includes receipt, storage, retention, and destruction, a never ending process. In addition to records and evidence, this unit is responsible for fulfilling FOIA requests and entry of certain records into various databases, along with monitoring and preparing for relevant administrative hearings. The functions of this unit are essential for the police department.

**The cost of this unit is estimated to be \$250,000*

- **Downtown Hireback** - The department provides additional patrols for the downtown area in response to an increase in calls generated in the downtown on Thursday, Friday, and Saturday nights. In addition to the two or three two-person teams assigned to the downtown on Thursday, Friday, and Saturday nights, two officers and a sergeant from third shift patrol also focus on issues downtown. Without officers being specifically assigned to the downtown to cover the noted peak days and hours, outlying patrols will have to respond to the downtown resulting in decreased coverage and increased response times for the rest of the city. *The cost of this program is estimated to be \$130,000

*These annual cost estimates are extremely rough projections and should not be considered as detailed or comprehensive

The City of Bloomington Police Department is authorized the following staffing, the Police Chief, 3 Assistant Police Chiefs, 6 Lieutenants, 15 Sergeants, 103 Patrol Officers, 16 Professional Support Staff, 1 seasonal support staff, 3 seasonal background investigators, and 15 seasonal crossing guards.

FY 2017 Budget & Program Highlights

-
- Body worn cameras. Following the results of a pilot program, a decision will be made on equipping patrol officers with body worn cameras. The expense associated will be dependent on which system is chosen, but regardless the program will be costly. There are many facets to explore with this implementation and costs will be realized for equipment, data management, and Freedom of Information requests for videos.
 - Continue to support professional development by funding the expansion of training allowing officers to maintain subject knowledge on the myriad of ever changing laws and demands of the profession.
-

**What we accomplished in
FY 2016, and continue to
make progress into FY
2017**

-
- Continue working to restore the condition of the police firing range as funds are available. Incremental progress is being made yearly, funding is regulating the speed at which the project can be completed. Currently the restoration is being done one project at a time. Mold and lead mitigation for the indoor range was completed during FY 2016. For the coming year, the plan is to restore drywall, electric, HVAC, and reopen the indoor range for use provided sufficient funding is authorized.
 - The Bloomington Police Department's extensive use of social media continues to promote community awareness and involvement with the department both socially and professionally. To say Social Media has been hugely successful is an understatement! At time of this writing, the department's weekly average viewership is 15,000. Peak stories have reached 100,000+ citizens (up from the prior record of 45,000+ last year).
 - Continue the part time Youth Intervention Specialist project to promote intervention for troubled youth and combat recidivism. Attempts will be made to obtain funding from outside sources again this year.

**Bloomington Police
Department
Recruitment Plan**

Statement of Support from the Chief of Police

The Chief of Police shall ensure full departmental support of the department's recruitment efforts in order to attract the highest quality applicants possible.

Objectives

1. To attain actual sworn officer strength as close as possible to the authorized budgeted strength by maintaining an eligible pool of applicants.
2. To actively recruit the best available candidates for actual and forecasted vacancies in the department.
3. To actively recruit female and minority candidates.
4. To present the department as an equal opportunity employer.

Sworn Officer Strength

The Bloomington Police Department has an authorized strength of 128 sworn officers. The current actual strength of the department is 122 sworn officers.

Recruitment Action Plan

Maintaining the authorized sworn strength would be accomplished by working cooperatively with the City Manager's Office, City Council, Board of Fire and Police Commissioners, and the Human Resources Department, to conduct initial police applicant testing. The testing would take place yearly in an effort to maintain a fresh pool of qualified eligible candidates.

The department will, simultaneously, continue to recruit quality experienced officers from other law enforcement agencies. By recruiting from both experienced officers, and the general population, we ensure that all possible candidates for employment are being reached.

Recruitment Options

1. Attend job fairs, when possible.
2. Disseminate police test information to potential applicants via e-mail and recruitment brochures.
3. Post police job ads within the local business community via the Pantagraph, local cable channels or radio stations.
4. Post in professional journals or on-line publications, i.e. The Blue Line, Police One, etc...
5. Post job ads on social media sites, B.P.D. Facebook page, City website, Twitter, etc...
6. Disseminate police test information to the community through public speaking engagements or community meetings i.e. Not in Our Town, Minority and Police Partnership, Youthbuild, etc.
7. Posting job ads at women's health clubs, and female collegiate sports team facilities.
8. Sending job announcements and recruitment information to colleges and universities catering to females and minorities.
9. Enlisting our existing minority and female officers to participate in job fairs.
10. Providing our recruitment brochure to our officers to disseminate to potential applicants throughout our community.
11. Disseminate police test information through our local detachment of the Illinois National Guard.

Evaluate/Revise

At least every two years, the Assistant Chief of Professional Standards shall review and evaluate the progress made towards this plan's objectives. Any revisions of the plan will be made at that time to ensure the recruitment of quality candidates continues. At the request of the Chief of Police the plan and any revision shall be condensed into a written report and disseminated at the Chief's discretion.

**An Area to Improve
Upon is Staffing**

The department will continue to strive to reach goals outlined above in the recruitment plan striving to increase diversity within, and reach full authorized staffing. The department will also implement an incentives plan to recruit officers from other agencies.

**Revenues &
Expenditures**

Robbery	39	31.5	31.5	22.5
Aggravated Assault/Battery	236	246	246	236

**Vehicles are replaced relative to their mileage, hours, condition, age, maintenance costs and what the vehicle is used for. The department does not limit the fleet to one particular make and model of vehicle in an attempt to reduce the impact of any safety recalls which could otherwise put the whole fleet out of service. Vehicles are purchased via a state bid or the Northwest Municipal Suburban Contract. The advantage to this purchasing practice is it provides competitive pricing via the bidding process employed, and standard specifications are established.

Staffing - As the responsibilities for the department increase, so does the necessity to have officers with a broad understanding of all nuances of the job. This results in an increased need for training to provide knowledge in those areas. Furthermore, the department will strive to recruit the best possible employees to provide exceptional service to the citizens of Bloomington.

New Technology - As new law enforcement technology continues to be developed, the department needs to take a proactive approach to review and research new technologies in order to make informed decisions on what items would best assist the police in becoming more effective and efficient in the service to our citizens. An additional consideration resulting from the proliferation of technology based solutions to law enforcement is supporting this equipment software post purchase. The maintenance agreements and other fees associated will continue to grow and impact the police department budget. Mandates and recommendations are being directed to law enforcement which will require exploring, adopting, and embracing new technologies to accomplish.

CITY OF BLOOMINGTON, IL
NEXT YEAR / CURRENT YEAR BUDGET ANALYSIS

PROJECTION: 20174 FY 2017 MASTER BUDGET-LEVEL 4

Communications Center

10015118

The Bloomington Communications Center is the public safety answering point (PSAP) and dispatch center for all emergency and non-emergency calls for the City of Bloomington. The Communications Center serves as a vital link between the public and the City's public safety first responders. The Communication Center enables and enhances interaction with the public, between City Departments, other public safety agencies, and numerous support service agencies.

The Communications Center is a 24/7/365 environment, and is currently staffed with 1 full-time Communications Center Manager, 16 full-time Telecommunicators, and 2 seasonal Telecommunicators. The Communications Center staff provides the following key services:

- Answers 911 Emergency calls
- Answers non-emergency and administrative calls
- Dispatches police, fire, and emergency medical services
- Tracks dispatched unit status and maintains contact to assure responder safety
- Provides post-dispatch and pre-arrival instructions to callers utilizing emergency medical dispatch protocols, including instructions for CPR, choking, and childbirth
- Controls access to the Police facility after hours and on weekends
- Maintains detailed and accurate computer records pertaining to stolen and missing items, sex offender registrations, and criminal history information
- Tracks false alarm dispatches and issues ordinance violations when appropriate
- Passive monitoring of various video cameras located throughout the City
- Post vital information to department social media accounts

City telecommunicators answered 99.5 % of total calls within 10 seconds. The State of Illinois mandate is 90% within 10 seconds.

- Continue to assure a stable Computer Aided Dispatch (CAD) system by ongoing maintenance and upkeep. Utilize the services offered in our Standard Software Maintenance Agreement to maintain optimal performance
- Continue to maintain the new 911 phone system. Explore new reporting functionality to better measure our services
- Maintain radio communications systems to provide efficient and effective communications between the Center and field personnel.
- Coordinate the Water Departments transition to the Starcom Radio System
- Study long-term communications needs for Public Works
- Focus on quality assurance and quality improvement in Communications Center operations

**What we
accomplished
in FY 2016**

- The legacy 911 phone equipment was replaced during a joint project with the McLean County Emergency Telephone System Board. The equipment replaced was approximately 10 years old. The new equipment is Next Generation (NG) 911 ready.
- Installed and implemented the Fire Priority Dispatch System that was procured by the Bloomington Fire Department. This included certifying all Communications Center staff as Emergency Fire Dispatchers through the National Academy of Emergency Dispatch. This project also included upgrading the Computer Aided Dispatch (CAD) system. This project resulted in the lowering of the City's Insurance Services Office (ISO) rating.
- Replaced the legacy telephone system recorder. The equipment replaced was approximately 10 years old. The new system is NG 911 ready and compatible with the radio recording system.
- Replaced the CAD Message Switch. The message switch controls communications between the CAD and other systems. The message switch was approximately 10 years old. The old message switch was converted to a back-up which will provide redundancy in this area.
- Worked with Information Services on a platform to allow Communications Center staff access to the Department's social media accounts. This allows information to be quickly and efficiently disseminated to the public.

-
- **Supervision** - When the Communications Center Manager is not working, the staff of the Communications Center is unsupervised. To provide the highest level of service to first responders and the public, there needs to be another layer of supervision.
 - **Staffing** - It is difficult to reach and maintain adequate staffing. When staffing is low, overtime rises and it puts additional stress on Telecommunicators who already have a stressful job. Our current hiring process is slow and it takes a long time to navigate through the process.

Fire Department

10015210

Purpose

The Fire Department provides the following services:

- **Emergency medical services and transportation** – Basic, intermediate and advanced life support are provided by Department personnel on fire apparatus, ambulances and single personnel response vehicles (chase). EMS is provided under the direction of both Illinois Department of Public Health and local EMS system rules under the direction of the system Medical Director. Personnel performing these duties also respond on fires and other emergencies as part of the overall emergency response system. **The cost of this program is estimated to be \$4,455,000.*
- **Fire suppression and rescue operations** - These services encompass all responses not considered to be EMS related, including fires, hazardous conditions, service calls, alarms, etc. Personnel performing these duties also respond to EMS calls as part of the emergency response system. Personnel assigned to both these duties are also responsible for performing associated tasks such as fire hydrant maintenance, equipment maintenance, fire station maintenance, public fire safety education and other related tasks. **The cost of this program is estimated to be \$9,780,000.*
- **Fire cause and origin investigations** – Illinois State Statute requires the investigation of all fires within the City. If the cause is not obvious, or is suspicious in nature, specially trained staff conducts a thorough investigation. Personnel performing this function are also assigned to a regular response position. **The cost of this program is estimated to be \$325,000.*
- **Hazardous Materials response** -The Department is the regional response team for Hazardous Materials and received State funding for training and equipping the team. The Town of Normal is the Regional Technical Rescue Team (TRT) and received the same State funding for that portion. **The cost of this program is estimated to be \$250,000.*
- **Fire and safety public education** – Fire safety and community education is considered to be the most cost effective way to mitigate fires in a community. Specialized programs target specific audiences such as pre-school, elementary, and high school ages as well as adults. We provide public safety information and training on such topics as fire extinguisher training, bullying, bike safety, holiday safety, school programs and group presentations through our Public Education Officer. **The cost of this program is estimated to be \$245,000.*

- **Aircraft Rescue and Firefighting (ARFF) services for Central Illinois Regional Airport (CIRA)** – We supply an ARFF qualified Engineer for response to CIRA 24/7, as well as maintenance of equipment and facilities by agreement to keep the Airport operating under Federal Aviation Administration (FAA) Part 139 compliance. These responses involve aircraft emergency situations, fuel spills, in- flight medical events and other responses requested by airport authorities, including responses to fire and EMS related incidents throughout airport property. The equipment, facility to operate out of, and a yearly training stipend are provided to the City for providing these services. The current agreement between the City and CIRA is set to expire in 2015; therefore the parties are in ongoing discussions regarding fire stations #3 and #6 along with future cost sharing initiatives. *The cost of this program is estimated to be \$480,000.

*These cost estimates are extremely rough projections and should not be considered as a detailed report

The City of Bloomington Fire Department consists of 1 Fire Chief, 2 Deputy Chiefs, 3 Battalion Fire Chiefs, 1 Training Officer, 1 Public Education Officer, 18 Captains, 3 EMS Shift Supervisors, 21 Engineers, 63 Firefighters and 5 Civilian Support Staff. The City operates 5 fire stations and provides emergency activities (auto extrication, hazmat, etc.).

FY 2017 Budget & Program Highlights

-
- Improve Station Alerting equipment (Goal 2-Upgrade City Infrastructure and Facilities)
 - Begin station renovation projects to address needs identified in Fire Station Master Plan (Goal 2-Upgrade City Infrastructure and Facilities)
 - Continue process of repair/replacement/addition of Outdoor Warning Sirens (Goal 2-Upgrade City Infrastructure and Facilities)
 - Improve interoperability of response with Normal Fire Department by linking CAD software to allow closest available unit to respond across geographical boundaries. (Goal 1-Financially Sound City Providing Quality Basic Services)
 - Reinstitute a sustainable vehicle replacement program with Fleet management (Goal 2-Upgrade City Infrastructure and Facilities)
-

**What we
accomplished in
FY 2016**

-
- Firehouse incident report management software migration to cloud services to improve efficiency and provide better data analysis. (Goal 1-Financially Sound City Providing Quality Basic Services)
 - Developed long distance learning and video conferencing at multiple stations to improve the efficiency of providing training and improve response times by keeping resources in primary response district. (Goal 1-Financially Sound City Providing Quality Basic Services)
 - Acquired a Railcar Tanker from ADM to be used as a Fixed Training Prop to be used for hands on Hazmat training. (Goal 2-Upgrade City Infrastructure and Facilities)
 - Developed long term agreement with Central Illinois Regional Airport for facilities and service (Goal 2-Upgrade City Infrastructure and Facilities)
 - Updated the City's Emergency Operation Plan (Goal 2-Upgrade City Infrastructure and Facilities)
 - Installed Vehicle Exhaust Removal Systems in all fire stations. (Goal 2-Upgrade City Infrastructure and Facilities)
-

**Revenue &
Expenditures**

Fire Department	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Adopted Budget

**Program
Performance
Measurements**

Performance measures-Fire/EMS and Hazardous incident response	FY 2015 Actual	FY 2016 Projected	FY 2017 Proposed
Response time 6 minutes or less by first arriving unit at scene of structure fire incident on 90% of occurrences	86%	85%	85%
Response time 9 minutes or less for full alarm at scene of structure fire on 90% of occurrences	100%	98%	95%
First arriving unit on scene 6 minutes or less on any emergency (bravo) level call 90% of occurrences	66%	65%	65%
ALS unit on scene 9 minutes or less Delta level EMS call 90% of occurrences	94%	95%	95%

Performance Measures-EMS Training	FY 2015 Actual	FY 2016 Projected	FY 2017 Proposed
EMT-Basic and Intermediates re-certified in compliance with IDPH requirements	100%	100%	100%
Paramedics re-certified in compliance with IDPH requirements	100%	100%	100%
Assigned personnel completed required annual training	100%	100%	100%

Performance Measures-ARFF	FY 2015 Actual	FY 2016 Projected	FY 2017 Proposed
Compliance with FAA response time requirements (emergency and time drills)	100%	100%	100%
Compliance with minimum daily staffing of ARFF units as required by FAA	100%	100%	100%
Assigned personnel completed FAA required annual training including live fire	100%	100%	100%

Performance Measures-Fire Investigations	FY 2015 Actual	FY 2016 Projected	FY 2017 Proposed
Reportable Fire Investigations reports completed	100%	100%	100%
Assigned personnel completed the required annual fire investigation training	100%	100%	100%
Reportable Fire Investigations responded to by Fire Investigation Staff	17	22	25

Performance Measures-Public Education	FY 2015 Actual	FY 2016 Projected	FY 2017 Proposed
Fire and Life Safety Presentations given	92	115	130
Total Audience	4,329	5,000	5,500
Fire Extinguisher Training programs given	15	20	25
Total Trained	197	250	300
CPR/AED Training Sessions given	1	5	10
Total Trained	8	50	100

Challenges

Fire Operations

- Creation of a long-term plan for traffic signal preemption in the City to provide safety for both responders and the public
- Working with Town of Normal and County agencies on joint use of Automatic Vehicle Location (AVL) technology to allow closest vehicle response to emergencies regardless of jurisdiction
- Add an Engine Company to Station #3 to provide adequate fire protection for core commercial and residential areas of community
- Consideration of Paramedic Engine/Truck Companies to enhance overall service
- Addition of an Ambulance to HQ Station to handle the heavy call volume and reduce response times
- Adding shift personnel to reduce overtime expenditures and reduce staff workload
- Instituting a Health and Wellness Initiative to decrease on the job injuries
- Focus more Department resources on recruitment to attract the highest quality applicants
 - Focus recruitment efforts to the local Junior High and High schools to actively recruit both females and minorities
 - Attend local and targeted Job Fairs with Human Resource department
 - Post open application period at over 30 collegiate institutions offering EMS / Paramedic training

- Post open application period on select strategic website such as the Illinois Fire Marshal's Office
- Maintain an eligibility list that will allow the department to reach full staffing to reduce overtime and improve work/life balance
- Consideration of long term agreement with Town of Normal for station locations and staffing to provide adequate coverage for geographical area of both communities

Fire Department Equipment and Facilities

- Work with Normal Fire Department to develop a Mutual aid agreement to help each other meet NFPA 1710 recommendations to assemble an Effective Response Force on scene in less than 10 minutes from time of call
- Begin work to address station renovation needs outlined in Fire Station Master Plan
- Designate funding to maintain or replace technical equipment and protective wear for Hazardous Materials Response team
- Identifying proper location and facility for Fire Department vehicle maintenance and assign one individual as the Fire Department mechanic
- Moving to 800mhz radio system for outdoor warning siren activations

Fire Department Training

- Expanding training facilities and props at Station #2 to incorporate hands-on training requirements and needs for an all hazards approach
- Adding a classroom facility at Training Tower location
- Increasing the capability of personnel in specified areas (such as Technical Rescue Operations, Automobile Extrication Technician, Ice/Water rescue)
- Enabling video conferencing and distance learning capabilities in all Station training rooms
- Establishing computer based training in all stations
- Developing a mechanism to track individual staff training within defined departmental benchmarks

Fire Technology

- Moving to Electronic Patient Care Reporting (EPCR) to increase efficiency and accuracy, and provide better patient care
 - Replacing Information Service representative to maintain critical infrastructure in Department, and to help identify system technology improvements to provide more accurate and reliable data for all operations, including training
 - Enhancing use of GIS to allow routing capability to closest unit technology and assist in future station planning
 - Incorporation of new Computer Aided Dispatch (CAD) technologies for response time calculations, optimal routing for responses and future station location analysis functions
 - Integration of Pre-plan information with the CAD to support responding units
 - Upgrade and install pre-emptive equipment on emergency response units

Police and Firefighter Pension Plans

10015111 10015211

Purpose
(Why do these plans
exist?)

These plans account for the payment of the annual pension contributions to the Police and Firefighter Pension plans.

Facts

- These single-employer defined benefit pension plans are mandated by Illinois Compiled Statutes (40 ILCS 5/The Illinois Pension Code) and may be amended only by the action of the Illinois Legislature.
 - The plan assets are separately managed by the Police and Fire Pension Boards.
 - The City contributions to the plans are based on actuarially-determined amounts.
 - Police sworn personnel are required by State Statute to contribute 9.91% of their base salary to the plan, while Fire sworn personnel are required to contribute 9.45% of their base salary to the plan.
-

Defined Benefit Plan
*Payment of benefits is
guaranteed by the employer to
an employee at retirement,
providing a fixed monthly
income for life.*

Authorization

- Funding for the Police and Firefighter Pension Plans is established by an Ordinance in City Code Chapter 16, Article III, and Section 46.
- Required funding of Police and Firefighter Pension Plans is mandated by State law under Articles 3 and 4 of the Illinois Pension Code.

Funding Source

Property Taxes, Replacement Taxes and the portion of Utility Taxes that are a result of the rate increases.

FY 2016 Funding Status (May 1, 2015)

Firefighter Pension

Actuarial Value Assets - \$49,896,372
Actuarial Accrued Liability - \$102,307,353
Underfunded Actuarial Accrued Liability - \$52,410,981
Percent Funded:
Actuarial Value of Assets – 48.77%
Market Value of Assets – 49.45%

Police Pension

Actuarial Value Assets - \$62,731,465
Actuarial Accrued Liability - \$116,425,624
Underfunded Actuarial Accrued Liability - \$53,694,159
Percent Funded:
Actuarial Value of Assets – 53.88%
Market Value of Assets – 54.92%

FY 2017 Budget & Program Highlights

Legislation passed in 2011 now requires Police and Firefighter Pension Plans to be funded at 90% by Fiscal Year 2040. To achieve this goal the State recommends a minimum annual contribution. An analysis of this legislation showed that the annual contributions were minimal in the early years, but would then increase substantially in the last several years. These increases were determined to be unsustainable for the City's finances and would cause an inequitable tax burden on a future generation of taxpayers.

The Finance Department worked with the City Council, Police and Fire Pension Boards, its independent actuary, the Administration and Finance Committee (now the Committee of the Whole) and the public to develop a Pension Funding Policy. After 15 months of input and analysis, an improved approach was identified, resulting in full funding for both Police and Firefighter Pension plans, and over \$68,000,000 in savings compared to the State's Minimum Plan.

Police Pension Tax Levy – The 2015 Tax Levy for the Police Pension Plan stayed flat at \$4,008,000.

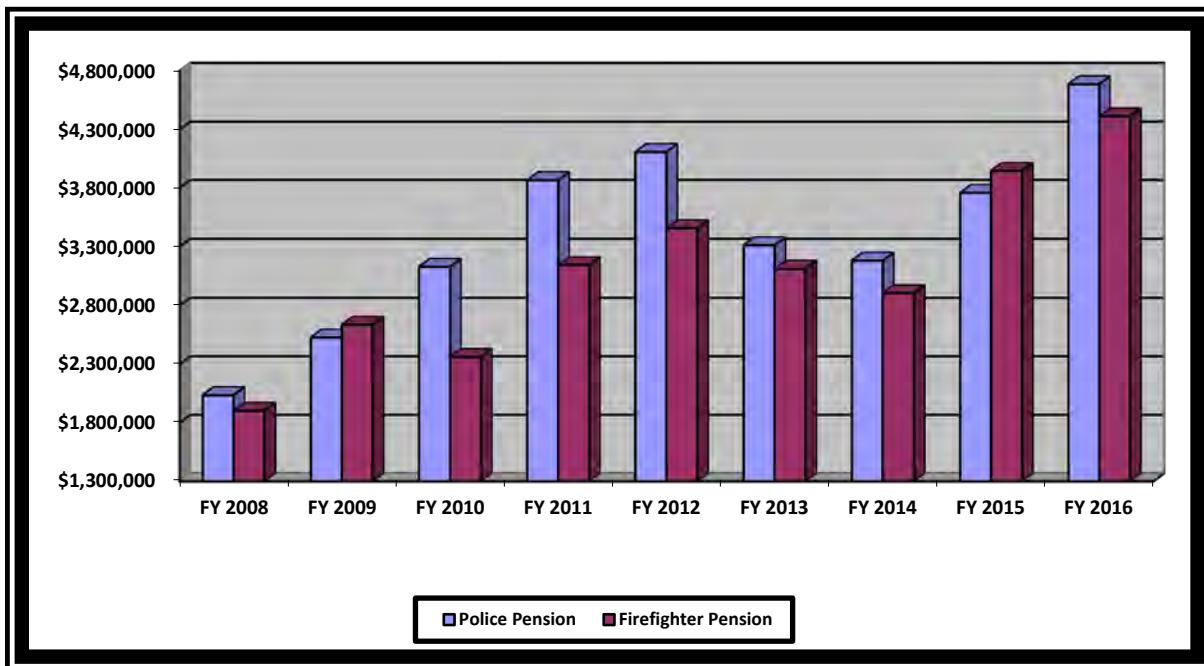

Firefighter Pension Tax Levy – The 2015 Tax Levy for the Firefighter Pension Plan stayed flat at \$4,196,000.

The combined tax levies for the Police and Firefighter Pension Plans total \$8,204,000. These tax levies account for approximately 42.04% of the total City (non-library) Tax Levy of \$19,516,356. The remaining portion of the public safety pensions will be paid by utility taxes.

Revenue & Expenditures

	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Police Pension	\$3,758,849	\$4,687,000	\$4,690,383	\$4,947,245
Firefighter Pension	\$3,946,612	\$4,413,000	\$4,416,291	\$4,678,635

Revenues equal expenditures, reflecting only the dollars received and disbursed to the Police and Firefighter Pension Plans.

Challenges

As the potential demand for additional City firefighters and police officers increases, pension costs will increase for each position added. As pension contribution costs continue to increase, a growing percentage of the City's property tax revenues must be used to fund the pensions, leaving less property tax money available for City operations and capital projects.

While the Pension Boards manage the investments of the funds, State statutes limit the investment options. The State legislature controls the benefit levels required to be paid to retirees and other beneficiaries of the plans. Both investment returns and changes to benefit structure can significantly impact funding levels.

Building Safety Division

10015410

The Building Safety Division focuses primarily on the review and inspection of the built environment. Services include inspection of buildings, plumbing, electrical, heating/ventilating and air-conditioning (HVAC) systems. Other programs such as routine fire inspections and mobile home park review and inspections ensure public safety.

The Division consists of 10 positions. One or two more positions could go vacant during the upcoming year due to retirements.

Key Services Provided:

- Inspection of new residential buildings, additions and alterations including single family, duplexes and apartments to ensure compliance with the minimum life-safety standards and codes as adopted by the City Council
 - Review and inspection of new commercial buildings, building additions and alterations of office, business, retail and industrial structures to ensure buildings meet the minimum standards for life-safety, health and welfare of building occupants per the codes and standards adopted by the City Council
 - Operations related to the plumbing Cross Connection Control Program to ensure a clean and sanitary potable water supply
-

The City's Cross Connection Program provides safeguards to prevent the contamination of our drinking water by inadvertent and illegal plumbing connections to our water supply. This is done semi-annually by private, qualified inspectors who review commercial buildings and identify sources of possible contamination for correction.

Begin review of changes in the 2015 ICC code editions, coincident with the Town of Normal. Replace retiring employees.

-
- The largest challenge for the division this year was stemming the decline in review and inspection schedules while short staffed. Efficiency improvements to our plan review and inspection procedures were initiated and review time improved from 28 days to 19 days.
-

Challenges

Staffing Level – The Building Safety Division has seen construction activity remain steady over the past year. The Division will see more retirement related vacant positions which will need to be filled in a timely manner.

- With just two fire inspectors it is not possible to meet the ordinance requirements for frequency of fire inspections resulting in a shift to prioritize structures with assembly roles and those that serve larger populations.
 - The lack of adequate residential inspection coverage means that only superficial and simple inspections can be performed and no pre-construction review can take place.
 - Training time expense can be a challenge as retired inspectors are replaced with new personnel.

Planning Division

10015420

The Planning Division of Community Development provides the City's general short-range planning activities including: zoning designations, variations, special use permits and annexations. The division also provides staff representation to the Planning Commission, Zoning Board of Appeals and Historic Preservation Commission.

- **Planning Commission** – This Commission hears requests for annexation and zoning action by the City. They also review annexation agreements, planned unit developments and modifications to the City's zoning and subdivision codes. All issues are forwarded with recommendations to the City Council for final action.
- **Zoning Board of Appeals** - This Board hears variation and interpretation requests to the City's Zoning Code, Chapter 44. Additionally, the Board will provide a forum for public input on special use requests and then make a final recommendation to the City Council.
- **Historic Preservation Commission** – This Commission is made up of Bloomington citizens with a passion for preserving historic buildings in the City of Bloomington. They review exterior remodeling plans for buildings in the S-4 Historic District and examine requests for Eugene D. Funk or Harriet Fuller Rust grant dollars.

The division also provides representation to McLean County Regional Planning for all long-range planning activities. These include transportation, planning activities within the mile and a half of the City's corporate boundaries, and development of the City's comprehensive plan. The division consists of one person.

**FY 2017
Budget & Program
Highlights**

-
- Supportive services will continue to be provided to the City's Economic Development Coordinator.
 - Staff will begin work on the zoning ordinance update with the help of a consultant.
-

**What we
accomplished in
FY 2016**

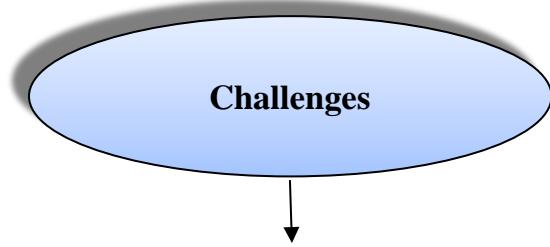

-
- A reduction in expenses by eliminating seasonal help and spread those duties across existing positions.
 - The Bloomington Comprehensive Plan was completed and earned the "Daniel Burnham Award for Best Comprehensive Plan" in Illinois.
-

Code Enforcement Division

10015430

The Code Enforcement Division is primarily responsible for the inspection, maintenance and life-safety of existing homes and commercial buildings throughout the City. The basics include:

- Complaint-driven code enforcement.
- Proactive rental housing inspection program.
- Mobile Home Park Inspections.
- Community Development Grant activities are also considered a part of the Code Enforcement Division, but are covered under a separate budget narrative.

The Division consists of 9 positions with one inspector position and one support staff position currently open. The Division also includes one seasonal inspector position.

Key Services Provided:

- **Property Maintenance** - Code Enforcement Division responded to more than 1,800 property maintenance complaints in FY 2015. These complaints can range from weeds and tall grass to debris and life-safety issues. Our staff takes the complaints, validates them and works with property owners to resolve any problems in a timely manner. If unsuccessful, our staff will issue tickets and follow-up with court action as necessary to achieve compliance. The Building Safety Division handles an estimated 200 property maintenance cases annually, in addition to those received in Code Enforcement. Building Safety typically responds to zoning, specific mechanical or commercial building complaints. Three regular code officers and one seasonal code officer routinely handle the large caseload.
- **Rental Inspection Program** - The City of Bloomington's rental inspection program addresses approximately 3,000 rental buildings containing approximately 12,000 units. Through this proactive program, the City strives to ensure safe and decent living conditions for its residents and works to keep blighted conditions from creeping through our neighborhoods. During the annual re-inspection period, two inspectors are busy with rental unit reviews.

The City's Code Enforcement Division provides a number of inspection services including but not limited to property maintenance, rental property inspections and mobile home park inspections.

**FY 2017
Budget & Program
Highlights**

- Modifications to the Rental Inspection program were implemented in 2014 to improve efficiency of the program, but a few older buildings successfully pass.
- Fee increases related to the Rental Inspection program will assist the program's level of self-sufficiency.

Funding Source

General Fund, Rental Registration Fees and Administrative funding from some Grants

**What we
accomplished in
FY 2016**

-
- Fewer Grants were provided for income-eligible, single-family, owner-occupied residences to resolve code related issues, i.e. dead tree removal, emergency water services with CDBG funds shifted to a large capital improvement project.
 - FY 2016 was a year when code inspections across all programs suffered due to lack of staffing and the ability to quickly identify candidates to fill vacancies. The tall grass/weed program virtually disappeared as a result in calendar year 2015.
-

**Revenue &
Expenditures**

Code Enforcement Division	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Adopted Budget
Expenditures				
Salaries	\$618,572	\$657,207	\$618,367	\$701,058
Benefits	\$361,868	\$320,152	\$292,394	\$352,795
Contractual	78,592	\$96,995	\$112,530	\$109,044
Commodities	\$14,451	\$18,884	\$15,451	\$15,930
Principal Expenditures	-	-	-	\$3,274
Interest Expenditures	-	-	-	\$482
Other Expenditures	\$45,123	\$40,000	\$50,000	\$35,000
Department Total	\$1,118,606	\$1,133,238	\$1,088,742	\$1,217,583
Revenues	\$192,010	\$214,727	\$215,383	\$330,327
General Fund Subsidy	82.83%	81.05%	80.22%	72.87%

Performance Measurements

Code Enforcement	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
<i>Inputs:</i>				
FTEs per 1,000 population	.14	.14	0.09	0.11
Department Expenditures	\$1,118,606	\$1,133,238	\$1,088,742	\$1,217,583
Code Enforcement Expenditures per Capita	\$14.60	\$14.79	\$14.21	\$15.89
<i>Outputs:</i>				
Total Cases Received	2,011	2,000	1,854	2,000
Total Violations Received	2416	2,000	1,860	2,000
Total Tickets Issued	111	100	115	400
Complaints per 1,000 Population	26.25	26.10	23.47	25.32

NOTE: "Cases" represents the number of calls for service / the number of "Violations" represents a count of issues per case. Numbers are expected to fluctuate over the next year while our new reporting system settles and works through our statistics.

Challenges

- **Staffing Level** – Adding a Code Enforcement Inspector would help geographic coverage and improve responsiveness when responding to complaints. Certainly there are efficiencies to be gained, but once achieved there is virtually a one to one relationship between the number of inspectors and the level of code enforcement ongoing.
- **Training** - New staff is requiring more of our time and expenses.
- **Rental Program** - With just 1.5 inspectors, (one code inspector assists with larger rental and in certain locations in the community, taking that person away from other code enforcement inspections) 3,000 buildings and 12,000 units productivity has fallen significantly. The backlog of rental inspections is about 2.5 years of conducting annual inspections.

Facilities Maintenance Division

10015480

The Facilities Maintenance Division manages building operations, maintenance and energy consumption for various city owned buildings including:

- City Hall
- City Hall Annex (currently vacant and to be demolished)
- The Police Building
- Public Works Buildings (East Street)
- Water Building (Division Street)
- Records Storage Building (301 E. Jackson)
- Old Engineering Building (S. East St)
- Salt Dome (S. East St.)
- Downtown Parking Facilities (budgeted separately from Facilities Maintenance)

This division also provides support to other departmental buildings and operations (fire stations, parks facilities, water treatment facilities and the Bloomington Center for the Performing Arts) not necessarily under direct control of the Facilities Maintenance Division.

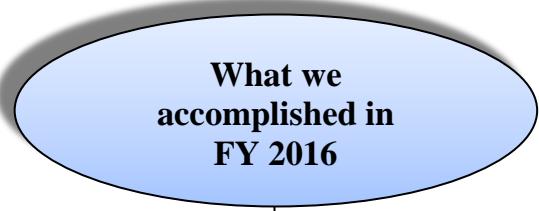

Key Services Provided:

- Review and payment of utility bills for all City facilities, traffic lights and some street lighting
 - Monitor maintenance of City buildings to ensure regular maintenance is done in a timely manner
 - Provide technical assistance to other departments on building maintenance outside our normal facilities
 - Provide oversight to third-party cleaning contractors
 - Oversee the bidding process for major City facility maintenance projects
 - Project management for major City facility maintenance and repair projects
-

**FY 2017
Budget & Program
Highlights**

- Facilities will be actively involved in overseeing and helping to facilitate many projects throughout the City.
 - One of the major projects will involve ongoing repairs to the Police Department windows. The work involves caulking joints in the entire building. The joints allow expansion and contraction of the windows, doors and other elements of the building and the caulk has deteriorated with age. In addition, evaluation of the stone facade is necessary to determine if it is contributing to the leaks.
 - Another major project involves demolition of the City Hall Annex which is past its useful life. The building has been vacant for several years, there are accessibility issues and the roof is leaking. This space could be used for parking or additional Fleet Management storage. This project includes: demolition of the building, relocating the fiber optic cable that runs underground along the north side of the building, relocating the fiber cable that runs inside the east end of the building and changing the soil grade on the north side of the building or install a retaining wall.
 - Creation and implementation of a facilities maintenance work order system will occur during the year.
 - Evaluation of emergency facility repairs will occur as needed.
-

**What we
accomplished in
FY 2016**

- The Facilities Master Plan was finalized and adopted by the City Council. The adopted Master Plan provide a baseline for prioritizing, budgeting and completing the backlog of necessary maintenance and repairs to City facilities.
- Replacement of the City Hall emergency power transfer switch was completed. The transfer switch provides automatic startup and transfer to the emergency standby generator during a power outage or other electric service interruption. A continuous power source is required at City Hall to maintain the City's network which controls many emergency services and other critical systems.

- The fire suppression system at the Police Department garage was replaced. The fire suppression system is a dry sprinkler system. During normal conditions, the system is charged with compressed air to minimize moisture buildup, maintain system integrity and help identify leaks. Even with the compressed air system, the pipe eventually degrades and repair or replacement is necessary. An evaluation of the existing piping was completed and indicated that the entire system should be replaced. The new sprinkler piping is galvanized which is more resistant to corrosion. This improvement was required for code compliance and life safety reasons.
 - Mold and lead contamination removal at the Police indoor firing range was completed. This work was another necessary step in the ongoing improvements which will ultimately allow the facility to return to a functional training center for City, County and other local police officers.
 - Demolition of the Old Ranger's Residence at Lake Bloomington was completed. This building had been unoccupied for several years and was gradually deteriorating. Removal of the building improves safety and aesthetics in the Lake Bloomington area.
 - Replacement of heating boilers at the Lake Bloomington Water Treatment Plan Annex was completed to ensure safe and comfortable operation of the plant.
 - US Cellular Coliseum Retro-Commission Energy Evaluation was completed and the subsequent Building Automation System Improvements was bid. These improvements provide more efficient operation of the climate and lighting control systems which will reduce energy use and associated expenses.
 - Phase I repairs to the Lincoln Parking Garage were completed. The repairs included joint sealing, drainage improvements, door replacement and stair repairs. Many of the repairs resolved safety issues which could have contributed to personal injury or vehicle damage claims if left unattended.
-

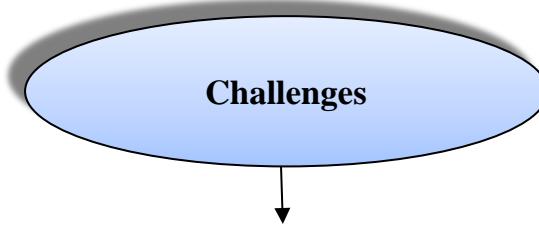

Revenue & Expenditures

-
- **Should the size of the Facilities Maintenance division be increased?** The largest challenge for the Facilities Maintenance Division is the backlog of maintenance and repair issues identified in the facility condition assessment. Addressing these issues is even more difficult with the current limited staffing levels. Additional staff, especially those who actually perform maintenance and repairs, are greatly needed to allow the Facilities Maintenance manager and supervisor to focus their attention on project and facility management. It is anticipated that with only two employees, approximately 200 maintenance issues throughout the City and 25 projects will be handled and addressed. Below is a small example of the number of maintenance items and projects already addressed this year to date with many more requests that will need to be prioritized while still addressing all the emergency work requests.

 - AC / Market Deck - Parking Signage
 - BCPA Maintenance
 - Butler Lot Improvements & Leasing
 - Cellular Coliseum Energy Evaluation & Retro-commissioning
 - Cellular Coliseum HVAC Controls Upgrade
 - Cellular Coliseum Smoke Exhaust Controls
 - City Hall - Cashiers Cash Drawer Install Desk #1
 - City Hall - Clerk shelving request
 - City Hall Annex Demolition
 - City Hall Cashiers Area Ergo Rehabilitation
 - City Hall Maintenance (65 YTD)
 - City Hall Office Furniture Request - Asst. City clerks
 - City Hall Office Window Treatments - Admin
 - City Mowing Contract
 - Coliseum Maintenance (4 YTD)
 - Custodial (5 YTD)
 - Davis Lodge Maintenance
 - Engineering Maintenance
 - Lincoln Garage Jury Parking County Audit Summary
 - Lincoln Garage Rehabilitation
 - Lincoln Maintenance (15 YTD)
 - Major Butler Lot - PERMIT Stenciling (2 YTD)
 - Market St. Garage Lighting Upgrade - Pilot
 - Market St. Maintenance (12 YTD)
 - Miller Park Zoo - Flamingo Exhibit - Construction Management (5 YTD)
 - Miller Park Zoo DeBrazza Plaza
 - Pepsi Ice Maintenance (9 YTD)
 - Pest Control (8 YTD)
 - Police Department Dry Sprinkler System Replacement
 - Police Department Firing Range Lead Mitigation
 - Police Department Firing Range Mold Remediation
 - Police Department Window Repairs
 - Police Garage Maintenance (11 YTD)
 - Police Maintenance (4 YTD)
 - Police Range - Lead & Mold Remediation Final Inspection
 - Police UPS System Battery Replacement

- Fleet Garage Bathroom Remodel (2 YTD)
 - Havco Building Asbestos Abatement & Demolition
 - Janitorial Cleaning Contract (2 YTD)
 - Lake Blm Old Water Treatment Plant Boiler Replacement
 - Lake Blm Old Water Treatment Plant Roof Replacement
 - Lake Blm Ranger Residence Demolition
 - Lake Blm Ranger Station Improvements
 - Lake Bloomington - Precon - Construction Management
 - Lake Bloomington Maintenance (3 YTD)
 - Lincoln Deck - Credit Card Machine install & signage
 - Lincoln Garage - Elevator Restart
 - Lincoln Garage - Stair tread plates - Construction Management
 - Public Service Garage Maintenance (9 YTD)
 - Public Works - Fleet Improvements
 - Public Works Garage Maintenance (7 YTD)
 - Public Works Office Maintenance (4 YTD)
 - Records Storage Maintenance (4 YTD)
 - Space Utilization Study
 - Sugar Creek Packing Plant - Power Turnoff
 - Sugar Creek Packing Plant Demolition Design
 - T2 Upgrade at Parking Garages
 - Water Department Division St Pump Station Roof Replacement
 - Water Department Maintenance

Government **Center**

10015485

Purpose
(Why does this division
exist?)

-
- Located at 115 E. Washington, the Government Center building is shared by both the City and McLean County. The City's Parks and Recreation (Floor 1), PACE (Floor 2), and Public Works (Floor 3) offices are located in this building. The Government Center is a 126,300 square-foot building. The City occupies 63,150 square feet of space.
 - The Government Center is a leased building. The lease runs until November 30, 2022 and is split equally with McLean County who shares the building. The City does not have any direct ownership in the building. The owner is the McLean County Public Building Commission. The lease with McLean County Public Building Commission was entered into on November 20, 2001 and amended on December 12, 2003, October 4, 2005, January 9, 2012 and November 1, 2013. The lease calls for both a rent payment and a maintenance and operations payments to be made to the McLean County Public Building Commission each year.
-

**FY 2017
Budget & Program
Highlights**

- The principal, interest and lease payments are based on the bond payments for the purchase and renovation of the building and are split evenly between the City and the County. The payment for FY 2017 is \$410,945.
 - The maintenance and operations payment varies annually. The County operates and maintains the building for the McLean County Public Building Commission. The County determines a budget each year around November or December. The Commission approves this budget and distributes the cost evenly between the County and the City. For FY 2017, the maintenance and operations portion of the lease is budgeted at \$434,006. Maintenance and operation expenses include janitorial service, repairs and utility services in the Government Center.
 - In FY 2016, the City's portion of the annual lease and maintenance and operations payments equates to a cost of \$13.38 per square foot.
-

Parking

10015490

Purpose
(Why does this division exist?)

The City of Bloomington began addressing downtown parking needs with parking controls (meters) in the streets and has progressed to construction of parking decks to house the ever-increasing Downtown parking needs. The City currently owns two parking decks and one surface lot. We also manage the Abraham Lincoln Parking Deck for the Public Building Commission.

The Parking budget accounts for operations and maintenance of the Market Street Parking Deck, Pepsi Ice Center Parking Deck and the Major Butler surface lot. These facilities do not have dedicated personnel operating the parking areas on a regular basis as we do at the Abraham Lincoln Parking Deck. This budget accounts for all parking operations and enforcement. Parking attendant expenses, while budgeted here, are supervised by the Police Department.

- **Market Street Parking Deck** – Built in 1974, this 39-year-old facility has 550 parking spaces within the garage with 492 spaces available for rent on a monthly basis. The City currently rents 405 of those spaces. The condition of this facility was rated poor by the City's Facility Maintenance division. Carl Walker Inc., a company that specializes in parking facility design, construction and maintenance, recommended approximately one million dollars' worth of structural repairs. These repairs would extend the useful life of the garage 10 to 15 years. Phase one of the restoration project was completed December 2010 at a cost of about \$250,000. Phases two and three were completed in 2013 at a total combined cost of nearly \$750,000. In FY 2017, there is \$250,000 for repairs. A complete replacement of this garage will need to happen in 10 years.
 - **Pepsi Ice Center Parking Deck** – Built in 2005 in conjunction with US Cellular Coliseum, this seven-year-old facility has 330 parking spaces, 33 of which are available for rent on a monthly basis. The City currently rents approximately 3 spaces. The condition of this facility has been re-rated during the City's facility study which unearthed serious structural defects which were addressed in 2014.
 - **Major Butler Surface Lot** – There are 71 parking spaces within the lot. Monthly parking was eliminated in January 2011 and brought back in July 2015. There are 18 spaces available for rent. Currently, 6 monthly parking passes are issued in this lot. In July 2015, the lot was also converted to free four-hour parking in all areas except the rental spaces.
-

FY 2017 Budget & Program Highlights

- Staff will continue to work through issues related to the software conversion from Scannet to T2 Parking Systems which was done in 2015. Use of the online payment option implemented through the T2 Parking Software System will be promoted.
- Lighting upgrades will be evaluated and implemented at the Market Street Garage. The existing lighting is very inefficient and used significant energy. Replacing the lights with new LED ones will reduce energy costs. Preliminary estimates indicate that the cost of the lighting upgrade will be recouped in about 2 years due to the lower energy cost.
- Routine general maintenance of the parking facilities will be performed to ensure safety of parking customers and efficient operations.
- Improvements to the parking citation devices will be implemented. The existing handheld units are bulky and obsolete. Their size, slow operation and docking requirements to download citations often limits the Parking Attendants efficiency. The new devices will be smart phones that utilize an app for issuing citations. The citation app automatically updates citations in T2 through the phones mobile data plan. The only additional equipment needed to issue citations are mobile compact printers. The upgraded system should allow the Parking Attendants to cover more parking facilities and achieve greater compliance with parking regulations.

What we accomplished in FY 2016

- Staff continue to operate the parking decks to provide Downtown residents and facilities a clean and safe place to park their vehicles.
- Staff continue to pursue the collection of unpaid parking violations through the Legal Department and to explore other methodologies to collect unpaid fines.
- Multiple signage improvements were completed. The signs at the Market Street Garage and Butler Lot were confusing and somewhat contradictory. Due to code changes and customer feedback, these signs were replaced with ones that provide clear and concise information about parking hours and time limits at the facilities. Positive feedback from numerous customers was received after the work.

```
graph TD; A([Authorization]) --> B([Funding Source]);
```

Authorization

The Parking Division and its related activities have been codified in Chapter 29 of the City Code.

Funding Source

- Fees are collected for parking in the parking deck and fines are assessed for parking violations issued in Downtown Bloomington.
 - The City offers a portion of the Market Street Parking Deck, Pepsi Ice Center Parking Deck and Major Butler Surface Lot for timed general public parking as well as reserved monthly parking. Monthly parking passes are available to the general public at a current rate of \$50 per month. All facilities are open for general parking on Saturdays and Sundays and after 4:00 PM on weekdays.
 - Multiple parking spaces in Downtown Bloomington have time limits. Three parking attendants patrol Downtown Bloomington to monitor compliance with regulations and one parking attendant works in the Lincoln Parking Deck pay booth. The City issues parking violations for vehicles which exceed the time limits. The fines for these infractions range from \$10 to \$25 per violation.
-

Challenges

- **Aging Infrastructure** – The Market Street Parking facility underwent major repairs in 2010 and 2013. These repairs are estimated to extend the useful life of the facility another 10-15 years. However, within 5-10 years the City will need to consider the long-range viability of the facility and plan for its replacement in Downtown Bloomington. This replacement parking facility is included in the 20 year Capital Plan, but there are currently no funds earmarked for this venture.

The complete replacement of the Market Street Parking Facility is estimated to cost between \$10 and \$15 million dollars.

Downtown Parking Policy

Downtown Parking Policy: Over the years, parking in downtown (street and parking facilities) has been handled as the perceived need dictated at the time. Length of time on the streets, parking meters and public parking facilities are in a constant state of flux. In early 2010, Farr Associates, as part of their proposed strategic plan for Downtown, provided the City with a parking policy framework (www.downtownbloomington.org/index.php?id=163) to guide an overall plan for parking in the downtown. The plan has three major parts:

1. Shift to an emphasis on public, rather than private, parking in support of a vibrant Downtown
2. Use performance-targets to manage existing parking spaces
3. Convert excess parking revenues into Downtown improvements

This plan awaits Council action.

Public Works Administration

10016110

Purpose
(Why does this division exist?)

Public Works Administration provides the backbone and support for the efforts of the four divisions within Public Works: Engineering, Fleet, Solid Waste, and Streets and Sewers. Director Jim Karch, PE, CFM, works with and responds to the City Council, City Manager, Assistant City Manager and the public. The Director oversees Division superintendents, an office manager, and administrative staff.

Public Works currently has facilities at the Government Center and along East Street south of the Bloomington Public Library. It makes do with these facilities. However, its East Street public services buildings are aging and crowded. At the far south of the map is the leased Bus Barn, which is used for indoor vehicle storage. Fleet Maintenance lacks indoor vehicle storage and workspace.

Public Works facilities do not fit well into the current campus plans, especially those of the Bloomington Public Library. Library expansion to the south would require moving or closing the Public Works drop-off facility. Public Works prefers to keep the service. City staff is reviewing options for Public Works as it investigates needs and options for City facilities as a whole.

FY 2017 Budget & Program Highlights

-
- Upgrade radio communications. A capital lease of STARCOM21 radios will improve base-to-field communications. It replaces equipment formerly used by the Police Department. The new, digital equipment will enable departmental communications and also radio communications with Police, Fire and Water personnel. This will be crucial in an emergency. The capital lease is under the “principal” line item below, explaining the large jump in that item.
 - Coordinate Master Planning from various areas within the department.
 - Prioritize storm water and sewer projects based on fee levels.
 - Continue upgrades and additions to Website content.
 - Examine options for short-term and long-term space needs.
 - Continue emphasis on citizen input and customer service.
-

What we accomplished in FY 2016

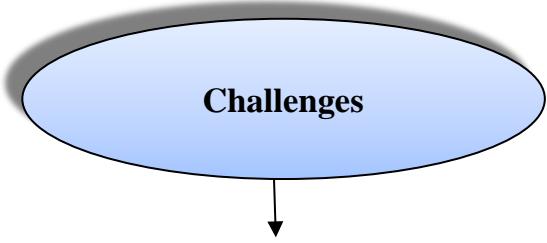

-
- Two key staff members were promoted to management positions outside the Department. Assistant City Engineer Bob Yehl became Director of Water and staff engineer Russel Waller became Facilities Manager.
 - Received City Council approval of the Stormwater and Sanitary Sewer Master Plans, the Sidewalk Master Plan and the Bicycle Master Plan.
 - Laid the foundation for a large infrastructure improvement bond.
-

Revenue & Expenditures

Public Works Administration	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Expenditures				
Salaries	\$224,547	\$273,542	\$258,562	\$281,430
Benefits	\$98,237	\$122,232	\$126,070	\$137,643
Contractual	\$88,955	\$94,754	\$92,619	\$104,469

Performance Measurements

Public Works Administration	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Inputs:				
Number of Full Time Employees	3	3	3	3
Department Expenditures	\$430,695	\$512,991	\$499,382	\$631,621
Effective Measures:				
Department Expenditures per Capita	\$5.62	\$6.70	\$6.52	\$8.24

Challenges

-
- The Public Works Department continues to run very lean and many divisions are still operating at the levels reduced in 2009 following the Great Recession. We have accomplished many Council directives while keeping up with daily operations. We are cognizant of budgetary issues. However, to continue to keep up with public demand and achieve City directives, more staff will be required.
-

Street Maintenance

10016120

Purpose
(Why does this division exist?)

Street Maintenance provides general street upkeep, which includes resurfacing, reconstruction, pothole repairs, patching and repairs needed after excavations for work on water or sewer lines.

Because of the equipment and staffing needs, the City contracts for major street projects, while using employees for innumerable smaller ones.

City staff also plans and supervises major road construction, reconstruction and resurfacing. The City's annual resurfacing contract is bid to a contractor and falls under capital projects.

**FY 2017
Budget & Program
Highlights**

Street crews continue to patch and preserve roadways to extend their life. This has been an essential feature of the City's program. These "permanent patches" last far longer than standard pothole fill.

Crews also will again be assigned to larger projects, as needed. An example: In summer 2015, street maintenance worked extensively along Lafayette Street to patch sections and rebuild shoulders.

The streets workers also resurface entire blocks and half-blocks at times.

Funding Source

General Fund 91.16%, and funds dedicated for Pavement Repair, Street Maintenance plus other fees and penalties make up the remaining 8.84%

What we accomplished in FY 2016

- In August 2015, City workers removed a barrier blocking the access to Allin Street from the 700 block of West Jefferson Street. The barrier had become a gathering spot for large numbers of people from outside the neighborhood. Its removal makes maneuvering in the neighborhood easier for Police, Fire and Public Works vehicles and the general driving public.
- Streets employees are in charge of a half-block repair of West Chestnut Street west of Lee Street.
- Major patching projects were essential to transportation in FY16 because of limited funds for resurfacing.
- The Sign Shop continued its gradual replacement of aging signs with new ones proven to have higher visibility and greater longevity.

Revenue & Expenditures

Street Maintenance	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Expenditures

Performance Measurements

Street Maintenance	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Inputs:				
Number of Full Time Employees	*19	*19	*19	*19
Road Rehabilitation Expenditures per Paved Lane Mile	\$4,249	\$4,819	\$4,780	\$4,711
Outputs:				
Total paved lane miles of streets and alleys	-	-	842	842
Paved Lane Miles Assessed in Satisfactory or Better Condition (*Includes paved alleys)	584	584	*622	*622
Percentage of Assessed Lane Miles Rated Satisfactory or Better	73%	73%	74%	74%
Average Number of Working Days to Repair a Pothole	2	2	2	2
Tons of Asphalt	2,268	3,250	2,532	2,700

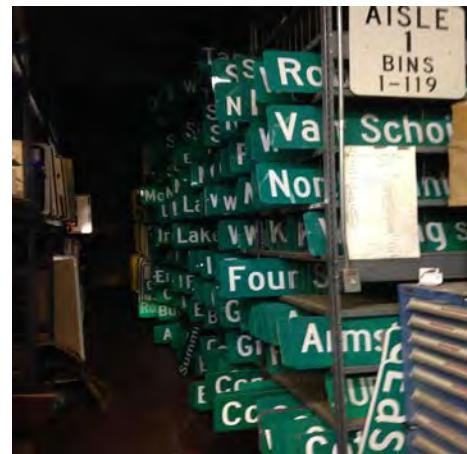

* **STAFFING:** The Streets & Sewers Division assigns two employees to the Sign Shop, three to traffic lane painting (night crew), one to miscellaneous support tasks and three to asphalt work. Three employees work on streets, sidewalks, ditches, etc. to repair infrastructure that is damaged or destroyed by other work – primarily excavation work by the Water Department, which is why the jobs are categorized as “Water ditches.” Four employees are placed in areas needing attention on a given day. Some of those tasks are: response to sewer cave-ins, work on concrete panels, pothole repair, sidewalk and sidewalk ramp repair and detention basin upkeep. The other two employees supervise the Division.

Challenges

- Deteriorating road conditions and increasing number of sewer cave-ins cause increases in impromptu care and reactive adjustment.
- The City Council's increased commitment to street resurfacing is making a difference in bringing overall street conditions to a more acceptable level. This commitment is combined with a Staff-Council commitment to stretching dollars and extending the life of streets through pavement preservation measures. City crews perform permanent patching, and contractors have been hired to use pavement preservation methods, primarily Reclamite overlay that acts in similar ways to seal-coating a wooden porch. These measures have the potential to save millions of dollars. Patching comes out of Street Maintenance while resurfacing and pavement preservation out of Capital Improvement.

What else do we do?

- Funding for Street Maintenance is used to maintain approximately 320 centerline miles of street pavement. It includes pavement repairs resulting from the work of contractors or the Water Department performing utility repairs. Typically, two crews with three employees each perform street maintenance during the normal construction season (May 1 to November 1). For the remainder of the year, the number of employees on specific duties, including snow plowing, varies depending on need. Usually, three two-person crews work on pothole patching operations during the winter months.
- Street Maintenance also performs work on urban sections of state highways and receives reimbursement through the Illinois Department of Transportation (IDOT).
- **Sign Shop** –The Street Maintenance budget provides funding for the following Sign Shop activities:
 - Maintenance and repair of approximately 25,000 traffic control signs located along the 320 centerline miles of pavement within the City of Bloomington.
 - Purchase of equipment used either directly by the City of Bloomington employees or loaned out to other groups for special events such as the Park to Park Run, the annual Labor Day Parade and other similar events.
 - Field auditing of the installed signs once every 10 years to comply with federal retro-reflectivity requirements.
 - Replacement of damaged traffic control signage.
 - Traffic line painting.
 - Special events sign and barricade posting and removal.

Snow & Ice Removal

10016124

Snow & Ice Removal operations entail all plowing and salting of the City streets and alleys to maintain safe roadways for residents and to keep commerce moving. During snow events, personnel also are responsible for plowing/salting all City owned parking lots, Fire stations, the Library parking lot and the Lincoln parking lot across from the Government Center.

Snow/Ice response involves personnel from the Streets, Sewers and Solid Waste divisions. Division supervisors rotate management duties. Only properly licensed employees from AFSCME local 699 operate snow- and ice-removal equipment.

Fleet Management provides maintenance and repairs and switches to 12-hour shifts to provide 24-hour coverage during major snow/ice events.

The City had 17 snow events during the winter of 2015 compared to 31 in 2014. An event is defined as employees being dispatched to salt and/or plow city streets.

```
graph TD; A([FY 2017 Budget & Program Highlights]) --> B([What we accomplished in FY 2016]); B --> C

- 
- 
- 

```

**FY 2017
Budget & Program
Highlights**

The Snow & Ice Removal fund remains one of the more important items for both citizens and the City Council.

Staff has developed preliminary plans on the possibility of a satellite facility on the east side. It would include a salt dome. Salt storage would increase efficiency of east-side work.

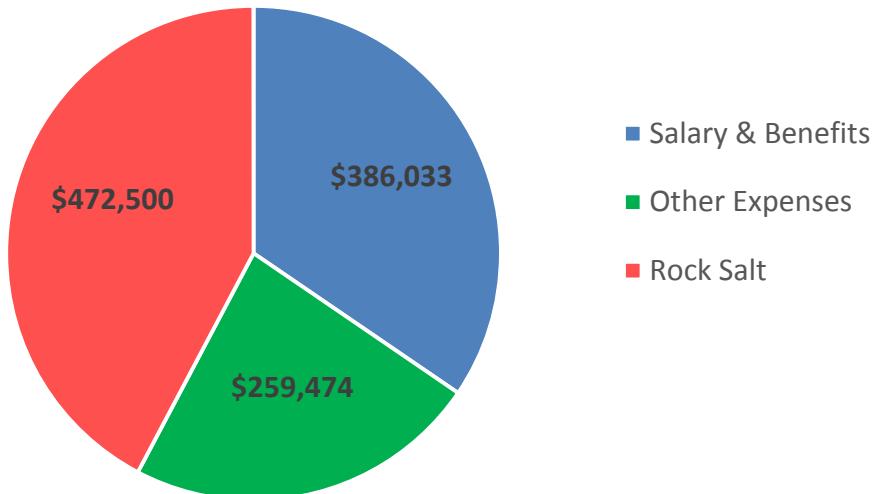

**What we
accomplished
in FY 2016**

- Most mailboxes damage during snow/ice removal results from the boxes getting hit by a wave of heavy snow coming off the plow – not from being hit by the snow plow itself. Public Works began experimenting with a bendable mailbox post to reduce the cost of repeated mailbox replacements at select locations. A spring-loaded mailbox post, called a “rebounding mailbox,” was installed on Airport Road at Empire at a spot that goes through multiple mailboxes every year. The test mailbox made it through the winter. The rebounding mailbox and post costs \$125 apiece, counting shipping. A standard mailbox and post costs \$34, plus staff time to install. Expanded use is planned, and limited, strategic placement will be essential because of the extra cost for the spring-loaded boxes.
- The salt dome’s conveyor system was repaired prior to winter.
- The City historically budgets for an average year. The response policy is to attack snow/ice problems with vigor regardless of line.

Revenue & Expenditures

Snow & Ice Removal	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Expenditures				
Salaries	\$329,054	\$355,000	\$376,221	\$305,000
Benefits	\$121,736	\$85,366	\$90,427	\$81,033
Contractuals	\$48,175	\$93,577	\$100,441	\$89,471
Commodities (Salt)	\$503,980	\$593,070	\$564,270	\$555,773
Principal Expense	\$106,690	\$58,177	\$58,141	\$85,548

FY 2017 Proposed Major Expenses

Performance Measurements

Snow & Ice Removal	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Inputs:				
Number of Full Time Employees	-	-	-	-
Department Expenditures	\$1,115,131	\$1,186,599	\$1,191,089	\$1,118,007
Cost of Salt per Ton	\$56.01	\$56.01	\$61.60	\$64.68
Outputs:				
Number of Snow Events	17	31	31	31
Tons of Salt used	7,800	8,000	8,000	8,000
Mailbox replacement	457	350	320	350
Overtime	\$134,334	\$350,000	\$350,000	\$300,000

- ☞ An average winter will include approximately 30 snow events.
- ☞ A response to a snow event will generally involve 25 employees.
- ☞ Public Works ties type of work to a fund. Therefore, a Solid Waste employee will be paid out of the snow-ice fund while performing snow removal.
- ☞ The cost of snow/ice response depends on severity and duration of events, not just the raw number of them, and also timing of winter storms. Night and weekend work require more overtime pay.

Challenges

- Public Works strives to safely, effectively and swiftly remove snow and ice. This is tested by a reduction in staff. The Solid Waste Division lost 6 jobs (through attrition and job transfers) as a cost-saving measure in FY 16. That means 6 fewer employees to clear the roads.
- Limitations on number of hours worked are intended to promote safety for the drivers. However, it further limits the City's ability to respond to weather emergencies.
- A second salt dome, in east Bloomington, would improve response time because drivers working on the east side would no longer have to drive to downtown to reload salt. A satellite dome also would add desired capacity; the existing salt dome only provides 75% of average annual usage.

Other Information

City snowplow drivers missed first place by a single point during the annual Snow Roadeo statewide competition for 2015. Scores were based on performance on an obstacle course, a written test and a safety test.

Engineering

10016210

The Engineering Division of Public Works serves a vital role in planning infrastructure and overseeing enactment of those plans. Its engineers and engineering technicians are guided, in part, by master plans for sidewalks, bicycle accommodation, sewers and storm water as a result of master plan approval in 2015. A Streets Master Plan for major traffic improvements is in a draft stage.

The division oversees the pavement resurfacing program and programs to improve sidewalks and install ADA-compliant sidewalk ramps. The division oversees plans for roads, bridges, traffic and new subdivisions. It heads the planning effort to upgrade sewers and eliminate overflow of water from combined sewers into streams (CSO elimination). It oversees and inspects the work of contractors on City projects and in new subdivisions. It also:

- Maintains Bloomington's Geographic Information System and GIS-based street, sewer, sidewalk, water and traffic data bases.
- Helps coordinate school walking routes.
- Considers citizen requests and input, conducts engineering studies, and proposes improvements to provide safe and efficient public infrastructure.
- Manages traffic signals and timing, traffic signs, pavement markings, traffic calming, traffic counts, traffic crash reporting and analysis.,
- Has oversight in compliance with City, state and federal regulations.
- Has four electricians to maintain traffic signals, Downtown decorative street lighting, water and sewer pump stations, and water treatment plant electrical and control systems.

- Issues dumpster, traffic control, overweight, excavation, curb cut and erosion control permits.
 - Conducts specialized research and analysis.
 - Designs, reviews plans, inspects, approves and manages record drawings
 - of public improvements such as sewers, detention basin, roads, traffic signals and other public infrastructure.
 - Manages the public right-of-way.
-

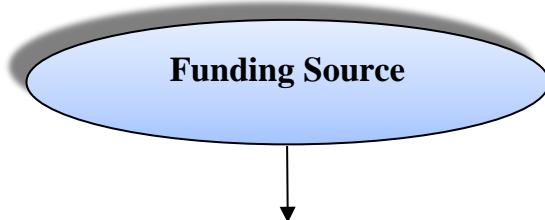

In 2015, the Engineering Division and its leaders were honored for an ongoing commitment to excellence:

- The Illinois Chapter of the American Public Works Association honored the Division with a statewide award for the staff-produced Sidewalk Master Plan, and the group nominated the project for national recognition.
 - The Illinois Society of Professional Engineers (ISPE) named Bloomington City Engineer Kevin Kothe as the Illinois Government Engineer of the Year.
 - ISPE recognized Assistant City Engineer Bob Yehl as Outstanding Chapter Member. (Mr. Yehl was later promoted to Director of Water.)
-

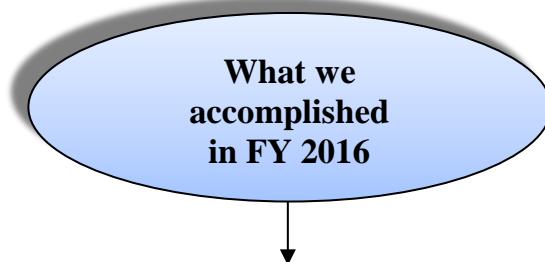

FY 2017 Budget & Program Highlights

- FY 2017 will be highlighted by a variety of projects that take master planning from documents to reality. The City should see accelerated work on sidewalks, streets, sewer and storm water management.
- Bicycle routing will continue as opportunities present themselves for enactment of pieces of the Bicycle Master Plan.
- The year also should see completion of the Benjamin School Trail, linking the two sides of The Grove at Kickapoo Creek subdivision to each other and to the elementary school. Funding comes primarily from a Safe Routes to School grant.

- Completion of the south corridor (Hamilton Road/Fox Creek Road) will draw closer. Phase I planning will be completed on Hamilton (Bunn to Commerce) and planning also will proceed on Fox Creek (Danbury to Beich.)
 - The 2014 construction year was a major year for resurfacing. Funding in 2015 was limited. Resurfacing is expected to be robust again in 2016.
 - Preparation of the MFT road, bridge and traffic signal projects will continue.
-

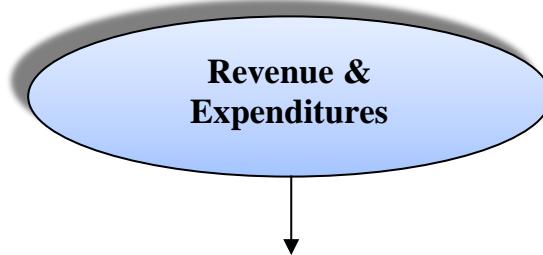

General Fund 90.51%, Maintenance and Fees 9.49%

- Engineering oversaw a \$1.6 million sewer lining contract. This represented a major inroad into rehabilitation of aging underground infrastructure.
- The City Council stated its intent to use a portion of a one-percent increase in the sales tax on street resurfacing.
- The City Council approved a Sidewalk Master Plan to serve as a guide to fix all substandard sidewalks in Bloomington and make sidewalk ramps compliant with the Americans with Disabilities Act.
- The Council passed the Stormwater and Sanitary Sewer Master Plans.

- The Council approved a new Comprehensive Plan. Although the Plan is implemented by the Community Development Department, Engineering uses it for guidance. Public Works took major roles in assisting in the Comp Plan's creation, through working groups.
-

Engineering	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Expenditures				
Salaries	\$621,982	\$726,871	\$685,857	\$554,247

General Fund Subsidy	90.99%	91.68%	91.68%	90.51%

The engineering budget pays for the following 7 staff members:

- The City Engineer and Assistant City Engineer, who oversee high-level planning as well as performing project management.
- Two of the Division's four electricians, whose duties include traffic signal and downtown lighting maintenance. (The other two are paid from Water and Sanitary Sewer).
- Two of the Division's six engineering technicians, one of whom oversees street improvement projects and the other who specializes in documents.
- One support staff member, who is essential to recordkeeping.

Challenges

Future staffing: Staffing is a major challenge. The City Council must determine how to address stormwater and sanitary sewer needs. Engineering is heavily involved in planning and overseeing the needed projects. Engineering Division staffing must increase to bring these projects to fruition. Public Works proposes to gradually add staff as the Stormwater and Sanitary Sewer Master Plans projects and programs are enacted. Salaries and benefits would be divided between Storm Water and Sewer Maintenance funds and would entail the addition of a technician and engineer in FY 17, a technician and engineer in FY18, a technician in FY19, and a technician and engineer in FY 20.

If all the hires are approved, Engineering would still have one fewer FTE than it did in 2009, when Recession-driven cuts resulted in the loss of 9 FTEs (one of which has since been added back).

Fleet Management

10016310

Fleet Management serves as the City's in-house repair garage, but also provides additional tasks for the City. It develops specifications for vehicles and equipment, and makes recommendations to the City Council for new purchases. The Fleet Management Division of Public Works also purchases all items for equipment fitting, maintenance and repair on behalf of the City. The division purchases all fuels for the mobile fleet through the bid process, Joint Purchasing Contracts or negotiations (depending on the anticipated purchase cost). While the Fleet Management Division does not operate equipment during snow events, its staff provides the maintenance services that keep this equipment on the road. During major snow events, Fleet operates over two 12-hour shifts.

Fleet Management operates two shifts. This allows us to service and repair vehicles and equipment during their off-use hours. There are seven full-time technicians, one seasonal employee, one office employee, and an office employee who is shared with Public Works Administration that works mainly out of the Government Center.

The Division oversees most repairs plus routine maintenance for more than 500 pieces of equipment, including more than 300 motorized vehicles with an estimated replacement value of about \$31 million. The Division outsources only transmission, body work and repair/replacement of tires.

**FY 2017
Budget & Program
Highlights**

Fleet will continue to explore “greening” options for City vehicles.

**What we
accomplished
in FY 2016**

- **Online sale of surplus vehicles and equipment has maximized the return on investments.** Through September 2015, Fleet Management sold 30 surplus units, resulting in total revenue of \$53,568.65.
- **Onsite repairs eliminated cost overruns, appointments and service calls for routine repairs.** This included more costly services that were routinely sent out. Our technicians are now making repairs in-house at a lower cost. This does require a higher level of technical expertise, and the technicians work hard to complete these repairs while still meeting other daily workload goals.
- Staff made timely repairs of City service vehicles. Fleet, when possible, services vehicles during out-of-service hours to reduce the need for additional units.
- Motor Pool vehicles were provided to all Departments to reduce the number of units in the fleet while making vehicles available for out-of-town travel.

**Revenue &
Expenditures**

Dollars Saved due to In-House Maintenance	N/A	N/A	N/A	N/A

* N/A represents measures that will be tracked in future Fiscal Year.

Challenges

- Management of fleet maintenance in a competitive market. The City's diverse fleet covers over 15 different common and specialized vocational equipment fields.
- Strategic timing of the replacement of City vehicles within the City's fiscal restraints.
- Enhanced technological training for staff to be able to work on new vehicles.
- The need to upgrade the aging Fleet Facility. The current Fleet facility is outdated in its space needs and design functions for the vehicles and equipment of today. The City owns fire equipment that will not fit inside the building with the shop doors closed. In addition there are other units with cabs and beds that cannot be raised in the shop because of the ceiling height. Currently there are two vehicle lifts for light duty vehicles and none for heavy duty units. When a unit is disabled on a lift, technicians are forced to use jacks, jack stands and creepers to repair vehicles. This requires more time and is less efficient. The facility lacks service pits in the floor to quickly inspect the undercarriages of vehicles and equipment. The pits would add efficiencies to the service and repair of street sweepers, refuse trucks, dump trucks, sewer vacs, backhoes, and fire equipment, as well as cars and pickups.

Vehicles in the City Fleet

Vehicle/equipment type	Number in category
Emergency Vehicles	65
Fire-Rescue Trucks	13
Ambulances	7
Passenger Busses	2
Light Vehicles (<10,000 gross vehicle weight GVW)	131
Medium Duty (10,000-19,500 GVW)	22
Heavy Duty (>20,000 GVW)	67
Equipment/Off Road*	262
Total Vehicles and Equipment in the City Fleet	569

*Wheel Loaders, Backhoes, Tractors, Mowers, trailers, Zambonis, generators, saws, compressors, plows and spreaders, loader buckets, other attachments, skid loaders, leaf vacuums

Other Information

Fleet Labor Rate

- Fleet Management functions in much the same way as auto and truck dealerships and independent repair shops. Fleet's labor rate is calculated by taking the total expense to operate the Fleet Management Division and subtracting revenues, then dividing the total by the available billable hours for the year. **The current labor rate is \$53.00 an hour which has not been raised since 2005.** The division's labor rate is 15% to 45% lower than other repair facilities in the area (reference upon request).

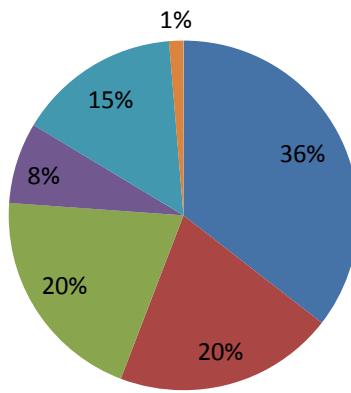

- Fleet Management Division can handle most types of repairs. These include servicing of marked police patrol cars, repairing Zamboni ice refinishing machines at the US Cellular Coliseum, welding repairs on an end loader bucket, repairing the salt conveyor at the salt dome, repairs to mowers, electrical and hydraulic system repairs on all makes and models of vehicles and equipment, as well as the repair of camera, computer, and emergency equipment in police and fire units. In-house preventive maintenance on City vehicles also saves time and expense.

Fuel

- In addition to repairs, Fleet Management also is responsible for fuel purchases and the maintenance and repair of the fuel dispensing equipment. The division also bills and reports fuel usage to all departments within the City. In the spirit of intergovernmental cooperation and the desire to keep cost down for the residents of McLean County, Fleet Management also sells fuel to McLean County agencies at a slightly increased cost to cover the expenses for this service.
- We have continued our **Risk Management Fuel strategy**. We pooled 50% of the City's diesel fuel purchases with other entities so future contracts could be bought at a time of year when fuel costs are historically at their lowest. This limits the risk of fuel costs exceeding budgeted amounts and could result in cost savings. We also purchased 50% of our no-lead fuel on future contracts.

FY 2017 Fleet Management Expense Allocations

■ Fuel ■ Commodities ■ Salaries ■ Benefits ■ Contractuals ■ Capital Expenditures

A Typical Day: A typical work day for a technician might begin with finishing a repair of replacing fuel tank straps that have rusted through from the previous work day. When a sewer vactor truck comes in with the router pump not working, the Tech will be pulled off the repair he is on to diagnose the problem. He troubleshoots the problem and determines if it will be a quick fix or if the unit must be put out of service. In this case, it is a relay that has vibrated loose in the control box. The Tech reinstalls the relay and secures it to its mounting, ensuring it won't vibrate loose again. The sewer vactor crew members are on their way to continue on with the 30, 60, 90 day cleaning program. The Tech then finishes the fuel tank strap repair and returns the truck to service. He then brings in a street sweeper that had a side broom tilt motor shorted out internally. He replaces the tilt motor, adjusts it, then checks the unit over for defects and lubes it before putting it back into service. He then starts a PM Service on a dump truck that was scheduled in. He notes and repairs defects he finds while also repairing any problems noted by the operator. An ambulance stops by with a headlight out and the Tech replaces the bulb to keep it in service. The Tech returns then finishes the PM Service.

Greening the Fleet

Currently the City uses Bio-Diesel in all units that fill up at the Public Works fueling site. When using 20 percent Bio-Diesel these units are considered Alternate Fueled vehicles. The City has many cars and trucks that are E85 compatible. We currently do not use E85 as the City does not have a fuel tank available. At this time offsite fueling of these vehicles is not cost affective. All totaled the city has 191 Alternate Fueled units.

Contingency

10019110

**This budget has been
eliminated in FY 2017**

A contingency organization is simply set aside to handle unexpected expenses outside the range of the usual operating budget. This can serve as protection against possible loss in the event of an emergency situation, such as a disaster, or against potential loss of income from taxes and other revenue sources. When this is the case, the government can draw upon the contingency account to cover shortfalls in operational costs, keeping key public services such as law enforcement and city services functioning.

As of 2010, the last United States Full Census, Bloomington's population is 76,610 residents. Since 2000, our city has had a population growth of 18.21 percent.

**FY 2017
Budget & Program
Highlights**

- This budget has been eliminated beginning with FY 2017.

McLean County Mental Health

10019140

The City established the McLean County Mental Health division to account for the contribution provided to the County related to mental health. A joint initiative between the City of Bloomington, the Town of Normal and Mclean County whose purpose is to fund mental health services as identified in the McLean County Mental Health Action Plan of 2015.

On September 21, 2015, the City Council took the Mclean County Mental Health Action Plan into consideration while discussing raising the Home Rule Sales Tax. City Council approved the amendment to Chapter 39 – Taxation, Section 130 of the municipal code that increased Home Rule Sales Tax by 1% with 10% of net proceeds or approximately one quarter of a percent earmarked for this initiative. The increase estimated at \$2.4M, will be transferred to McLean County each year for the next twenty years. The Town of Normal also increased their Home Rule Sales Tax 1% and designated 10% of the net proceeds to this joint initiative and is estimated at \$1.675M annually.

Sister City Committee

10019160

The purpose of the Bloomington-Normal Sister City Committee, also known as Sister Cities Committee, is to further international relations and good will between the Bloomington-Normal Community and Asahikawa, Japan.

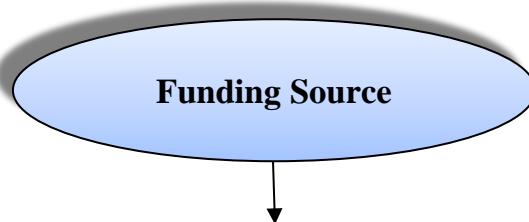

- This relationship is pursuant of the People to People program instituted by the United States State Department (original ordinance 1982-91).
-

The Sister Cities relationship with Asahikawa began in 1962 and is one of the longest running in the country. It is a joint effort between the City of Bloomington and the Town of Normal. Asahikawa is on the northern island of Hokkaido, Japan.

- The City's General Fund will transfer \$12,101 to support the operations of the Sister City Committee in FY 2017.
- The Town of Normal will transfer \$12,100 to support the operations of the Sister City Committee in FY 2017.
- Private donations and corporate support provide additional funding for the community activities.

The City of Bloomington and Town of Normal provide funds for this organization in addition to private donations.

What is the Sister City Committee?

-
- The Sister City Committee is responsible for preparing an annual budget for its operations and presenting the budget to the City Council on an annual basis.
 - The Committee consists of twenty (20) members, ten (10) approved by the Mayor and Council of each community.
 - The Committee meets on the first Monday of each month at the Central Illinois Regional Airport.
 - The Committee is broken down into sub-committees that focus on educational exchange and community relations activities.
-

What we accomplished in FY 2016

-
- The Committee hosted 15 junior high students and two chaperones from Asahikawa who toured Bloomington/Normal while staying with American host families.
 - 8 area junior high students and 2 adult chaperones stayed with host families while visiting Asahikawa this past summer.
 - 1 student from Asahikawa and 1 student from Bloomington/Normal participated in a high school exchange program which lasted for the entire academic year.
 - The Committee participated in the International Fair held at ISU.
 - A complete redesign of the Sister Cities website has been completed and provides a more user-friendly and interactive site.
 - The Committee has an active social media presence with 221 Facebook followers and some posts reaching over 1,000 people, including links to a monthly blog post by our high school student in Asahikawa.
 - The majority of newsletters will now be sent through email, instead of USPS mail.
 - Several cleaning days were held at the Constitution Trail Garden for upkeep and maintenance.
 - The Committee served as a board shadow site for 2 members of the 2015 Multi-Cultural Leadership Project class.
-

Revenue & Expenditures

Sister City	FY 2015 Actual	FY 2016 Adopted Budget	FY 2016 Projected	FY 2017 Proposed Budget
Expenditures				
Contractual	\$14,050	\$7,500	\$5,500	\$10,000
Commodities	\$2,160	\$2,500	\$2,500	\$2,000
Other Expenditures	\$17,778	\$18,201	\$13,491	\$17,201
Department Total	\$33,988	\$28,201	\$21,491	\$29,201
Revenues	\$30,326	\$28,201	\$28,201	\$29,201
General Fund Subsidy	\$12,101	\$12,101	\$12.101	\$12,101

Upcoming Changes

- Committee will hold elections in October for the positions of Chairperson, Vice-Chairperson, and Treasurer.
- Emphasis to more aggressively promote the Jr. High TO program along with increasing the age span of qualified candidates is underway for next summer's trip.
- Initial plans and discussions will start in the next few months in preparation for the 55th anniversary of the Sister Cities which will be hosted in Asahikawa in 2017.
- The Constitution Trail garden will see some changes this year, through the introduction of new plants alongside the clearing of unsuccessful plants.
- Recruitment of new members to the Committee has been successful with a focus to continue to attract members with a passion for international exchange programs.

Economic Development

10019170

The City of Bloomington Office of Economic Development seeks to enhance the economic viability of our community through the attraction, retention and expansion of high quality commercial development. The Office of Economic Development makes use of economic development tools and collaboration with other economic development organizations at the local, state and national levels with the goal of improving the City's economic future and quality of life for its residents.

The City of Bloomington Office of Economic Development and its related activities are part of the City Council's Strategic Plan.

The Office of Economic Development works with property owners, commercial brokers, developers and others to expand and enhance the tax base for Bloomington; retain and attract new retailers and service providers to the community; and to increase employment opportunities for current and future residents of the area. It does so in concert and cooperation with local, county, state and federal officials, regional associations, area units of government and other non-governmental sector partners.

FY 2017 Budget & Program Highlights

This division will continue to:

- Work with City-wide stakeholders to attract retail, commercial and other business to the City of Bloomington.
 - Coordinate with the Economic Development Council of the Bloomington-Normal Area to present one to two major City projects for consideration for State and/or Federal funding as part of the One Voice Program.
 - Identify underutilized retail spaces and work with various stakeholders to fill vacant retail spaces.
-

What we accomplished in FY 2016

As part of the commitment to sustainable economic development, the City hired an Economic Development Coordinator in FY 2012 to develop and establish economic development programs and practices to encourage private sector projects in the City of Bloomington. These efforts have resulted in capital investment, job creation, expanded tax base, creative and niche development, recreation and entertainment venues and other developments.

A few highlights of those efforts during FY 2016 include:

- Provided assistance to multiple business owners and developers in the process of opening new businesses in Bloomington.
 - Partnered with the Bloomington-Normal Economic Development Council in the Application for renewal and expansion of the City's Enterprise Zone.
 - Supported area commercial realtors in the marketing of properties for sale or lease in Bloomington.
 - Initiated the process to create the Empire Street Corridor TIF District to support the redevelopment of the Colonial Plaza Shopping Center and neighboring commercial / retail properties.
 - Led the City's business attraction effort for Green Top Grocery Cooperative to choose to locate in Bloomington and supported the proposed development of the "Foundry" retail shopping center on East Washington Street near Downtown Bloomington through property tax abatements which were approved by the local taxing districts.
 - Facilitated the recruitment of key retailers.
-

Revenue & Expenditures

General Fund Subsidy	94.42%	95.70%	94.47%	95.49%

Payments to Outside Agencies

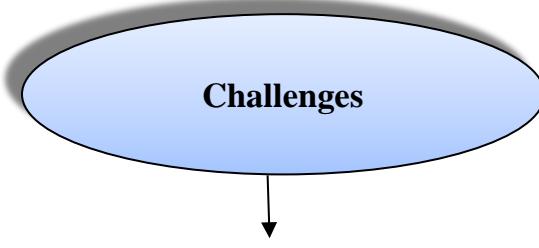

- Funding for economic development activity was established with the FY 2011 Budget. The funds were drawn from multiple department budgets to improve the use of resources for those departments and to the City as a whole. Outside agencies that currently receive payments from these funds include:
- **Bloomington-Normal Area Convention & Visitors Bureau (CVB)** - The mission of the CVB is to “Enhance the economy of McLean County through the promotion, attraction, and retention of events, conventions and tourism.” The City commits a portion of the Hotel/Motel Tax revenue to the CVB each year. For FY 2017, the City has budgeted \$545,000 to assist the CVB in reaching their goal.
- **Economic Development Council of the Bloomington-Normal Area (EDC)** - The EDC is a leadership organization that helps businesses in McLean County grow and works to attract new businesses to the area. By investing in McLean County’s assets, we can improve the community’s prosperity and quality of life. The FY 2017 budget recommends contributing \$490,000 to the EDC.

- **Town of Normal** - The City and the Town of Normal entered into an Intergovernmental Agreement in January 1986 to develop a Metro Zone as part of the Bloomington-Normal / McLean County Enterprise Zone. Part of this agreement called for all revenues and all expenses to be shared between the two municipalities. This promoted development in the area without the worry of the two municipalities competing against each other when attracting businesses. The Metro Zone is bordered by Route 9 West, Mitsubishi Motorway, College Avenue and Wylie Drive (see attached map). This area was previously undeveloped, but now is home to Wal-Mart, Wehrenberg Theatres, and other retail businesses, hotels and restaurants. Each year the City forwards to the Town of Normal half of all revenues generated from this area, including Sales Taxes, Property Taxes and Food & Beverage Taxes. The budgeted expenditure amount for FY 2017 is \$1,240,000.
- **Downtown Bloomington Association (DBA)** – The DBA is dedicated to improving the Downtown area by attracting business, residential and commercial real estate investment, and retail opportunities to the Downtown area. An agreement with the DBA was approved in July 2008 and is re-evaluated on an annual basis. For FY 2017 the contribution to the DBA is budgeted at \$90,000 which is equal to the subsidy provided by the City in FY 2016.

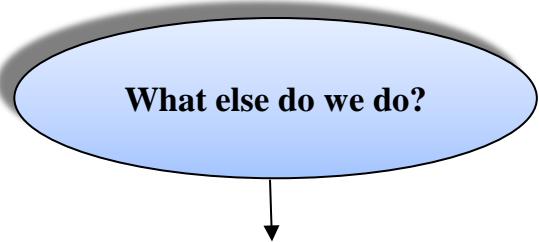

Summary of active incentive / rebate programs administered by the Office of Economic Development and the City's Finance Department:

- **Township payments** – State law requires the City to pay a portion of property taxes they receive from newly annexed properties to the Townships and Fire Districts that represented the property prior to annexation. The property tax sharing is required for 5 years after annexation on a declining scale and is meant to help offset the losses incurred by the Townships and Fire Districts due to the annexation. The budgeted amount for all township payments related to these annexations for FY 2017 is \$51,000.
 - **To Bruegge & Co., Inc. (Ashley Furniture Home Store)** – An agreement between the City and Bruegge & Co (Ashley Furniture Home Store) was approved by the Council on June 19, 2012. The agreement called for the developer to enter into a lease for a term of no less than ten (10) years, commence operation of retail furniture and home furnishings and decor business on or before January 1, 2013, and employ no less than fifteen (15) full-time and no less than four (4) part-time positions throughout the term of the agreement. The City will annually reimburse the Developer fifty percent (50%) of Municipal Use and Occupation Taxes generated from the retail operation of the Developer commencing January 1, 2013. Payment will be made to the Developer annually starting on March 1, 2014 and on March 1 each year thereafter until (i) the Developer has received a total of \$150,000; or, (ii) March 1, 2018. For FY 2017 the budgeted obligation is projected to be \$30,000.
-

Challenges

- **Current staffing levels** (one full-time employee) will limit the Office of Economic Development's ability to increase outreach efforts related to business attraction and retention and to properly address all projects, requests and assignments provided by the City Council in pursuit of the goals of the Strategic Plan.
 - **Limited access to funding and development-related incentive programs** (e.g., Enterprise Zone) will be a critical factor for the Economic Development Office and will impact its ability to effectively assist businesses.
 - **Continued uncertainty in Illinois' State Government** is a damper on the willingness of existing businesses to expand and is a serious detractor in efforts to attract new major employers to the City.
-

What else do we do?

The Office of Economic Development serves the community by improving the economic future and quality of life for everyone in Bloomington. In accordance with Council guidelines, the office also contributes to the effort to create a diverse local economy with choices for entertainment and a vital Downtown through the following activities:

- Providing the business community with access to information and resources
 - Offering professional assistance and access to financial institutions and programs
 - Helping to attract new business ventures and job opportunities
 - Diversifying the tax base to relieve the burden on individual taxpayers
 - Promoting positive working relationships with local businesses and organizations

General Fund Transfers

10019180

General Accepted Accounting Principles (GAAP) define inter-fund transfers as a “flows of assets (such as cash or goods) without equivalent flows of assets in return and without a requirement for repayment.” In connection with the City’s financial statements, the term transfer is used exclusively in connection with inter-fund activities which are activities between funds of the primary government. Transactions between the primary government and parties outside the financial reporting entity should be reported as revenues and expenses/expenditures rather than transfers.

-
- The City Manager and Finance Department recommend the budgetary practice of inter-fund transfers in the City’s annual budget.
-

**FY 2017
Budget & Program
Highlights**

- The General Fund will be reimbursed \$1,644,030 from the Enterprise funds for services provided to these funds by General Fund departments.
- The General Fund (FY 2016 Local Motor Fuel Tax & .25% of 1.0% increase of Home Rule Sales tax estimated revenue) will transfer \$4,828,619 for resurfacing, handicap accessible ramps and sidewalk maintenance.
- The General Fund will transfer a total of \$2,122,042 between the General Bond & Interest Fund and 2004 Variable Bond Redemption Fund for debt service payments.
- The General Fund will transfer \$1,301,283 to subsidize the Solid Waste Enterprise Fund.
- The General Fund will transfer \$688,626 to the Coliseum fund for audit cost, City insurance, City Asset replacement, City Capital Lease payments for assets and other miscellaneous cost.
- The General Fund will transfer \$12,101 to continue the City's support of the Sister City program.

**Transfers made in
FY 2016**

- The General Fund was reimbursed \$1,573,638 from the Enterprise funds for services provided to these funds by General Fund departments.
- The General Fund was reimbursed \$56,609 from the Library and John M. Scott funds for cost incurred through the City's Early Retirement Incentive Program.
- The General Fund transferred \$3,333,700 to the Capital Improvement Fund to allocate resources for Capital Projects.
- The General Fund transferred \$2,135,945 to Debt Service Funds.
- The General Fund transferred \$1,638,496 to subsidize Enterprise Fund(s).

Public **Transportation**

10019190

Purpose
(Why does this division exist?)

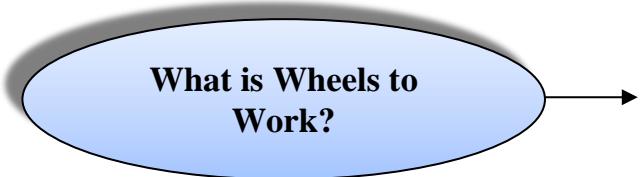

The City established the Public Transportation division to account for the subsidy provided to **Connect Transit**, a joint venture between the City of Bloomington and the Town of Normal whose purpose is to engage in a wide variety of activities necessary for the operation of a transit system within the corporate limits of the two governmental entities.

**What is Connect
Transit?**

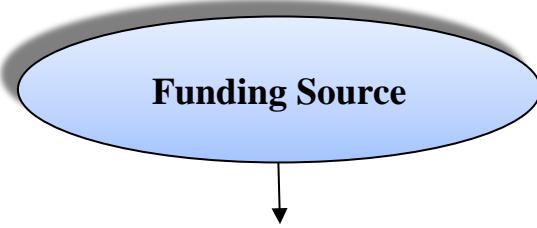

Connect Transit operates 35 fixed route buses and 14 para-transit buses. In FY 2015, 2.7 million passengers used this system. The ordinance (1972-69) approved in 1972 by the respective communities sets forth a formula to determine the contribution the City and Town will make to the Transit System to purchase capital equipment. The calculation of this weighted average has led the City's portion used to purchase capital equipment to decrease from 59.9% to 59.1% (the capital equipment cost will vary from year to year). The Connect Transit fiscal year does not coincide with the timeframe of the City's FY 2017 budget. As a result, the contribution amount to the City's budget is calculated by including two months of the prior year contribution (Connect Transit FY 2016 budget) and ten months (Connect Transit FY 2017 budget) of the current contribution.

The Bloomington-Normal Public Transit System Board is composed of seven members. The City of Bloomington appoints four trustees and the Town of Normal appoints three trustees. Connect Transit gives a monthly report of its activities to the City Manager through the Board of Trustees meeting. Connect Transit is funded primarily through federal and state governmental assistance. Other revenue sources include fares and contractual fees. The City's annual subsidy will be paid from this division of the budget.

Connect Transit operates on Fiscal Year of July 1 to June 30. The budgeted transit subsidy for FY 2017 is \$1,188,050, which includes \$9,000 for the Wheels to Work Program.

Connect Transit offers a collaborative transportation option coordinated by the YWCA McLean County to provide transportation to and from work for residents in areas the Connect Transit does not offer a fixed route and on Sundays when the transit does not offer bus service. The City of Bloomington and the Town of Normal both support this initiative.

Connect Transit is funded primarily through federal and state governmental assistance. The City of Bloomington and the Town of Normal subsidize capital budget deficits of the system in accordance with a prescribed formula.
