Subject: Troublesome Docks

Andrew,

Could you help me locate some information please?

I spoke with a group of men at the Lake that claim ownership to a cove full of docks that are on non-leased City-owned land. In my call, the group referenced Council meetings on 9/29/50 and 11/27/78. Can you see if you can find any proceedings dealing with docks from those dates? If you come across something can you email it out to us?

Thanks,  
Leslie

Leslie - this is going to be a real problem. The women walking out to their cars at night is what I hear is an issue. So, maybe we should discuss FT parking and locations? Curtis

Andrew,

Could you help me locate some information please?

I spoke with a group of men at the Lake that claim ownership to a cove full of docks that are on non-leased City-owned land. In my call, the group referenced Council meetings on 9/29/50 and 11/27/78. Can you see if you can find any proceedings dealing with docks from those dates? If you come across something can you email it out to us?

Thanks,  
Leslie

Subject: Procurement Memo - USCC Riding Scrubber

Leslie - Attached is a procurement memo for a new Riding Scrubber for the USCC. The procurement memo's that the City uses doesn't really speak to what we do here, so I did my best in filling out this document. I also attached Carla's email as to the account the funds should come from to pay for the scrubber. Let me know, I can pass this up the chain to legal if you need me to? Let me know. Thanks, Leslie. Hi Curtis. You can put this purchase forward on a procurement memo with your 3 quotes. Please use account 57107110-72140 and we will transfer the needed amount from 71190. This will qualify as a capital asset so it needs to be charged to a capital account. If you have any other questions, please let me know. Thanks.

Hi Curtis and Brittany. I just wanted to let you know that there is \$15K budgeted for event service equipment and \$8K for protective hockey netting in the City Coliseum - account 57107110-71190. I am assuming it is still yours to use. Please call me if you have any questions. Thanks.

Leslie - attached you will find a procurement memo and three quotes for radios for the US Cellular Coliseum. I've been holding off buying these, but we flat out need them as we had little to no communication for the Steve Miller Band concert. Please take a look at the memo and let me know if you require anything else. Otherwise, please sign (I'm not sure which category you sign in? Maybe Department Director??)

Then send to Legal. Thank you. Curtis

By the way, do we still need to discuss the Riding Scrubber? Let me know I can clean that up too. Curtis

Tim,

A couple of weeks ago we spoke about City of Bloomington property north/west of the Lake Bloomington spillway where an adjacent landowner might be farming without an agreement.

Would you be able to identify the COB property on the attached PDF? Also, please let me know if you have an indication who might be utilizing our property.

Tim,

A couple of weeks ago we spoke about City of Bloomington property north/west of the Lake Bloomington spillway where an adjacent landowner might be farming without an agreement.

Would you be able to identify the COB property on the attached PDF? Also, please let me know if you have an indication who might be utilizing our property.

Thanks,

Bob

Can we make one last change to this? Under Supervisor Authority, can you add Leslie Yocum? I'm putting these together and Leslie's is approving prior to going to these going to City Hall. Thank you again. Curtis
