I didn't have a roaster either. I made three crockpots last year the night before, stuck it in the fridge overnight, brought it in cold the morning of the cook off, dumped the crockpots into a roaster in the garage, and warmed it up in the roaster. I think we get to set up about 9am, so you will have at least 2 hours to warm it up.

All good - sounds like a plan. Niki mentioned this am the final chili amount made will need to be 3-4 times as much as Kirsten/I made this wknd - unfortunately we don't have a crockpot/pot that big.

Connie said she might have something we could use & make here as a team. Tina/Alex said they want to help & I heard Angie's helped make the chili in the past - was thinking we might want to take a team field trip to the store when it gets closer & make it that am in the break room as a group (good teambuilding activity - if we can hold the stove). Or we could do that the day before & have people bring 3-4 crockpots & heat up the morning of - am good w/whatever works. I think it def tasted better today than yesterday - is thicker too.

Truly delicious - this one has my vote! :) Thank you for bringing it in. If you and Kirsten will be making the chili for the cook-off, PLEASE let us all pitch in on the ingredients. Just let us know the total and we will split amongst those of us who choose to participate. Thanks again - may need to get another bowl!

## Volunteers

Hello and Happy Monday, All!

FINALLY...I feel like I can give you a relatively accurate volunteer list...but IF I'M WRONG and you have others that I've not listed here, please DO keep taking attendance with them and could you also please let me know that you have them?? The ISU students were supposed to have their KNR agreements done by last Friday so there "shouldn't" be any more coming from that route. We will most likely get a few for some of the special events, especially bingo programs and the dances as a couple of the service groups jump in when they can. I'll give the specific lead staff that information as it comes in.

Thanks for all you do to keep track of these people! They certainly are a help to us...but WE are helping them as well, so thanks for the extra efforts to make it a positive experience! If you want them to wear name tags we can make that happen, just say the word!!

By program:

**Recreational Bowling:** Rachel Finnerty

**Wreaths and More:** Kaley Levine, Liz Hartzler

**Cardio Fitness:** Liz Zimmerman, Curtis Wolfe

**Strength & Flexibility:** Peyton Dillingham, Samantha Hill, Kadie King (Did Emily Schierenbeck show up?)

**Fall Crafts:** Elizabeth Ratliff, Riley Neal, Tim Sullivan, Liz Zimmerman

**Jewelry Making:** Caitlyn Ryan, Lucy Rodriguez, Caitlyn Kline, Martha Abraha

**Craft a Gift:** Aleigha Hutchcraft

**Seat to SOAR:** Barb Wells, Verlinda Sapp, Dennis Sapp, Audrey McWhorter, Maggie Borst, Buffy Ryan (you don't really need to keep track of any of these...these are all "good will" volunteers)

**Adaptive Learn to Skate:** Lauren Anthony, Natalie Nelson, Kaitlyn Feldkamp, Rachel Finnerty, Lynne Church, Ashton Beachy, Simon Wallace

**Mini-Masterpieces with MJ:** Tijanne Ross, Amy Fountain (Amy possibly off the list)

**Open Gym:** Luke Holtz, Ashton Beachy, Simon Wallace, Tyler Pasley

**Fall Recipes:** Liz Zimmerman, Diane Tinoco, Xazavier Pittman, Andrea Myers

**SOARing through the ages with Music:** Michael Hadley, Marissa Trunell

**Casserole Cooking:** Liz Zimmerman, Andrea Myers

**Valentine's Crafts:** Andrea Myers

**Watercolor Landscapes:** Abby Otto, Barb Wells

**Unified Foot Golf:** Tanner Wright, David Gonzalez, Dylan Martins, Owen Punselie, Jose Pachelo, Lexszi Spiegel, Isaac Carter

**Halloween Bingo:** Liz Zimmerman, Marissa Todd

**Chili Cook-off:** Liz Zimmerman

**Turkey and Games:** Liz Zimmerman

**Holiday Dance:** Rachel Finnerty

**Christmas Party:** Rachel Finnerty

Thank you again all! All of these individuals have been asked to show up 10 - 15 minutes early to get instruction from you. They have also been told that you know they are coming...so please be pro-active with them and put them to work!

The past couple of years, we have not had the problem with the fuses blowing. The EAC purchased our own extension cords and power strips and have been running the cords farther into the streets room, the refuse room, and generally as far as we can to avoid too much power coming from only a few electrical sockets. I will definitely monitor the situation and adjust accordingly.

That is a good idea. Could you reach out to Jeff and your hubby and see if they can help with that. In addition do you have any idea what fuses have been blown in the past to where maybe we could try to get some extension cords. It would be good if we could prevent that from happening as well. I'm not sure of other issues beyond the resources it takes to clean up the building

We will probably discuss this at our EAC meeting on Thursday. We have thought about having a member kind of watch and make sure nobody blocks the fuel pumps.... is it possible to maybe have some barricades set up with no parking signs? If that is ok with you, I can coordinate with Jeff and Billy to get those and get them set up.

Hello all,

So, are we all ready to move ahead with the "City of Anarchy" theme and dress up like bikers and biker ladies?

If so, I'll send out an email to the rest of the department asking if anyone else wants to join us and to try and solicit someone to cook the chili. Then I think we should all meet for ideas on how to decorate and to see who wants to do what for the booth. Please let me know your thoughts and if anyone wants to volunteer to be our fearless leader a.k.a. captain?

Have a great day,

We will probably discuss this at our EAC meeting on Thursday. We have thought about having a member kind of watch and make sure nobody blocks the fuel pumps.... is it possible to maybe have some barricades set up with no parking signs? If that is ok with you, I can coordinate with Jeff and Billy to get those and get them set up.

If you have any other suggestion or anything you want me to take to the meeting, let me know.

Thanks,

Didn't we decide to do this in the main public works garage? Just wanted to make sure it didn't end up in the circus tent.

Thank you for doing this, Joni. It was worth comparing. I found Sam's to be nearly half as much as HyVee on almost every item. Definitely something to keep in mind when ordering beverages for the office.

Joni,

Please price the following items on HyVee Aisles online. I'm not ready to order at this time. Just need to compare between Sam's to determine which is cheaper so be sure to list the quantity you get for the price. I'll price at Sam's.

Case of bottled water

Large bag of charcoal

Large box of variety chips

100 cookies

Regular size bag of frozen chopped onions

Hot dog buns

Paper hot dog trays

3 pack of condiments (ketchup, mustard, relish)  
Large bottle lighter fluid  
Regular size bag of oyster crackers  
Large bag of shredded cheese  
Case of Diet Mt Dew  
Case of Diet Pepsi  
Pack of veggie dogs

Thanks!

Hi Maggie, so sorry it has taken me so long to get back to you. Fall semester is a lot busier than I expected and wanted to know my schedule before I committed to anything. Unfortunately the doc that had the volunteer opportunities will not open. I would still love to volunteer when I can if you just want to let me know when you guys could use me!

Thanks,

Skye

Hi, Skye!

Welcome back!! Hope you had a terrific summer break!

We would LOVE to have you back with us at SOAR! I am attaching the list of programs that would most benefit from volunteer assistance. Take a look and see if anything fits your schedule and we can go from there!

Thanks SO much!!

Hi Maggie,

Hope all is well. I am back at school and I know it is going to be a busy semester, but I was hoping to volunteer with S.O.A.R again. I would love to help in anyway possible, I had a such a great experience last semester! Please let me know what I can do.

Thanks,

## Chili Cook Off - Oct 27th

**Katie Stamp** to: Jeff Raines, Billy Stamp

10/05/2017 01:34 PM

In an attempt to not disrupt operations during this event, I would like to request the use of some barricades with no parking signs attached. We also talked about maybe the possibility of creating a loading zone for participants to drive into the garage and unload their supplies... We were thinking maybe vehicles could pull in south of the fuel pumps, near where the sweepers are parked. What do you guys think? Crystal and I were going to create a map to send to the team captains. And one last thing, if your crews are not too busy maybe we could have the use of a few guys in the morning and then again later in the afternoon? In the past we have utilized Bachman and usually another seasonal capable of lifting and moving things. I completely understand if the crews are busy, we will figure it out...

Thanks for all your help!!

We have had a few teams believe table location is important!! :) Therefore this gives all teams the opportunity to reserve a table and the extra money goes to Home Sweet Homes.

Hi Misty,

No problem at all! In a strange turn of events, the event that was originally scheduled for Friday, October 27th has been cancelled. With the date now being open, would you still be interested in holding the event at the arena? Let me know either way. Thanks!

Best,

Good Morning Cassie,

Thank you for reaching out and my apologies for not getting back to Terry. We are going to hold the chili cook off in the Public Works Garage again this year on Friday, October 27th. The Directors provided feedback that they really prefer the event being held on a Friday.

We hope you all join us for the event and let me know if you would like to put a team together and participate. It's always a lot of fun!

Thanks!

Hi Misty,

Pleasure to e-meet you! My name is Cassie Peterson and I am the new Event Manager at Grossinger Motors Arena. I spoke with Terry Dederich earlier and he mentioned that you were interested in potentially utilizing the arena for the city's annual employee chili cook off. Are you still looking at October 31st or did you have other dates in mind?

If interested, I'd be happy to meet with you on site and show you our concourse and restaurant spaces. In the meantime, let me know if you have any questions and if any additional information is needed from our end. Thanks, and talk soon!

Best,

Thank you for doing this, Joni. It was worth comparing. I found Sam's to be nearly half as much as HyVee on almost every item. Definitely something to keep in mind when ordering beverages for the office.

Joni,

Please price the following items on HyVee Aisles online. I'm not ready to order at this time. Just need to compare between Sam's to determine which is cheaper so be sure to list the quantity you get for the price.

I'll price at Sam's.

Case of bottled water  
Large bag of charcoal  
Large box of variety chips  
100 cookies  
Regular size bag of frozen chopped onions  
Hot dog buns  
Paper hot dog trays  
3 pack of condiments (ketchup, mustard, relish)  
Large bottle lighter fluid  
Regular size bag of oyster crackers  
Large bag of shredded cheese  
Case of Diet Mt Dew  
Case of Diet Pepsi  
Pack of veggie dogs

Thanks!

All,

Please see the attached map that our activity committee intends on sending out to team captains for the Chili Cook-Off. In an effort to make sure the fuel pumps are not blocked we are also working with the Streets and Sewers Super's to get some barricades with No Parking signs out. Please let me know how you feel about the map, and the last request I have for the event is to get 4-5 recycle carts to put out during the event. If you want me to coordinate with Palma, I'd be happy to.

Hi Misty,

Pleasure to e-meet you! My name is Cassie Peterson and I am the new Event Manager at Grossinger Motors Arena. I spoke with Terry Dederich earlier and he mentioned that you were interested in potentially utilizing the arena for the city's annual employee chili cook off. Are you still looking at October 31st or did you have other dates in mind?

If interested, I'd be happy to meet with you on site and show you our concourse and restaurant spaces. In the meantime, let me know if you have any questions and if any additional information is needed from our end. Thanks, and talk soon!

Best,

Cassie Peterson | Event Manager

Hi Misty,

Pleasure to e-meet you! My name is Cassie Peterson and I am the new Event Manager at Grossinger Motors Arena. I spoke with Terry Dederich earlier and he mentioned that you were interested in potentially utilizing the arena for the city's annual employee chili cook off. Are you still looking at October 31st or did you have other dates in mind?

If interested, I'd be happy to meet with you on site and show you our concourse and restaurant spaces. In the meantime, let me know if you have any questions and if any additional information is needed from our end. Thanks, and talk soon!

Best,

Would you have time to meet with myself and a few EAC committee members? We would like to look at areas of the arena for possible future events. As well as a few dates and discuss pricing.

We have had a few teams believe table location is important!! :) Therefore this gives all teams the opportunity to reserve a table and the extra money goes to Home Sweet Homes.

Good Morning Cassie,

Thank you for reaching out and my apologies for not getting back to Terry. We are going to hold the chili cook off in the Public Works Garage again this year on Friday, October 27th. The Directors provided feedback that they really prefer the event being held on a Friday.

We hope you all join us for the event and let me know if you would like to put a team together and participate. It's always a lot of fun!

Thanks!

Hi Misty,

Pleasure to e-meet you! My name is Cassie Peterson and I am the new Event Manager at Grossinger Motors Arena. I spoke with Terry Dederich earlier and he mentioned that you were interested in potentially utilizing the arena for the city's annual employee chili cook off. Are you still looking at October 31st or did you have other dates in mind?

If interested, I'd be happy to meet with you on site and show you our concourse and restaurant spaces. In the meantime, let me know if you have any questions and if any additional information is needed from our end. Thanks, and talk soon!

Best,

Subject: Your Office Friday 13th

Good morning,

Pam and I were discussing the chili cook off trial tomorrow, we would need to open up the training room and didn't realize there's a meeting going on in there around 10am with Steve R. Would it be okay if Steve

has his meeting in your office?

Thank you,

Janiev L Medina

Of course! See if Pam has a key to my office just in case it is locked tomorrow. I'll be off. Thanks, Jim

Greetings, it is that time of year and we will soon be enjoying the chili cook of and city sponsored feed fest. As usual we are still short on staff so I am expecting everyone to help manage the coverage at the front counter and phones. No one should be in attendance at the event for the entirety of the function. If you are part of the office contest, no problem attending for the competition, judging portion and part of any setup. Then you should finish your meal and return to relieve your fellow worker(s) so they also can enjoy the festivities. I know Sam is first for greeting and helping walkin's customers through out the day and Jamie is first on the phones. Shannon and Linda help out as needed and should be available if you let them know if and when there may be an issue or back up of customers. Everyone should have the opportunity to participate, no one should be left out. Thank you for thinking of others and keeping things moving smoothly up front and helping to make everyone's day an enjoyable one.
