My iPhone shows no texts at all on 1-23.

I sent the screen shot once I learned how to do a PRINT SCREEN .

(As may be more obvious from the screen shot – I do NOT do that many texts.)

What was I doing on my phone that was captured by a participant?

Looking stuff related to the hearing.

I asked more than one member of the board the following definitions. They, too, could not give me a definition. So I went to Wikipedia.

(Of that, I am also not a frequent user.)

As I mentioned before, I DID use my iPhone to look up two terms mentioned in the proceedings, in the IDNR letter (or maybe the Bat study?): lacustrine and palustrine.

en.wiktionary.org/wiki/lacustrine

Sep 26, 2017 · Definition from Wiktionary, the free ... This apparently reflects a general change from a more lacustrine environment in the lower member to a more ...

en.wikipedia.org/wiki/Palustrine_

Palustrine wetlands include any inland wetland that lacks flowing water, contains ocean-derived salts in concentrations of less than 0.5 parts per thousand, and is ...

Does that help?

Drake,

Just wanted to follow up our conversation last night with an email. Below you will find the FOIA request made of the County. If you could review the contents of your phone for 1/23/18 from 6-10,

capture anything responsive to the request and send to me it would be greatly appreciated.

Sincerely,

Samantha Walley
