Thank you for the opportunity to service your needs in vending.

HOI Vending would serve your needs in vending (with the exception of soda) for a period of thirty-six (36) months starting on the first day of September.

HOI Vending will set up machines in various locations. We then will add your location for route drivers. He will service these locations as many times a week as necessary.

We will be responsible for all service on any of our machines. All machines are marked with our service hotlines for any problems that may occur. Feel free to call us twenty-four hours a day, seven days a week.

The commission will be ten (10) percent of gross sales. Commission is paid once a month and mailed to you directly.

In order to terminate without penalty, there would need to be a thirty (30) day notice from either or both parties.

Once again, thank you for the opportunity to service your vending machines.
