Attachment D – Activities Statement

The following activities were undertaken in furtherance of the objectives of the Downtown East Washington Street Redevelopment Plan:

1. 510 E Washington Street Project:

- On June 12, 2017, the City Council adopted Ordinance 2017-47 approving a Redevelopment Agreement between the City of Bloomington and Iceberg Development Group (JNB Bloomington, LP and TIF Bloomington, Inc.) to support the redevelopment of the former Bloomington High School building at 510 East Washington Street into 57 age-restricted apartments with commercial spaces on the ground level.
- On September 29, 2017, the Board of Directors of the Illinois Housing Development Authority (IHDA) announced that it awarded \$1,397,914 in Low Income Housing Tax Credits (LIHTC) to Iceberg Development Group, LLC to support the redevelopment for the former Bloomington High School building.
- On April 29, 2019, the City's Community Development Department issued permits necessary to commence the redevelopment of the former Bloomington High School building.
- Due to the COVID-19 pandemic, the progress of the renovation of the former Bloomington High School building was delayed. In early July, 2020 it became apparent to both City staff and the Developer that the project would not be complete by August 15, 2020 (the completion date set forth in the Redevelopment Agreement). City staff and the Developer worked collaboratively to enter into an amendment agreement allowing the Developer until December 31, 2020 to complete the project and until December 31, 2021 to obtain the required National Park Service Historic Preservation Certification for the project. The project was completed by the revised due date and is currently fully occupied. The National Park Service Certification is currently pending.

2. City staff continued to market opportunities available within the TIF District.
